Official Paper of City of Bemidji \*\*\*\*\* The Daily Pioneer receives \*\*\*\*\* wire service of the United \*\*\*\*\* Press Association. \*\*\*\*\* THIS PAPER REPRESENTS FOR FOREIGN ADVERTISING BY THE \*\*\*\*\* AMERICAN PRESS ASSOCIATION \*\*\*\*\* GENERAL OFFICES \*\*\*\*\* NEW YORK AND CHICAGO \*\*\*\*\* FRANCHISES IN ALL THE PRINCIPAL CITIES \*\*\*\*\* Nymore will never regret being annexed to Bemidji. \*\*\*\*\* Honesty, integrity, perseverance— \*\*\*\*\* these are the real assets in life. \*\*\*\*\* Too many of us live wholly in today and forget that tomorrow will ever exist. \*\*\*\*\* Do not tie to the man who knows it all, for in all probability he knows less than you. \*\*\*\*\* Have you started on that essay for the "Beltrami county saloons vs. Beltrami dairy cows" contest that is being conducted by J. J. Opsahl, the Home-Maker, through the Pioneer? The contest will close September 1. \*\*\*\*\* The Pioneer today publishes an article written by a United Press staff correspondent at Buenos Aires about the prices in South America. \*\*\*\*\* The United Press association recently opened its Buenos Aires office and it is believed that the opening of the service in South America marks a new epoch in the development of social and commercial relations between North and South America. In the past South American newspapers have received most of their foreign news from European sources. \*\*\*\*\* A CHALLENGE TO THE FUTURE \*\*\*\*\* (By Chicago Tribune) Mr. Hughes' criticism of the diplomacy of the Wilson administration is a masterly indictment. We know that the main asset of the Democratic campaign is the unconsciously yet bitterly ironic formula: "He kept us out of the war." To this Mr. Hughes' calm but stinging analysis is a staggering answer. From this review of four years of unhappy inaptitude we realize that we have been kept perpetually on the rim of war, where courageous firmness would have thrust us safely back from the abyss; we realize that after four years of dizzy balancing we are still in the midst of intolerable complications, still threatened and still unprepared. \*\*\*\*\* And we find ourselves, despite the repeated and ever present warnings of events, not only unprepared with-in but with our credit among nations shamefully impaired, our chief defense against affront and injury—the respect of our rivals—laid low. \*\*\*\*\* If this is keeping us out of war, we have paid a heavy price not merely in national self-respect but in actual security, and it is a time for the American people to ask themselves whether with any consideration of their own safety or of the well being of their children, such a policy, such pilotage, can be longer accepted—the policy of a fallacious peace which perpetuates danger and a rudderless pilotage. \*\*\*\*\* Mr. Hughes' survey of the immediate post challenges our future. We have muddled along, but our gratitude for such immunity as we have enjoyed should be directed to Providence. The question now is how dare we go on into a future full of the gravest possibilities under such guidance as we have had for four years? \*\*\*\*\* INVENTOR OF THE MONITOR TO HAVE \$100,000 MEMORIAL \*\*\*\*\* (By United Press) Washington, Aug. 22.—Fifty years after his epochal "cheese-box on a raft" rescued the Union navy from utter destruction, John Ericsson, inventor of the historic Monitor of Civil war days, is to have a memorial erected to him here, it seems certain today. \*\*\*\*\* A bill for a \$100,000 memorial has passed congress and with strong backing is awaiting action by the president. Swedish-American societies are urging the bill and expect its passage at this session. It developed in the house library committee's hearing that the United States owes Ericsson, or his heirs, an acknowledged debt, the interest on which, if compounded at four per cent, would exceed the sum about to be appropriated for his memorial. Efforts to collect this money have been discontinued as useless, however. \*\*\*\*\* BASEBALL YESTERDAY \*\*\*\*\* \*\*\*\*\* National League. \*\*\*\*\* First game: R. H. E. MRS. JOHN LARSON GIVES DETAILS OF NEW RECORD MADE Says Tanlac Brought Husband More Relief in a Month Than Other Remedies in a Year. GLADLY RECOMMENDS THE MASTER MEDICINE Minneapolis, Minn., August 22.—"Tanlac did more for my husband in a month than all other remedies did in six years," Mrs. John Larson, a well known Minneapolis woman of 3101 Sixteenth avenue said on June 12. "Mr. Larson suffered from stomach trouble in the form of indigestion," she continued. "Nervousness also bothered him and his system was in a general run down condition. It had been this way for more than six years. He could eat but very little and was annoyed by gas formations. He couldn't rest well at night and had become very weak. "My husband feels like himself again after he has taken two bottles of Tanlac. His appetite is good and the indigestion no longer bothers him. The nervousness has been completely banished and he's gaining strength rapidly. Because of Mr. Larson's relief I want to recommend Tanlac." Tanlac, the Master Medicine, is especially beneficial for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness, loss of appetite and the like and has proven a fine reconstructive tonic. Tanlac is now being specially introduced and explained in Bemidji at the Barker Drug company.—Adv.

A CHAMPIONSHIP CONTENDER. ONE OF THE PROMINENT contenders for the independent baseball championship of Minnesota is the Sandstone team. It has played consistent baseball the entire season, and has an extraordinarily high percentage. A big special automobile tour to the State Fair to boost for the ball team is planned by the people of Pine county, and the Sandstone baseball team will not be handicapped by poor roster support, if such a thing is of any assistance in winning a championship. Several other baseball teams are planning to come by automobile. The committee in charge of the tournament is now making out the schedule for the games at the fair. Morning and afternoon games will be necessary during the entire week. A big diamond has been made before the Grandstand, and it is expected that 10,000 persons will be present to witness some of the leading games. Big Bill Brennan, umpire in the National League for eight years, and umpire-in-chief of the Federal League, will umpire all the games.

THE GOOD JUDGE HEARS STATEMENTS OF FACT BETWEEN STRANGERS. I THINK W-B CUT IS THE BEST TOBACCO IN THE WORLD, BUT SOME FELLOWS THINK IT'S TOO STRONG. THAT'S BECAUSE THEY TAKE A BIG CHEW, AS THEY DID OF ORDINARY TOBACCO. W-B IS QUALITY TOBACCO. THEY'RE BOTH RIGHT ANY MAN CAN PROVE IT WITH A SMALL CHEW.

YOU'LL find some things out about real tobacco when you get to using W-B CUT Chewing. A little bit hides away in your cheek unnoticed and gives two-for-one more satisfaction than a wad of ordinary stuff. Men get to calling it the gentleman's chew because it don't disfigure the face and cuts down grinding and spitting. A 10c pouch lasts twice as long as a dime's worth of ordinary chewing. Give W-B CUT the quality test. Made by WEYMAN-BRUTON COMPANY, 50 Union Square, New York City
