It is a good insurance against such a risk to send 10 cents for a sample package of "Anurio"—the latest discovery of Dr. Pierce. Also send a sample of your water. This will be examined without charge by expert chemists at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. When you suffer from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion without charge—absolutely free. This "Anurio" of Doctor Pierce's is found to be 87 times more active than lithia, for it dissolves uric acid in the system as hot water does sugar. Simply ask for Dr. Pierce's Anurio Tablets. There can be no imitation. Every package of "Anurio" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Golden Medical Discovery for blood and stomach.

Kidney Disease is suspected by medical men when patients complain of backache or suffer with irregular urination, disturbed, too frequent, scanty or painful passages.
