TRUTH TRIUMPHS.

Bemidji Citizens Testify for the Public Benefit.

A truthful statement of a Bemidji citizen, given in his own words should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

A Bemidji citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

P. M. Dicaire, grocer, 1101 Irvine Ave., Bemidji, says: "I was afflicted for fifteen years with kidney trouble. I had pain in the small of my back and twinges when stooping or lifting. My back also ached at night. I had dizzy spells and after stooping, my sight became blurred. I used Doan's Kidney Pills and they brought me great relief. I have since recommended Doan's Kidney Pills to many people and will continue to do so.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Dicaire had. Foster-Milburn Co., Props., Buffalo, N. Y.

BIG EATERS GET KIDNEY TROUBLE

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

a rocky one, and it is destined to be still further roughened, if our observations are to be relied upon.

Who is the most charming University girl? This is a question which is attracting much attention among students of the university and is to be settled this week by vote, the purpose being to select six girls whose pictures will appear in the "Vanity Fair" page of the "Gopher," the university annual. In yesterday's Minneapolis Journal pictures of the twenty candidates are shown, one being a most charming likeness of Miss Margaret Marshall, well known in Bemidji and a daughter of Archdeacon H. F. Marshall of Cass Lake. The Journal says: From twenty girls who have been nominated, the students of the University of Minnesota are to select the six "most charming girls" of the university campus. Both men and women are to have a choice in the selection. The six girls are to be chosen in a campus voting con-

test this week. Each subscriber of the "Gopher," the junior annual at the university, will be given a vote and as the Gopher goes to about every student the vote will be representative of the college sentiment. Among the twenty girls who have been nominated are blondes and brunettes, tall and short girls, sorority girls and "barbs." Some of the girls are from the twin cities and some from outside.

A Real Oyster Supper.

The First Scandinavian Lutheran church will give an Oyster Supper on Election day, Feb. 16, from 5 p. m. to 8 p. m., at I. O. O. F. hall. The oysters will be cooked by V. We would like to have all people of the city come and enjoy the supper with us. For the benefit of
