## STRIKERS COMING FROM GEMMELL

(Continued from Page One)

stamped the rumor as untrue.

**No Booze Allowed.**

Secretary Madison stated emphatically that the drinking of liquor among the men members of the I. W. W. who were out was strictly prohibited and would not be tolerated for a moment. He further stated that any member who violated this instruction would forfeit any rights or benefits of the organization and not be allowed to participate in any manner.

**Strike Becomes National.**

According to Secretary Madison, the strike has reached above the heads of the local branch and over every intervening head between the local branch and the general headquarters in Chicago, and that the strike was now under the direction of the national headquarters officials. He also stated that if necessary 20,000 members of the organization could be mobilized in at the scene of the trouble. He also volunteered the information that about 20 members of the I. W. W. came in last evening on a passenger train,

most of them leaving for Minneapolis, the reason for leaving being their refusal to work under an armed guard.

**Organizer is Arrested.**

A. W. Thorne, organizer for the I. W. W., left Bemidji yesterday for Gemmell and when on the train and nearing Gemmell was arrested by the sheriff from International Falls and taken to International Falls.

**PARTY FOR GUEST.**

Miss Mabel Croon entertained a number of friends at a New Year's party in honor of Miss Esther Peterson of Northome. The afternoon was spent in playing games. The guests were Vera Cutter, Borghild Johnson, Mildred Olson, Agnes Skinvick, Lillian Marin and Gladys Tharaldson. Miss Peterson returned to her home this morning.

## LOCAL SITUATION

(Continued from Page One)

**Chief Ripple on Job.**

Chief of Police Ripple has thoroughly looked after Bemidji and has a large force at his command, ready for any trouble that might arise from outside sources. He had the city thoroughly policed last evening and night and met the incoming train bearing the striking delegation from Gemmell with a heavily armed squad. The business district was also heavily guarded and he is keeping closely in touch with the situation.

**Lumber Company Awake.**

B. W. Lakin, logging superintendent of the Crookston Lumber company, when asked to what the company had done, if anything, in case of spread of the trouble for any reason whatsoever, replied that his com-

pany, while not anticipating any trouble from the I. W. W., has made extensive preparations to safeguard their interests. The Crookston people have deputized many of its officials and employees and many specials have been engaged as guards. All are armed and ready for any emergency and tab is kept on the situation so far as it concerns this company and its conduct of business.

**SERVE FOR GUESTS.**

Mr. and Mrs. Henry Revor, 706 Fourteenth street, entertained a number of friends Monday in honor of Mr. Guibard and son, Wilmar Guibard, of Hubbard, Mich. The hours were spent in music and conversation after which refreshments were served.

Ruddy Cheeks—Sparkling Eyes  
—Most Women Can Have

Says Dr. Edwards, a Well-Known  
Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets, you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.
