

PLAN ASSAULT ON MONTEREY

Rebels to Attack Important
Mexican City.

MURDER ENTIRE VILLAGE

Revolutionists Wipe Out Population
of Small Town Who Were Defend-
ing Church Against Looters—Fed-
eral Garrison Reported Annihilated.

Dallas, Tex., Oct. 24.—A dispatch from a reliable source on the Mex-
ican border announced that Consti-
tutionalists had surrounded Monterey,
Mex., and expected to assault that
city shortly. Monterey is the most
important city in Northern Mexico.

Mexico City, Oct. 24.—Revolution-
ists murdered the entire population,
numbering about fifty, of the village
of Cheran Aticuri, in the state of
Michoacan, while they were defend-
ing the village church against looters.

Rebels are reported to have tor-
tured Lieutenant Jose Bracamontes
and two soldiers belonging to a small
federal garrison stationed near Cam-
aron, south of Nuevo Laredo, after
killing the remainder of the federal
troops. The rebels are said to have
skinned the soles of the feet of the
three prisoners, walked them several
miles and then beheaded them with
machetes because they refused to
shoot for Carranza.

WILSON AND BRYAN CONFER

Latest Phase of Mexican Situation
Discussed.

Washington, Oct. 24.—Developments
attending General Felix Diaz' at-
tempts to campaign for the Mexican
presidency, and the latest turn in the
situation between the United States
and Great Britain over the latter's at-
titude toward Mexico, engaged the at-
tention of President Wilson and Sec-
retary Bryan.

The disposition of all officials here
to maintain absolute silence with re-
gard to the inquiries by Ambassador
Page at London indicated that the
whole affair will be handled in the
quiet realm of diplomacy and no ex-
pression of policy were looked for on
the subject, either from London or
Washington.

There was confidence that further
and more intimate discussion of de-
tails would result in a friendly under-
standing, but in the meantime every
effort is being made to handle the
incident secretly.

As the elections of Oct. 26 approach
the administration here is in a wait-
ing mood. Huerta's attitude leads to
the belief that another announcement
from the American government point-
ing to the inability of his government
to conduct a free and fair election
may be expected.

CONTROL OF PHILIPPINES

Mohonk Lake Speaker Advocates In-
ternational Council.

Mohonk Lake, N. Y., Oct. 24.—Con-
trol of the Philippines by an interna-
tional council was proposed at the
Lake Mohonk conference of Friends
of the Indians and Other Dependent
Peoples.

The suggestion came from A. S.
Lanier of Richmond, Va., assistant
secretary of the United States depart-
ment of agriculture, who spent several
years in the Philippines as assistant
secretary of the bureau of justice.

Mr. Lanier made it known that he
had just submitted his plan to Presi-
dent Wilson and to the departments
of state and war. He offered it as a
solution of a problem which he con-
sidered not only perplexing but men-
acing and the one of all others most
likely to embroil this country with
Japan.

The plan provides for a council
composed of members selected by the
United States, England, France, Ger-
many, Russia and Japan and possibly
other nations.

UPHOLD HONOR OF UNIFORM

War Department Gives Approval to
Draft of Bill.

Washington, Oct. 24.—The war de-
partment has given its approval to
the first draft of a law designed to
uphold the dignity and honor of the
military uniform of the United States
in all of the states and territories
and in the insular possessions.

The measure forbids discrimination
in any public place against any officer
or enlisted man wearing the uniform
of the army, the navy or marine corps,
and likewise prohibits any person not
authorized from wearing the uniform
or any part of it. Offenders may
be prosecuted in any United States
court.

Mrs. Fairbanks Is Dying.
Indianapolis, Oct. 24.—The family
of Mrs. Charles W. Fairbanks, wife of
the former vice president, are at her
bedside fearing her death hourly. She
was stricken suddenly with pneumonia
a week ago.

MAY PROHIBIT SALE OF THE SUFFRAGETTE

Complaint Made to the New
York Authorities.

New York, Oct. 24.—Mrs. Pankhurst
and her friends are much dissatisfied
because she does not believe she re-
ceived as much of the gross receipts
of the Madison Square Garden meet-
ing as she had expected. Her con-
tract, according to this authority,
called for a guarantee of \$1,500 no
matter how small the audience, and
40 per cent of the gross receipts.
The total receipts were placed in the
neighborhood of \$5,000. She is said
to have received only the \$1,500 guar-
antee, however.

There was a prompt stirring up
of official activity when complaints
began to come to the district attor-
ney's office, to the police, to the offi-
cers of the Society for the Suppres-
sion of Vice, and to the chief magis-
trate's office about the writings of
Miss Christabel Pankhurst in the
copies of the militants' weekly Eng-
lish publication, the Suffragette,
which were sold by young girls to
anybody and everybody at the meet-
ing addressed by Mrs. Pankhurst.

Anthony Comstock called on Dis-
trict Attorney Whitman to see what
could be done to suppress the sale of
the publication. Mr. Whitman would
make no comment on the nature of

FEW FOLKS HAVE GRAY HAIR NOW

Well-known Local Druggist Says
Everybody Is Using Old-time Re-
cipe Of Sage Tea And Sulphur

Hair that loses its color and lustre,
or when it fades, turns gray, dull and
lifeless, is caused by a lack of sulphur
in the hair. Our grandmother made
up a mixture of Sage Tea and Sulphur
to keep her locks dark and
beautiful, and thousands of women
and men who value that even color,
that beautiful dark shade of hair
which is so attractive, use only this
old-time recipe.

Nowadays we get this famous mix-
ture by asking at any drug store for
a 50 cent bottle of "Wyeth's Sage and
Sulphur Hair Remedy," which dark-
ens the hair so naturally, so evenly,
that nobody can possibly tell it has
been applied. Besides, it takes off
dandruff, stops scalp itching and fall-
ing hair. You just dampen a sponge
or soft brush with it and draw
this through your hair, taking
one small strand at a time. By morn-
ing the gray hair disappears; but
what delights the ladies with
Wyeth's Sage and Sulphur is that, be-
sides beautifully darkening the hair
after a few applications, it also
brings back the gloss and lustre and
gives it an appearance of abundance.

WHY 7000 DRUGGISTS

Guarantee and Recommend Vinol

If any one should know the value
of a medicine it is the retail drug-
gist who sells it.

Therefore, when over seven thou-
sand of the best retail druggists in
the country recommend Vinol, our
delicious cod liver and iron tonic,
without oil, as the greatest tonic re-
constructor and strength creator
they have ever sold, it must indicate
the value of Vinol.

We could publish columns of such
testimony as the following:

J. C. Brady, druggist of Fall River,
Mass., says: "In cases where cod
liver oil, emulsions and other tonics
fail, Vinol will heal, strengthen and
cure."

C. A. Potterfield, druggist of
Charleston, W. Va., says: "It is a
pleasure to sell Vinol as it gives
such universal satisfaction."

Hunter & McGee, druggists, of
Jackson, Miss., say: "We have great
confidence in the strength creating
and curative value of Vinol."

We ask every run-down nervous,
debilitated, aged or weak person or
any person suffering from chronic
coughs, colds or bronchitis, to try a
bottle of Vinol with the understand-
ing that their money will be return-
ed if it does not do all we claim.

his talk with Mr. Comstock, but said
of the pamphlet:

"Vile, absolutely vile. Why, even
in the medical books these sub-
jects are at least presented without
the horrible rawness of this girl's
writings. Think of a lot of young
girls going around peddling this stuff
right out in public to anybody—to
other girls, for instance, without let
or hindrance."

IN HONOR OF TWO TITANIC VICTIMS.

Washington, Oct. 24.—Plans
will be completed in the near
future for the dedication of a
fountain erected south of the
White House in honor of the
memories of Major Archibald
W. Butt, former White House
military attaché, and Francis
D. Millet, painter and author,
who lost their lives in the
Titanic disaster early in 1912.
Former President Taft is chair-
man of the committee which

Continuous, Perfect Service---The Secret of K-R-I-T Success

The K-R-I-T'S reputation for staunchness and extreme durability is not confined to a few
isolated communities.

It is as wide as the nation, and the rougher the country, the more difficult the roads—the
more firmly the K-R-I-T is established as the medium-priced car has made good.

The chief of the reasons for this is, of course,
the structural quality of the car.

Back of this, and overshadowing in importance
every other consideration, lies the fact that every
part essential to smooth running, long life, econ-
omy and comfort, is produced by and within the
K-R-I-T organization.

In other words, the K-R-I-T at \$900 is a manu-
factured car in a sense as binding and literal as
the term implies when applied to the \$4,000 or
\$5,000 car.

You see how this process of manufacturing, in-
stead of buying parts ready-made and assembling
them, saves money for the manufacturer.

And the saving in this instance—in the shape
of better materials, more careful workmanship, bet-
ter operative qualities—goes into the K-R-I-T and
makes it vastly better value than the average \$900
car.

This value is expressed in features that you ex-
pect in higher priced cars—Appearance, Strength,
Power, Comfort—and most important of all—con-
tinuous, perfect service.
