Pullman, a suburb, was found dead in
a gas filled room of the bank. Rela-

GERMAN ATTACK ON
RUSSIAN FRONTIER

St. Petersburg, Oct. 6.—The Ger-
mans, defeated along the Niemen,
have now reformed just inside the
Russian frontier and are endeavoring
to resume the offensive, according to
reports received here.

Fighting is also in progress all
along the Polish frontier, where the
Russians are delivering a series of
attacks on the German entrenched
positions. At Kutnow the Germans
were defeated and forced to retreat
with a loss of 2,000 and two heavily
armored automobiles.

It is announced that the czar's ar-
rival at the front was the signal for
patriotic demonstrations, after which
the Russian soldiers, in a series of
wild attacks on the Germans, gained
a decisive victory at nearly every
point.

The situation in Galicia still re-
mains satisfactory, with the Austro-
German forces on the defensive.

EXTRA SESSION UNLIKELY

President Discusses Legislative Pro-
gram.

Washington, Oct. 6.—Outlining the
legislative program for the remainder
of the session of congress President
Wilson told callers that no extra ses-
sion in November is contemplated. He
added that only some extraordinary
emergency would necessitate an ex-
tra session following the adjournment
of the short session in March.

The president said the war tax bill,
the Clayton anti-trust bill and the Al-
aska coal leasing bill will complete the
important work for the present ses-
sion, and that when these bills are
disposed of he sees no reason why an
adjournment should not be taken. Ce-
tober 15 is the date tentatively set.

CHEESES ARE HEIRLOOMS.

In some parts of Switzerland it is
said that cheeses form family heir-
looms which are handed down from
one generation to another. At Les
Ormonts, in the canton of Vaud, it is
customary to make special cheeses
for certain family feasts. They are
tagged with explanatory labels and
eaten several years later, at other
feasts, or even at funerals. Recent-
ly, at Les Ormonts, in a concealed
shelter, there was discovered a
cheese dating from 1785. It was
toothsome, and would have gone well
with bread and "ZUMALWEISS"
grain belt beer, which is aged to per-
fection. T. R. Symons, Tel. 122-2.

Mexican Bullet Hits American.

Naco, Sonora, Mex., Oct. 6.—A
United States border patrol trooper
was wounded by a stray bullet in
scattered firing by Mexicans under
Governor Magtorena attacking Naco,
where General Benjamin Hill has been
entrenched for a week. Hill lost one
killed and three wounded.

Avoid Sedative Cough Medicines.

If you want to contribute directly
to the occurrence of capillary bron-
chitis and pneumonia use cough medi-
cines that contain codeine, morphine,
heroin and other sedatives when you
have a cough or cold. An expector-
ant like Chamberlain's Cough Rem-
edy is what is needed. That cleans
out the culture beds or breeding
places for the germs of pneumonia
and other germ diseases. That is
why pneumonia never results from a
cold when Chamberlain's Cough
Remedy is used. It has a world wide
reputation for its cures. It
contains no morphine or other seda-
tive. For sale by All Dealers.

Mass Meeting.

There will be a mass meeting of the
citizens of Bemidji and vicinity
Wednesday evening, October 7, 1914,
at 8 o'clock p. m. in the court room
in the court house in the city of Be-
midji, for the purpose of organizing
a Hammond club, and all citizens
who are in sympathy with the Wilson
administration, are cordially invited
to attend.

committee.

SAY ANTWERP FORTS
ARE STILL INTACT

Antwerp, Oct. 6.—Despite the con-
tinued bombardment of the southern
forts the general staff denied the Ger-
man contention that the fire of some
of the minor forts had been silenced.

"The situation continues excellent,"
said the statement. "Every fort in
the defense of Antwerp is intact. At
no point have the Germans made ad-
vances. We can hold out indefinitely."
The German commander has been
approached by the American minister,
who remains in Brussels, according
to reports, and asked to spare as much
as possible the historic structures of
this city.

According to advices received here
the German commander said he would
do so as long as the Belgians do not
use them for army purposes. Rein-
forcements have been received in the
city and have been sent out to the
forts to aid repelling the German at-
tacks.

Chronic Dyspepsia.

The following unsolicited testi-
monial should certainly be sufficient
to give hope and courage to persons
afflicted with chronic dyspepsia: "I
have been a chronic dyspeptic for
years, and of all the medicine I have
taken, Chamberlain's Tablets have
done me more good than anything
else," says W. G. Mattison, No. 7
Sherman St., Hornellsville, N. Y. For

Pacific train No. 101, the Sunset
Limited, near Colton and fired a shot

in the leg. The robber jumped
through an open window. He robbed
no one.

Tokio, Oct. 5.—An official announce-

MEAT CAUSE OF
KIDNEY TROUBLE

Take a glass of Salts if your Back
hurts or Bladder bothers—Meat
forms uric acid.

If you must have your meat every day,
eat it, but flush your kidneys with salts
occasionally, says a noted authority who
tells us that meat forms uric acid which
almost paralyzes the kidneys in their ef-
forts to expel it from the blood. They
become sluggish and weaken, then you
suffer with a dull misery in the kidney
region, sharp pains in the back or sick
headache, dizziness, your stomach sour,
tongue is coated and when the weather
is bad you have rheumatic twinges. The
urine gets cloudy, full of sediment, the
channels often get sore and irritated,
obliging you to seek relief two or three
times during the night.

To neutralize these irritating acids, to
cleanse the kidneys and flush off the
body's urinous waste get four ounces of
Jad Salts from any pharmacy here;
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine. This
famous salts is made from the acid of
grapes and lemon juice, combined with
lithia, and has been used for generations
to flush and stimulate sluggish kidneys,
also to neutralize the acids in urine,
so it no longer irritates, thus ending
bladder weakness.

A Marvelous Escape.

"My little boy had a marvelous
escape," writes P. F. Bastians of
Prince Albert, Cape of Good Hope.
"It occurred in the middle of the
night. He got a very severe attack
of croup. As luck would have it,
I had a large bottle of Chamberlain's
Cough Remedy in the house. After
following the directions for an hour
and twenty minutes he was through
all danger." For sale by All Dealers.

CUT loose from the big bulgy
wad. For a clean, small
chew there's nothing like
"Right-Cut." It is the Real
Tobacco Chew that you hear
men boosting to their friends.
Pure, sappy tobacco—seasoned and
sweetened just enough. You get the
taste of the richest tobacco grown.

Take a very small chew—less than one-quarter the
old size. It will be more satisfying than a mouthful
of ordinary tobacco. Just nibble on it until you find
the strength chew that suits you. Tuck it away.
Then let it rest. See how easily and evenly the real
tobacco taste comes, how it satisfies without grinding, how
much less you have to spit, how few chews you take to
be tobacco satisfied. That's why it is The Real Tobacco
Chew. That's why it costs less in the end.
It is a ready chew, cut fine and short ahead so that you won't have
to grind on it with your teeth. Grinding on ordinary candied tobacco
makes you spit too much.
The taste of pure, rich tobacco does not need to be covered up with molasses and
sorbitol. Notice how the salt brings out the rich tobacco taste in "Right-Cut."
One small chew takes the place of two big
chews of the old kind.

WONDERFUL STOMACH REMEDY IS
FOUND IN TIME TO SAVE WOMAN

Mrs. Williams Gets on Way to
Health After First Dose
of Treatment.

Mrs. Peter Williams of 2749
Eighteenth street S., Minneapolis,
was desperately ill with stomach
trouble. She faced the probability
of an operation.
After taking Mayr's Wonderful
Stomach Remedy, discovered for her
by a kind friend, she found herself
on the way back to health. Mrs.
Williams wrote:
"I have taken Mayr's Wonderful
Stomach Remedy for the fourth time
and I am feeling like a new woman.
I am entirely out of pain. I had
been sick for eighteen months and
four of our best doctors could do
nothing for me. They all agree
that an operation was the only
thing. One day a man told my hus-
band of your remedy and that night
he brought it home to me." Mrs.
Williams' letter tells an experience
like many of the thousands who
have taken Mayr's Wonderful Stomach
Remedy with unusual benefit. It
clears the digestive tract of mucus
and poisonous matter. It
brings quick relief to sufferers from
stomach ailments, liver and intes-
tinal troubles. Many declare it has
saved them from dangerous opera-
tions; many are sure it saved their
lives.
