New Men in Legislature.
When the next session of the Minnesota legislature starts many strange faces will be found among the law-makers. In the new house, out of 130 members, there are only 44 who saw service in the last house, and 11 more who have seen experience in previous legislatures. There are thus 55 men of experience in the new house, to 75 men entirely new to the game.

Barely one-third of the members of the last senate will be back this winter, but a majority of the upper house will be men of previous experience. Out of 67 senators, there will be 21 who served in the 1913 senate, nine who have advanced from the 1913 house to the senate and nine others who have seen experience in the house of senate prior to 1913.

Of the 63 members of the last senate 21 were re-elected, 12 were beaten at the election last week, and two were eliminated in the primaries. There were 28 who did not try to come back. Three of these, J. J. Haycraft, Victor L. Johnson and James P. Boyle, tried for congress, but were unsuccessful in the primaries, and Albert Schaller ran unsuccessfully for a judgeship, but 24 men of the last senate were not candidates at all this year, an unusual number of voluntary retirements. This included Frank Clague, C. J. Gunderson, John Moenan and T. E. Cashman.

There was an awful mortality among members of the last house in the primary and the general election this year. Only 20 out of 120 failed to run for some office or other, but many met with disaster. There were 44 re-elected to the house, and 34 lost out in trying to return, nine being eliminated in the primaries and 25 at the general election. There were 20 house members who tried to gain promotion to the senate and only nine succeeded, two losing in the primaries and nine in the election last week. Then there were Henry Kines, who was defeated for state auditor, and Ernest Lundeen, defeated for congress, making 47 house members who were defeated for some office or other this year. There were only 20 voluntary retirements from politics among the 120 who served in the house last year.

EDITORIAL EXPLOSIONS
Observation of the women voters in the local election would dampen one's enthusiasm for woman suffrage. It is apparent that the fair sex are no more discriminating nor refined in their methods than the male element, and give no more heed to fitness.—Waterville Sentinel.

United States Senator Moses E. Clapp has been rattling around in C. K. Davis' political shoes like a pea in a flour barrel for a long time, but when it comes to changing him for Capt. Van Sant as suggested by the Redwood Falls Sun it sure is the limit of political tommyrot.—Madison Press.

For a long time the female portion of a family have performed the domestic and religious duties, the male portion the civic and political rites. But the scene is shifting and a growing suspicion is being entertained that neither sex has a right to a monopoly of either line of performance.—Little Falls Transcript.

A man with a small property which he so manages that it keeps a family clothed and fed and in good moral and physical fettle has an education of far more value, though he may not be able to read or write, than the enslaved artisan with nothing but his weekly wage, but who is mentally accomplished to a degree that he can read the novels from the neighboring library. He dulls his ambition and drugs his monotony and forgets his slavery with the opium of trashy reading. It is as false and foolish to call this education as to apply the word to dogs that jump through hoops and monkeys that ride bicycles.—Stillwater Gazette.

The handle of a new wire carpet beater is raised several inches from the main shaft to save its user's head from contact with a carpet.

MANY ON THE CRUISER EMDEN KILLED.

Tokio, Nov. 12.—Many of the men aboard the German cruiser Emden, which was beached and burned on Cocos Island, in the Indian ocean, after a fight with the Australian cruiser Sydney, were killed or wounded in the battle, according to an announcement made here.

STORM SERVIAN POSITIONS

Austrians Report Further Advance at Some Points.

Vienna, Nov. 12.—An official communication issued by army headquarters regarding the fighting with the Servians says:
"Severe fighting at the foot of a mountain on the line from Shabatz to Lesnitsa continued all day. Some fortified positions were stormed.
"South of Planina our troops further advanced in the district east of Losnitsa, Kroupani and Ljubovka. Some heavy skirmishes took place with the rear guard of the enemy, which was repulsed at all points. Numerous prisoners and some heavy guns were taken."

Jap Torpedo Boat Sunk.
Tokio, Nov. 12.—Official announcement is made that torpedo boat No. 33 of the Japanese navy was sunk by a mine at the mouth of Kiaochow bay while dragging for mines. A majority of the crew was rescued.

BAD BLOOD.

Hatred of the Nations for One Another.

This European war was born of the hatred caused by earlier warfare. It will engender other wars between the same nations in the future. The sons yet unborn will carry this hatred in their blood to blaze into warfare when the spark is touched by Kings or Statesmen who are yet in infancy.

It's bad blood that makes your liver sluggish and the same bad blood causes your stomach muscles to lose their elasticity and become flabby and weak and that means indigestion.

Dr. Pierce's Golden Medical Discovery, purely vegetable and free from alcohol or narcotics, is not a secret remedy for all its ingredients are printed on wrapper.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

It will penetrate into the joints and muscles, and dissolve the poisonous accumulations. It will replace all the bad blood it drives out, with rich, pure blood full of vital force. It will furnish you with the kind of blood that increases energy and ambition, that puts the entire body in such perfect physical condition that brain or muscles know no fatigue.

It will clear the skin; eczema, pimples, rash, blotches will dry up and disappear; boils, carbuncles and other evidences of tainted blood will pass away never to appear again.

Get Dr. Pierce's Golden Medical Discovery at any medicine dealer to-day, in either liquid or tablet form as you prefer. It's the one great blood maker and purifier that all weak or run down people ought to start to use at once. If you want good blood, good health and clear skin, get a supply today.
