for them, while in this part of the county the whole county pays for them as for all state and county roads. And we cannot raise near enough money to build the roads that are needed and keep in repair those which have been constructed.

**Can Be Applied.**  
While the accompanying tabulated statement is for the city of Bemidji and School Dist. No. 7 only, the table showing the state and county rates can be applied to all other towns, villages and districts, as they are the same all over the county.

Begging pardon for taking so much of your space, but believing that the information conveyed is desired by the taxpayers of the city and county generally, I remain,  
Respectfully,  
J. L. GEORGE,  
County Auditor.

**BEMIDJI NINE DEFEATS BAGLEY IN SWATFEST**

(Continued from Page 1)

Bemidji scored in every inning but the sixth and seventh. In two frames the entire Bemidji team batted around, being in the second and fourth innings.

The Bagley team made a large number of errors which accounted for many runs.

**Has Fast Team.**

That Bemidji has a fast team this year has been demonstrated by the brand of ball the team has been playing. The team is being well supported by the Bemidji fans. The Bemidji band attended the game yesterday and helped the enthusiasm of the rooters.

**Benton Plays Good.**

Benton, a Grand Rapids player, was at first base yesterday and made a hit with the fans with his fast and clean work. He starred at the bat, securing three hits, two of these being two-baggers, and walked two times, besides fielding his position without a wobble.

The score by innings:  
R. H. E.  
Bemidji . 3 7 3 4 2 0 0 2 x—21 19 4  
Bagley . . 2 0 0 0 0 0 0 0—2 5 12

**NOTES ON THE GAME.**

Diedrich got the first home run of the season at the new park Sunday afternoon. It was a long drive over the left field fence in the fourth inning, sending two men ahead of him. He also secured two singles.

All the Bemidji players hit safely with the exception of E. Bailey, Whaley getting three hits, one being for two bases, Berrigan two, Howe three, one for an extra base, and Kannerberg three.

Frank, the sorrel topped catcher, is a great favorite with the fans. He pegs to bases like a rifle shot and got two "stealing" on him Sunday.

Kannerberg made a good catch in right field, spearing the ball after a hard run.

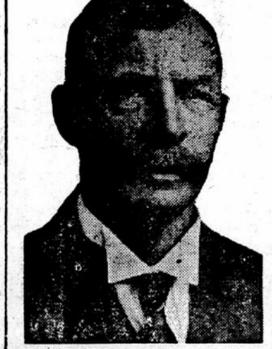

Bemidji has a fast outfield and in Sunday's game the outer gardeners accepted all chances without an error. In baseball language, they are "dead" on fly balls.

The fans are eagerly looking forward to future games when teams will be brought here capable of giving the local aggregation a hard game.
