

FURTHER ARRESTS TO BE MADE IN GIRL MURDER CASE

Wisconsin Police Extend Investigations; Poison Found in Room of Orpet.

COLLEGE YOUTH TELLS REPORTERS HE'S INNOCENT

Drug Clerk of Madison Admits Selling Drug to Him Several Days Before Murder.

Waukegan, Ill., Feb. 15.—Further arrests are promised in the mysterious murder of Marion Lambert. The discovery of a quantity of poison in the basement of the home of Will H. Orpet, collegian accused of the murder of his former sweetheart, Marion Frances Lambert, and the announcement by Lake county officials that other arrests were possible, were the developments today in the inquiry into the death of Miss Lambert.

Same as Caused Death. The poison was found by State's Attorney Daddy and Chief of Police

McGuire, and according to the state's attorney, it was identical with that which is believed to have ended the life of the Forest Lake high school girl.

Word came from Madison that a drug clerk had admitted selling a bottle of medicine to Orpet Tuesday morning before the young man made his secret trip to Lake Forest to meet the girl in the lonely woods where her body was found.

Don't Want Release.

The parents of the girl disclaimed today any desire to have Orpet released from custody and urged that the law be permitted to take its course.

Orpet remained in the Waukegan jail and it was said that no attempt to obtain his release would be made until after the inquest.

School friends of Miss Lambert were questioned by the state's attorney as to their knowledge as to the relations which had existed between Orpet and the girl.

Denies Guilt.

Orpet today told reporters with whom he worked last summer that he is innocent. He asked if the people thought him guilty. When told yes, he told them to tell the world that he was innocent.

ORCHARD AND GARDEN.

Lettuce for use in hotbeds should be sown now.

The Progressive is one of the best, if not the very best, of the autumn bearing strawberries.

Many varieties of seeds are going to be scarce this year. It will be well to have the seed order in early.

For the home garden choose vegetables of best quality. Quantity is not the important thing.

Most vegetables need rich, well worked soil. Having this and adding thorough cultivation and care any one can have a No. 1 garden.

Tramp the manure in the hotbed until it is solid, then put the glass on and leave it a few hours before putting the soil in. This will make heating sure.

Swiss chard should be included in the seed order. It makes good "greens" and is a rapid grower. It may be sown at the same time as early cabbage and transplanted to frames or field.

Nation-wide Pay-Up Week, Feb. 21-26.

He who forgets to advertise should not complain when the buyer forgets that he is in business. It is just a case of "forget" all around.

MARGUERITE CLARK BEWITCHING

AS "THE PRETTY SISTER OF JOSE"

MARGUERITE CLARK. FAMOUS PLAYERS-PARAMOUNT STAR

The winsome little star of the Famous Players Film Company, Marguerite Clark, who within a phenomenally short time has sprung into international fame as a film favorite, is a revelation in her latest screen appearance in the Famous Players five-part production of Frances Hodgson Burnett's picturesque romance of old Spain, "The Pretty Sister of Jose," which is the chief attraction on the Paramount Program at the Grand theater tonight.

In this superb production Miss Clark triumphs as she has never triumphed on the screen before. This fact is true not only because her role provides her with many emotional opportunities, but because of her display of force and temperament in its portrayal. In addition to the moments of stress throughout the drama which she enacts so effectively we see her early charms, her delightful little girlish mannerisms, those exquisite little bits of comedy which she presents so inimitably, combined with a gentle pathos all developed artistically and with composite charm.
