The fly is preparing to make an attack on the health of your family, of yourself and of your pocketbook. The house fly breeds, usually, in fresh manure. The more of this waste that is allowed near the house, the more will the dwelling be infested with flies. Not only do flies breed in filth, but they have filthy habits. They are distributors of disease germs of all kinds, including tuberculosis germs. Extreme care should be taken therefore to destroy breeding places and to keep flies out of the house.

All ladies who attend the "pleasing photo-plays" exhibitions at the Rex Theater, from this date until Tuesday, May 11, inclusive, will be given a ticket which will admit them free, to the afternoon matinees at that theater Wednesday and Thursday, May 12 and 13.—Adv.

A novelty in the line of motor boats has been introduced by Arthur

Carlson who appeared on the river last night with an air propelled boat. This is something entirely new in the line of locomotion and the affair consists simply of an engine of two cylinders turning a fan at the rate of 2,200 revolutions a minute. This engine can be attached to any boat or canoe and will run a canoe at the

rate of fifteen miles an hour. Last night a run was made to Ranier and back with the engine in a heavy row boat and a speed of nine miles an hour was made against the wind. The advantage claimed for this type of engine is that it will run wherever the boat will float and there is no danger of the propeller striking rocks or snags, as it stands entirely above the water. It is also used on ice boats.—International Falls Journal.

The management of the Grand Theater has secured an unusually good program for this week. Well known subjects, and better known and very popular players will be seen throughout the week. Watch the daily advertisements in the "Pioneer" and see for yourself. Program changes every night.—Adv.

Mr. Huffman was graduated from the college of law at the University of Minnesota in 1914. He belongs to Delta Kappa Epsilon and Phi Delta Phi fraternities." Accompanying the announcement is an attractive half-tone of Miss Byrnes. Mr. Huffman is the son of Mr. and Mrs. C. A. Huffman of this city and is one of Bemidji's prominent young men. He is engaged in the practice of law, having a large clientele, and is associated with Attorneys A. A. Andrews and John Gibbons under the firm name of Andrews, Gibbons & Huffman. Miss Byrnes has visited at the Huffman home on several occasions. The marriage will take place during the summer.

 Bemidji Citizens Testify for the Public Benefit.
 A truthful statement of a Bemidji citizen, given in his own words should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

My back also ached at night. I had dizzy spells and after stooping, my sight became blurred. I used Doan's Kidney Pills and they brought me great relief. I have since recommended Doan's Kidney Pills to many people and will continue to do so.
