A glance at the want column may help you sell it.

To Men and Young Men---

Fall Clothes Are

Ready

Copyright Hart Schaffner & Marx

This store contains at this moment one of the largest and best stocks of

HART SCHAFFNER & MARX

Clothes ever offered in Bemidji

When we say "LARGE" stocks, we mean your advantage in selecting; when we say "BEST" stocks, we mean best for you.

In other words, we've selected these goods for their quality—value to you; they're brought together with the idea that they're going to wear; not simply that they're going to be sold. The way they wear; the service and satisfaction they give.—That's our best profit.

The shirts show new and different colorings; splendid values at \$1.25 and up.

Hats—for early Fall the new soft shapes are the thing; browns, grays, Blues and blacks\$3.00

Plenty of striking neckwear in every conceivable shade 50c and up.

Now come in and see the clothes themselves. The prices are low; values, high.

Bemidji,

Schneider Bros. Co.

Minnesota

14 BUSHEL WHEAT TO ACRE IN CANADA

(By United Press) Moose Jak, Sask., Sept. 15.—With ninety per cent of wheat harvested, grain men today estimated 14 bushels to the acre as the average provincial yield. The southern end of the province was hardest hit by rust. Oats will yield 40 bushels to the acre, on an average of 75 per cent harvested.

PROHIBITION IS BIG ISSUE IN MINNESOTA

(By United Press) Fairmont, Minn., Sept. 15.—"Prohibition will be the overshadowing issue—the all consuming issue—in Minnesota as long as there is a saloon in the state," Frank A. Day told the United Press today. Day knows politics. Leader of the Democratic insurgency party in Minnesota for many years, he has more recently thrown his influence to the prohibition and county option issues. Day is given credit through the state with having perhaps done more work outside the 1916 legislature, than any other one man, for the passage of the county option law. Day is editor of the Martin County Sentinel and the Fairmont Sentinel.

178 FIRES IS MONTH'S TOLL IN MINNESOTA

(By United Press) St. Paul, Minn., Sept. 15.—There were 178 fires in Minnesota last month, entailing a loss of \$218,789 on buildings and contents valued at \$2,141,079, and insured for \$1,789,820, State Fire Marshal Hagardine reported today.

This is good, but it isn't ours: "International law is an old fiddle upon which any tune can be played."

CASH FOR RAGS

I have a contract for another car load of rags. If you have any on hand bring or ship them to me while the prices are high. I pay \$1.00 to \$1.75 per hundred pounds for rags. For any kind of mixed iron \$4.00 to \$6.00 per ton. For auto tires 3c to 4c per pound. I also pay the highest market price for rubbers, copper, brass and hides. If you have any of the above, you and I ought to get acquainted. **Jacob Goldberg** 112 Third St. Bemidji, Minn. Phone 638-W

I like to trip a young solicitor in the middle of his spiel to see if he's learned it by heart. "Canned" soliciting never landed any business.

MR HUGHES ANSWERS. Those Who Clamored for His Views Are Hearing Them.

Those friends of Democracy who clamored so loudly for Mr. Hughes' opinions upon current issues while he still held the high office of justice of the supreme court, are now fully answered by the private citizen, who, surrendered his judicial position to accede to the wishes of a majority of the people as expressed through their instructions to their delegates to the Republican national convention. Mr. Hughes has not disappointed those who have reposed confidence in his character and judgment. In his speech of acceptance he has clearly set forth the vital issues upon which the Republican party proposes to conduct the campaign this fall. On the platform he is telling the nation wherein the present administration has been at fault and what is necessary to be done to restore the United States to the place of respect and honor to which it is entitled in the eyes of the world.
