

CHEERFUL WOMEN

Despondency is a thing of evil origin and evil results. Worry produces nothing but wrinkles and wretchedness.

A woman's nerves are more truly the cause of worry than outside troubles.

Dr. Pierce, during a long period of practice, found that a prescription made with glycerine, entirely of roots and herbs, without the use of alcohol, cured over ninety per cent. of such cases.

Women are earnestly advised to take it for irregular or painful periods, backache, headache, displacement, catarrhal condition, hot flashes, sallow complexion and nervousness.

For girls about to enter womanhood, women about to become mothers, and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand.

Write Dr. Pierce, Buffalo, N. Y., for free 136 page book on woman's diseases. Every woman should have one.

If you are troubled with Indigestion, Constipation, Biliousness, Bilious Headaches, and a hundred and one ills which depend upon an inactive liver, use Dr. Pierce's Pleasant Pellets.—Adv.

How to Prevent Croup.
