BULLETIN
Newport, Oct. 9.—Wild rumors that three allied warships have been torpedoed has not been confirmed.

(By United Press)
Boston, Oct. 9.—The German submarine U-53 that visited Newport Saturday and departed three hours later, ravaged shipping off the eastern coast of the United States Sunday.

It sank four British and two neutral ships.

It stopped the African steamer Kandas enroute from New York to Genoa with steel for Italy. It sank the steamer Stephano (British), Strathdene (British), West Point (British), Kingstone (British), Bloomersdijk (Dutch) and the Christian Knutson (Norwegian). It is reported that a seventh ship has been sunk. It has not been identified.

U-53 Did Work.
Three British cruisers rushed and took position off Nantucket Island this morning and are constantly changing messages. It is not known definitely but it is believed that U-53 did the work.

Allied vessels carrying munitions hurried for the three-mile limit but Stephano of the Red Cross line failed to get there. This is perhaps the biggest haul of the day. Russia had bought the ship for an icebreaker.

Warns United States.
It is reported that Commander Rose of the German submarine, who visited Rear Admiral Knight of the United States navy, Saturday, really went to warn Knight that he would start submarine and to safeguard against loss of life.

Upon the very first calls from the stricken vessels, 17 U. S. warriors rushed out.

An unconfirmed report says that the Germans have a base on the Canadian coast.

Baby Doll Lost.
Newport, R. I., Oct. 9.—Only a baby doll was lost when the Stephano was torpedoed. There were 83 passengers on the boat, nearly all of whom were Americans.

Two hundred and sixteen refugees, many of them women and children, have arrived here, rescued from sinking vessels.

The crew of the steamer Kingston is still missing. It is believed that they have been lost. Rescue ships are arriving with the first tales of torpedoings.

Officers of the destroyer Ericson arrived here this morning and stated that nine steamers were sunk off the United States coast. It is said two submarines were operating.

Boston, Oct. 9.—Officials of the Hawaiian steamed Kansas arriving here stated that a German submarine other than the U-53 halted the Kansas. He viewed the photograph of U-53 before making the statement.

Boston, Oct. 9.—Grave fears are felt for the steamer Great City that sailed from Boston with a cargo of munitions yesterday for the French government.

Washington, Oct. 9.—Admiral Knight, commanding U. S. destroyers, reports that he has been unable to locate any of the crew of the Kingston.

Ashbury Park, Oct. 9.—German submarines operating off Nantucket have complied with all rules of international law, Secretary Daniels informed President Wilson this morning.

London, Oct. 9.—This morning's Chronicle says that it hopes that the United States will change its policy against submarines for if submarines are permitted to operate off the United States, England must of course take counter measures.

Washington, Oct. 9.—It is considered certain that a maize of diplomatic intercourse will result from the submarine's arrival. The allies will protest against her arrival while the Germans will protest against the exchanging of messages and wireless warnings of their presence. The

BEMIDJI ELEVEN DEFEATS AKELEY IN HARD FOUGHT GAME, SCORE 36-0

Local Team Works in Machine-like Form; Hard to Pick an Individual Star.

BAILEY GETS DROPKICK FROM THE 22-YARD LINE

Tackling is More Sure and Deadly Than in Two Previous Games; Small Crowd.

By Dr. J. W. Diedrich.
(Former University of Minnesota Quarterback)
The Bemidji high school football eleven defeated Akeley high at the athletic grounds Saturday afternoon in a bitterly fought game by a score of 36 to 0.

The rain of the forenoon and early afternoon kept many enthusiasts away from the game, but the small number that did attend were treated to some real football.

Last year Akeley defeated Bemidji 10 to 0 and the visitors were determined to make it two straight.

The Bemidji eleven worked in more machine-like form than in the previous two games and got their plays off faster. The tackling, too, was more sure and deadly. It is hard to pick any one individual star in Saturday's game for every one of the locals gave a good account of himself both on the offense and defense.

Lineups:
Bemidji: Pihbs, L. E., C. Sliter, Madson, L. T., W. Sliter, Gainey, R. G., Wagner, Opsahl, C., Ingelbreton, H. Lord, R. G., Braford, Grey, R. T., Lithio, E. Lord, R. E., Walker, White, Q., Foley (Capt.), Plummer, L. H., Johnson, Bailey (Capt.), R. H., Wock, Warfield, F., LaVanwy
Substitutions: Bemidji, Achenbach for Pihbs, Tennstrum for E. Lord, Kittleson for White.
Officials—Riley, referee; F. Graham, umpire; Cameron, head linesman.

Bemidji First on Field.
Bemidji ran on the field at 2:45 P. M. and took a short workout after passing the ball. H. Lord got off some nice long spirals in a short punting drill. Akeley came upon the field a few minutes later and took a short practice. Captain Bailey won the toss and chose to defend the west goal.

First Quarter.
Wock kicked to Gainey on the 45-yard line who returned to the center of the field. Plummer made five yards off right tackle. Bailey made it first down on Akeley's 39-yard line. A forward pass, Bailey to E. Lord failed, the latter dropping the ball after a 15-yard throw. Warfield hit center for six yards. A forward pass went incomplete when Pihbs dropped the ball after a twenty-yard heave over Johnson's head. Plummer slid off right tackle for seven yards and a first down, putting the ball on Akeley's 26-yard line. Bailey ripped off five yards around left end, and Warfield hit tackle for three. A forward pass went incomplete. Warfield bucked right tackle for three yards and first down. Ball now on Akeley's 15-yard line. Two line plays failed. Bailey made four yards around left end. Plummer slid off right tackle for three and it was Akeley's ball on their own eight-yard line. Pihbs spilled Johnson for a one-yard loss. Foley added three around left end. Wock hit center for five yards. With the fourth down and three to go Grey tackled Foley for a two-yard gain and it was Bemidji's ball on Akeley's 18-yard line. Bailey slid off left tackle for four yards.

Plummer Gets Touchdown.
Warfield hit center for two and Plummer skirted around right end for 12 yards and the first touchdown. Bailey kicked goal. Score: Bemidji 7; Akeley 0.

Bailey kicked off to Wock on the ten-yard line, who carried the pigskin to Akeley's 20-yard line. LaVanwy added three through right guard. Grey threw Foley for no gain. A forward pass failed. Wock punted 30 yards to Plummer who returned 12 yards to Akeley's 41-yard line. Warfield plowed through left tackle for seven yards. SENATORS COMPLETE ADJOURNED SESSION; ARE FINED AT THE KANGAROO COURT

Seventy Members of Senator McGarry's Party are Guests of Bemidji.

GET ACQUAINTED WITH LOG-ROLLING METHODS

Refuse to Eat Pork Because of Pork Barrel Connections; to Itasca State Park.

Seventy members, including senators and representatives of the "adjourned session" were the guests of Bemidji Saturday and Sunday.

The party left St. Paul Wednesday and its members were guests of Senator P. H. McGarry at his home at "Glengarry" for two days. They then went to Cass Lake where they were entertained and arrived in Bemidji Saturday afternoon.

Their special train was switched to the Minneapolis, Red Lake & Manitoba line and the party was taken to Neeley's Siding where they were shown steam skidders in operation at the Crookston Lumber company camp.

Served Dinner.
The senators showed especial interest in "log-rolling methods." They were also served a "lumberjack's dinner a la Lakin." Chief Cook Edward Cook of the camp and his force of waiters rendered excellent service. The menu included roast pork, brown gravy, apple sauce, dressing, pork and beans, macaroni and cheese, cold slaw, cold ham (some ate it for bear), beet pickles, dill pickles, bread, buns, doughnuts, cookies, raisin pie, light and brown cake, tea and coffee.

The senators ate heartily of the beans but turned against the pork. Pressed for reasons, several of the senators explained that they did not want their constituents accusing them of partaking of the pork barrel. After the dinner talks were given. Senator Orr of St. Paul acted as toastmaster. Talks were given by B. W. Lakin of the Crookston Lumber company and A. A. D. Rahn.

Praises District.
Senator George H. Sullivan of Stillwater in a talk, said in part: "We have been wined and dined and banqueted almost to death. We thought we had eaten everything there was to be eaten, but it remained for a lumber camp cook to show us what the real working man's dinner was like. We have seen how the big trees are taken down and what steps are necessary to make this a farming country. The soil is here and indications are that this will be one of the greatest producing sections in the world."

On returning to Bemidji the senators were arrested by Elks' carnival kangaroo court officials and taken before Judge Westlake of Minneapolis who acted as judge. Special charges were brought against the various senators and each paid a fine.

Sunday the party was taken in automobiles to the state park where they were given a dinner at Douglas lodge. Short talks were made by the guests.

The party returned to Bemidji shortly after three o'clock where they boarded the special train for the Twin Cities, completing the "adjourned session." The senators expressed themselves of being much pleased with their recreation in Bemidji, Cass Lake and Walker.

Comments on Trip.
The St. Paul Pioneer Press today said in regard to the trip to Bemidji: "Although Bemidji residents disregarded senatorial courtesies to such an extent that several prominent Minnesota legislators were fined in a 'kangaroo court,' members on a special train returned to St. Paul last night after a five-day junket through Northern Minnesota, declared that they had the time of their lives. The party, which included about 30 legislators, were entertained at Brainerd, Cass Lake, Bemidji and Walker. Two days' stop was made at Glengarry. Features of the trip were a visit to a logging camp near Bemidji and a tour of Itasca State park where a dinner was served yesterday by the citizens of Bemidji. Representative Robert Carmichael of Farmington, known as 'Long Bob,' was among those tried in the kangaroo court. He was charged with looking into chimneys."

FIRE PREVENTION DAY IN MINNESOTA

(By United Press)
St. Paul, Minn., Oct. 9.—Today is the 44th anniversary of the great Chicago fire. It is also fire prevention day in Minnesota.

Governor Burnquist's proclamation asked the people of Minnesota to clean up their premises, to remove fire dangers, to hold public meetings and discuss various ways of preventing fires, also to have fire drills in factories and other public institutions today.
