Try "GETS-IT," It's Magic for Corns!

New, Simple, Common-Sense Way. You will never know how really easy it is to get rid of a corn, until you have tried "GETS-IT." Nothing like it has ever been produced. It takes less time to apply it than it does to read this. It

will dampen you, especially if you have tried every thing else for corns. Two drops applied in a few seconds—that's all. The corn shrivels, then comes right off, painlessly, without fussing or trouble. If you have ever made a fat bundle out of your toe with bandages; used thick, compressing cotton-rings; corn-pulling salves; corn-tensing plasters—well, you'll appreciate the difference when you use "GETS-IT." Your corn-agonies will vanish. Cutting and gouging with knives, razors, files and scissors, and the danger of blood-poison are done away with. Try "GETS-IT" tonight for any corn, callus, wart or bunion. Never fails. "GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. Sold in Bemidji and recommended as the world's most corn cure by Barker's Drug Store.
