## LAST ACT IS TO INCREASE TAXES

**Huerta's Final Move Before  
New Congress Meets.**

## ADVANCE IS SWEEPING

Stamp Tax on Checks, Receipts, Contracts and Other Documents of Public Nature Doubled, While Tobacco, Alcohol and Petroleum Pay Heavy Increase.

Mexico City, Nov. 21.—One of the last acts of Provisional President Huerta as dictator before the assembling of the new congress places a restriction on his powers was an edict making a sweeping increase in the internal taxes of Mexico.

The stamp tax, which requires a revenue stamp on checks, receipts, contracts and all documents of a public nature, was doubled. The tax on tobacco, alcohol and crude petroleum was heavily increased.

The marked manner in which Provisional President Huerta displayed his cordiality toward Charge d'affaires O'Shaughnessy, and the way in which he applauded the playing of the "Star Spangled Banner" at the reception in Chapultepec castle, were the subject of much comment. Although the entire diplomatic corps was present General Huerta did not converse at length with any of the diplomats except Mr. O'Shaughnessy, with whom he spoke privately for a quarter of an hour.

The provisional president, in high spirits, informed Mr. O'Shaughnessy of the substance of the message he was about to deliver to the new congress and told him that he would advance a copy to the American embassy of its delivery.

## HUERTA TOASTS AMERICANS

Drinks to the "People of the United States."

Mexico City, Nov. 21.—The reception at Chapultepec castle given by General and Senora Huerta furnished considerable food for speculation. After the Mexican national anthem "The Star Spangled Banner" was played and General Huerta led the cheering.

All members of the diplomatic corps were present, including Charge and Mrs. O'Shaughnessy. Huerta was effusive in his greeting to O'Shaughnessy and when the American national air was played embraced the charge.

Afterwards Huerta proposed a toast to the "people of the United States" and his emphasis left the inference that he did not include the United States government.

The caterer's bill for the reception was \$20,000. The Mexican government is supposed to be bankrupt.

Edmund Pennington, president of the Soo, was elected president of the reorganized Union Depot company. James T. Clark, vice president of the Omaha, is vice president of the depot firm.

## FOOD COST NOW AT HIGH POINT

**Exceeds Record of Last  
Twenty-three Years.**

## LARGE INCREASE SHOWN

Prices on Aug. 15 Last 66.1 Per Cent Greater Than for the Ten-Year Period of 1890-1899—Higher by 14.9 Per Cent Than Those of 1911.

Washington, Nov. 21.—Retail prices of food were higher Aug. 15 than they had been at any other time during the last twenty-three years, according to figures of the bureau of labor statistics. Retail prices of the principal articles of food in forty important industrial cities, gathered and compiled by experts, show that during the year twelve of the fifteen articles advanced in price while only three declined.

Comparison of retail prices on Aug. 15, 1913 with prices on the same date in 1912, shows potatoes advanced 20 per cent, bacon 18.8 per cent, smoked ham 117.6 per cent, eggs 12.6 per cent, round steak 11.5 per cent, sirloin steak 10.2 per cent, pork chops 9.3 per cent, hens 8.7 per cent, lard 8.1 per cent, rib roast 7.9 per cent, butter 5.7 per cent, and milk 2.7 per cent.

Sugar declined 7.8 per cent, wheat flour 5.5 per cent, and cornmeal 2.7 per cent.

Compared with average prices for the ten-year period, 1890 to 1899, every article for which prices were noted, with the exception of sugar, advanced. Bacon advanced 138 per cent, pork chops 124.5 per cent, round steak 108.4 per cent, smoked ham 99.2 per cent, sirloin steak 79.3 per cent, rib roast 7.65 per cent, potatoes 75.2 per cent, hens 73.2 per cent, lard 69.8 per cent, eggs 66.4 per cent, cornmeal 60 per cent, butter 41.8 per cent, and milk 38.8 per cent.

Sugar declined 2.3 per cent. When the price of each of the fifteen articles of food is distributed according to average consumption in workingmen's families retail prices on Aug. 15, 1913, were 66.1 per cent above the average price for the ten-year period from 1890 to 1899; 8 per cent above the price on Aug. 15, 1902, and 14.9 per cent above the price of Aug. 15, 1911.

## SHOT IN FIGHT OVER WOMAN

One Man Fatally Wounded and Another Badly Hurt.

Waukesha, Wis., Nov. 21.—Shot twice in the head, William Hutchinson of Philadelphia is probably fatally wounded and Joseph Dunnebecke, Altoona, Pa., has a severe scalp wound and is in jail as a result of the quarrel which ensued when the men met at the home of Mrs. Grace Clark here.

Both had been paying attentions to Mrs. Clark, who had separated from her husband. Each resented the other's presence at the Clark home and when they arrived simultaneously Hutchinson opened fire.

Dunnebecke fell with a scalp wound and Hutchinson, thinking his victim dead, shot himself twice in the head.

## IT'S A MISTAKE

Made By Many Bemidji Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended medicine is Doan's Kidney Pills. Bemidji is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Bemidji.

A. E. Hannah, 704 Mississippi avenue, Bemidji, Minn., says: "I had been annoyed by a lame and aching back and pains in my kidneys. I could hardly stoop or lift and I felt lame and stiff in the morning. I got Doan's Kidney Pills from Barker's Drug Store and they relieved me quickly."

The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—as distinctly for Doan's Kidney Pills, the same that Mr. Hannah had—the remedy backed by home testimony. 50 cents all stores. Foster-Milburn Co., Props., Buffalo, N. Y.

## FEW FOLKS HAVE GRAY HAIR NOW

Well-known Local Druggist Says Everybody Is Using Old-time recipe of Sage Tea And Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Resolutions were unanimously adopted favoring the circulation of a recall petition.
