## SENIOR CLASS PLAY IS HEARTILY RECEIVED AT GRAND

The Senior Class of the Bemidji high school did itself proud last evening in the excellent manner in which it staged the farce, "What Happened to Jones."

The performance was a success in every sense of the word. Each member of the cast carried his part well. The successful manner in which the entire affair was "put across" reflected very creditably on the director, Miss Lola Bradkor.

The house was packed with a very appreciative audience which gave its heartiest support to the actors by generous applause.

Between the second and third acts while the Orpheus orchestra played the "Star Spangled Banner," the entire audience rose and sang the first two stanzas.

## TO FORM RED CROSS

Every woman and girl interested in Red Cross work should be present at the patriotic meeting in the Commercial club rooms next Thursday night. It is not generally known, probably, by people who are anxious to take up the nursing course, that in order to receive a certificate of recognition from the Red Cross association, it is necessary to be a member of the Red Cross chapter. As a preliminary to taking up any of these courses a Red Cross chapter would first have to be formed.

## MRS. CLAVIN HOSTESS

Mrs. A. Clavin of Fifth street entertained the members of the Linger Longer club yesterday afternoon. The guests included Mesdames C. J. Winter, Andy Larson, Herb Rasmussen, A. E. Webster, Mable Young, August Benson, McCoy and S. A. Cutter. The afternoon was spent in needlework and conversation. Dinner was served at six.

## Personals and Newsy Notes

## JOIN THE BEMIDJI PATRIOTIC LEAGUE

### Membership Campaign.

On Monday, Mrs. William Chichester and her corps of twenty-five young ladies will beseege all residents of Bemidji, young and old, armed with membership cards and the new Patriotic League buttons. They will storm the city and take from you that fifty cents you have been intending to contribute to the league.

By the end of the week the league hopes to have its 1,000 members enrolled in this relief work. Will you be among them?

No one is barred by age or sex, and 50 cents is not necessarily the limit that the league will accept from each member, although it is all that it asks.

The most that has been contributed by one member is \$5 from Conrad LaJambe. The youngest member of the league is Master Robert LaBaw, aged two years.

Yesterday's total membership—150.

Today's total membership—166. "WE HAVE DONE OURS. YOU DO YOURS."

## Killed by Poisons

All scientists agree that poisonous products in the blood are eliminated by the kidneys. The kidneys act as a kind of filter for these products. When the kidneys are changed or degenerated, by disease or old age, then these poisons are retained in the body. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Invalids' Hotel, Buffalo, N. Y., says that you should drink plenty of water daily between meals and with your meals to flush the kidneys. Then procure at your nearest drug store Anuric. This Anuric drives the uric acid out.

If we wish to keep our kidneys in the best condition a diet of milk and vegetables, with only little meat once a day, is the most suitable. Drink plenty of pure water, take Anuric three times a day for a month. Anuric is many times more potent than lithia and dissolves uric acid as hot water does sugar.

## HOT FLASHES AND PAIN.

Little Falls, Minn.—"Some years ago I

was all run-down and weak. I also had gastric stomach trouble. Dr. Pierce's Favorite Prescription and Golden Medical Discovery cured me and built me up in the best of health. About three years ago I became run-down again. I would have hot flashes and severe pains in my back and side; this was due to my age. It was only necessary for me to use just a few bottles of the 'Prescription' at this time to bring me through this period in splendid shape. There is no better medicine for women. I am glad to recommend it."—Mrs. C. FRIEND, 61 3rd Street N. E.

"Granny" Chamberlain

"No one who has not had Influenza can realize the suffering it causes or how it defies treatment. I know of nothing that will give such prompt relief as Chamberlain's Cough Remedy, for when it is taken the pain in the chest disappears, the fever subsides and the whole body becomes more comfortable.

Then again, the after effects of Influenza are often even more distressing than the disease itself, but they can be avoided if you use

## Chamberlain's Cough Remedy

Though the greatest danger from this disease is Pneumonia, I have never known a single case of Influenza to result in it when Chamberlain's Cough Remedy was freely given. The persistent cough that frequently follows Influenza can be relieved by Chamberlain's Cough Remedy, and should not be allowed to run on until it becomes troublesome."
