Local High School Boys Overwhelm Chief Contenders for Sixth District Title.

### TANNER AND JOHNSON PLAY STAR GAME

Girls' High School Team Defeats Walker Quint by Score of 15 to 6.

The Bemidji high school basket ball team worked like a well oiled machine Saturday evening and trampled over the Little Falls high school quint by a score of 51 to 15.

The game was featured by excellent team work and accurate passing. Tanner and Johnson, forwards of the Bemidji team, treated the 300 people who attended the game with an excellent exhibition of basket ball. Tanner scored ten field baskets and Johnson eight.

#### Brainerd Next.

Little Falls was considered one of the strongest contenders for the Sixth district title and its defeat by the local team Saturday puts Bemidji in direct line for the title and a place at Carleton for the state high school championship. The only other strong opponent in the Sixth district is the Brainerd team which Bemidji will meet next Saturday evening at Brainerd. A large crowd of loyal supporters will go to Brainerd to attend the game. By defeating Brainerd, Bemidji will have secured the title in this district.

#### Tanner Starts Game.

In the game Saturday night Bemidji started the scoring in the first 15 seconds of play when Johnson passed the ball to Tanner who negotiated an easy shot. In less than another minute Tanner dribbled the ball down the entire length of the floor and secured another basket. A minute later he duplicated his second shot.

During the first half the Bemidji men played excellent ball. All passes were accurate and the Little Falls quint appeared to be bewildered by the speed of the local boys.

#### Speed Too Much.

Little Falls opened the game with a burst of speed but was unable to keep pace with the fast work of the local boys.

The first half ended with the score 22 to 5.

During the second half the Little Falls quint broke away for a short time and secured four baskets. After that, however, the game was very much Bemidji's. The entire game was fast and interesting despite the one-sidedness of the score.

The summary of the game is as follows:

#### The Lineups.

Bemidji: Tanner, Johnson, Cameron, Bailey, Graham. Goals—Tanner 10, Johnson 5, Cameron 2, Graham 1, Bailey 4, Dobbyn 3, Belanger 2, Graham 1. Free throws, Johnson 1, Dobbyn 3. Referee, J. W. Diedrich.

#### Royally Entertained.

The local girls were royally entertained by the Walker people before and after the game. After the game they were the guests at a reception. It was one of the most enjoyable and social games ever played by the Bemidji team.

### HIBBING OFFICIALS SAY LID LIFTS

Attempt to Reopen Saloons Will Meet Resistance Declares C. Merritt.

Washington, Feb. 7.—Edwin C. Merritt, assistant commissioner of Indian affairs, declared today that there was no merit in the claim of the saloonkeepers of Hibbing that the Chippewa treaty of 1855 expired by limitation Feb. 14.

"I don't know where they find ground for their contention," said Mr. Merritt. "There is nothing in the treaty limiting its duration in point of years. On the other hand, section 7 specifically provides that certain laws shall apply until congress directs otherwise. That section is as follows:

Nothing in Treaty. Laws which have been or may be enacted by congress regulating trade and intercourse with Indian tribes, are to continue and be in force within and upon the several reservations provided herein, and those portions of said laws which prohibit the introduction, manufacture, use of, and traffic in, ardent spirits, wines, or other liquors, in the Indian country, shall continue and be in force within the entire boundaries of the country herein ceded to the United States, until otherwise provided by congress.

"That section covers not only the liquor traffic within the territory covered by the treaty, but also applies to the entire subject matter of the treaty and makes congress the only power that can change any of the provisions.

Opening Would Be Fought. The supreme court upheld the validity of section 7 in the opinion in the case of Johnson against Jerrold, in which Jerrold, a saloonkeeper at Bemidji, attempted to prevent the Indian bureau from closing the saloons in that city. Any attempt to open the saloons there on Feb. 14 or any other date, in the absence of congressional action, will be resisted by the Indian office.

Mr. Merritt's opinion that there is no time limit on the treaty of 1855 was supported by Senator Knute Nelson and Representative Clarence B. Miller of Duluth, former member of the committee on Indian affairs, in whose district Hibbing is included. Senator Nelson said: "I cannot find any merit in the contention that the treaty will expire Feb. 14."
