There is more Cataract in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Cataract to be a constitutional disease, and therefore requires constitutional treatment. Hall's Cataract Cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Old Age.
Old age as it comes in the orderly process of nature is a beautiful and majestic thing. It stands for experience, knowledge, wisdom, counsel. That is old age as it should be, but old age as it often is means poor digestion, torpid bowels, a sluggish liver and a general feeling of ill health, despondency and misery. This in almost every instance is wholly unnecessary. One of Chamberlain's Tablets taken immediately after supper will improve the digestion, tone up the liver and regulate the bowels. That feeling of despondency will give way to one of hope and good cheer. For sale by Barker's Drug Store.—Adv.

STANDARD OF THE WORLD

The "Story of the Cadillac" is one of that mechanical and commercial advancement which makes for permanency. The Cadillac Company has never yielded to clamor by producing that which catered merely to fancy, nor that which took advantage of the uninformed. On the contrary it has produced only that which it knew to be right, that which it knew would give to the purchaser "value received" in abundant measure.

The Cadillac Company has never been obliged to resort to exaggeration and overdrawn claims to dispose of all the cars it could make—and more. Its policy has ever been to under-claim rather than to over-claim. It is gratified that the public accepts its representations at their full worth; because the public has never been misled and because the public could always expect and has always received more than was offered.

Your Appearance Speaks For Itself

It is the duty of everyone to look their very best. Putting the best foot forward is not only pleasing, but it is good business.

Your income and its amount has a great deal to do with with the way you can dress, but not everything. Almost as much depends on how you spend your money. If you buy as the impulse strikes you it is a certainty that you will not always get full value. Your buying should be done with forethought. You can gain full knowledge of when, where, and what to buy in a few moments time each day.

It takes no longer than that to go through the advertisements of the merchants of this city, the best of whom advertise in THE PIONEER. Read these advertisements closely and constantly each day, then you can be sure of getting the best that money can buy at the lowest price for which it can be sold.
