

The Bemidji Daily Pioneer

Entered at the post office at Bemidji, Minn., as second-class matter under Act of Congress of March 3, 1879. Published every afternoon except Sunday.

Subscription Rates: One month by carrier \$4.00, Three months by carrier \$11.00, Six months by carrier \$21.00, One year by carrier \$40.00.

Our Slogan: "Bemidji 25,000 Population in 1925"

The first confidant across the current of incoming bills will be put up in the house Tuesday, March 9, when under the rules of the house no more appropriation bills may be introduced.

Revenue of the state of Minnesota from railway gross earnings taxes for 1914 showed a decrease of nearly three-quarters of a million dollars, compared with 1913, due largely to reduced earnings of the iron ore roads.

The judgeship pension law passed two years ago by the legislature has been attacked by a legislator as being useless and as providing financial aid to men who are "overpaid anyway."

For County's Best Interests. This county should support vigorously and persistently the appropriation asked by the State Advisory Commission on Tuberculosis for the establishment and maintenance of county sanatoria in this state.

We owe it to ourselves in self-defense, and we owe it from the point of view of fair play to other counties trying now to get sanatoria to support this appropriation.

French scientists have found that newly fallen snow is highly radioactive.

EDITORIAL EXPLOSIONS: One indication, it would seem, that the economy and efficiency commission would be a good thing is the fact that heads of state boards are bitterly opposed to it.

Woman suffrage is coming on the wings of justice and the member of the legislature who refuses to give the people a chance to vote upon the question will have some embarrassing explanations to make should he again seek office.

Just when the common people are getting the hang of the latest primary election law, along comes the legislature with amendments, making it necessary to study up some more.

The daily press reports the sale by the state of Minnesota of the maple trees on 300 acres of state-owned land, which was to be cut for cordwood.

President Wilson, when he received the National Council of the Boy Scouts of America and a group of Boy Scouts in the East Room of the White House recently, again showed his deep interest in the Boy Scout movement and his approval of it.

Many Bemidji Citizens Have Profited By It. If you have backache, urinary troubles, days of dizziness, headaches or nervousness, strike at the seat of the trouble.

Doan's Kidney Pills are especially prepared for kidney ailments—are endorsed by over 30,000 people. Your neighbors recommend this remedy—have proved its merit in many tests.

Mrs. W. A. White, 1023 Dewey Ave., Bemidji, says: "One of the family keeps Doan's Kidney Pills in the house and uses them whenever there is the least pain in the back or trouble from the kidneys and they never fail to bring relief."
