HINES RESIDENTS ENDORSE CANDIDACY OF CHARLES CARTER AT BIG FARM MEET

Hines Farmers' Club Passes Resolution Favoring Fellow Townsman.

APPLAUDED FOR STAND TAKEN AGAINST BONDS

Hines to Have a Creamery; Reported That Bank Will Be Organized Also.

(By Staff Correspondent) Hines, Minn., Oct. 16.—Home folks gave their townsman, "Dynamite Charley" Carter, candidate for legislature from this district, a big sendoff Saturday night at a meeting of the Hines Farmers' club.

They unanimously passed a resolution endorsing his candidacy and all pledged their support to their fellow townsman.

For Woman's Suffrage. Mr. Carter delivered an address outlining his candidacy and his neighbors vigorously applauded his condemning of too many ditches and bonds, the inflating of valuations, etc. He renewed his promises made in his keynote address at Fenstrike and expressed himself in favor of "woman's suffrage."

"I am in favor of woman's suffrage because I believe that women can use the vote for the protection of and sanctity of the home," he said.

Mr. Carter got his name, "Dynamite Charley," several years ago when he advocated the state selling dynamite to homesteaders to clear lands. The old name was revived when he announced his platform as "Stop ditching and blow more stumps."

School is Crowded. The farmers' meeting Saturday night brought many farmers and their families to the school house. The school room was crowded and all took much interest in the meeting.

A. B. Page, president of the club, presided at the meeting. Initial steps were taken for the construction of a creamery. Two hundred dollars and a site have already been pledged and it is believed that the new creamery will be constructed in a short time.

Hines is a good location for a creamery, there being 50 more or less farmers living in the near neighborhood of the settlement. It is a prosperous little settlement. Besides being on the Minnesota & International railway, it is located at the "cross-roads" of six good roads from that many different points. Hines is one of the only settlements in this district that has never had a saloon and the class of people found near her are steady and progressive. Hines is growing and it is reported that plans are being made for the organization of a bank.

New Buildings. New buildings are also being constructed. V. M. Owens has constructed a 32x50, full basement, two-story building which will be completed next week. The first floor will be used for the store and the second floor will be for living rooms. Other new buildings have also been planned for Hines.

Charles S. Carter, candidate for legislature, has a large store and a beautiful home. At the meeting Saturday night telephone improvements, road improvements, taxes and other matters of general interest were discussed.

I. W. Langard of Blackduck in an address spoke on national issues and endorsed the candidacy of Carter for the legislature.

S. W. Ellis, county commissioner of the fifth district, against the present commissioner, J. C. Thompson of Blackduck, stated that he was for rigid economy in county affairs and was opposed to the digging of ditches in the big muskogs.

An excellent program of music was given. Lunch was served.

HUGHES ENTHUSIASM IN COUNTY GROWING

Prominent Democrat Says Hughes is Gaining Votes in State of Minnesota.

County Attorney Graham M. Torrance, chairman of the Republican county committee, has called a meeting of the committee at the Bemidji Commercial club rooms tomorrow evening at 7:30 o'clock. All members of the committee are expected to be present.

Work of conducting the campaign in Beltrami county will be discussed and plans will be outlined for the raising of necessary funds.

Hughes enthusiasm in Beltrami county is growing and it is believed that he will carry Beltrami county. The county will undoubtedly give a big vote to Governor Burnquist for re-election and Harold Knutson for congress.

Much Interest Shown.

"Reports from various parts of the county point toward a certain Burnquist election as well as that of Harold Knutson for congress and Hughes for president," said E. H. Denu, secretary of the committee. "Men who have never before taken an interest in politics are now showing a decided interest. If Hughes enthusiasm did have a let-up, it has been overcome by the new spirit entering the game and Democrats who early predicted a Wilson victory now admit that the country may go for Hughes."

Gaining Votes.

Bemidji Democrats are conceding the fact that Hughes is gaining votes every day. "If election were held a month ago, I believe Wilson would have carried Minnesota, but the new style of electioneering now conducted by Hughes may recover votes for him," said a leading Bemidji Democrat this morning.
