GROOMS IN DOUBLE WEDDING

Thief River Falls, May 19.—A double honeymoon trip, on which the honeymooners will be accompanied by five relatives and friends has begun. The "happy couples" gave Judge N. W. Tarrant an opportunity to perform his first double wedding ceremony.

The bridegrooms are brothers, Alfred and Ernest Swanson. Alfred married Miss Mabel Smith and Ernest's blushing bride was Bessie Tagland. Both men are from Beltrami county, the first girl from Marshall and the second from Pennington.

The four honeymooners and five friends are on their way to Petersburg, Alaska, where all will enter the fishing and lumbering business.

## Uric Acid!

Ever since the discovery of Scheele in 1775 that uric acid was found within the body—most eminent physicians agree that rheumatism is caused by it; also many distressing symptoms as headache, pain in back, stomach distress, swollen feet and ankles, gout, etc.

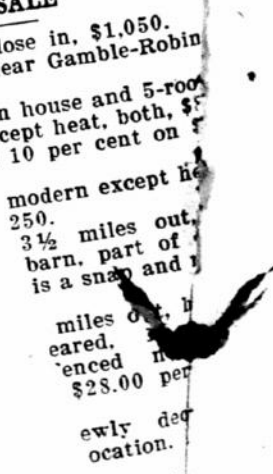

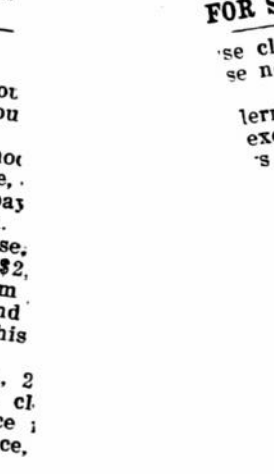

It was Dr. Pierce of the Invalids' Hotel, Buffalo, N.Y., who discovered a new agent—that if taken before meals will carry off the uric acid from the system and in this way the pains and aches, the creaky joints and all the distressing symptoms of rheumatism and other maladies disappear. You can easily prove this yourself, by obtaining Anuric at almost any drug store, or send Dr. Pierce 10c. for trial package. Try it and be convinced that Anuric is many times more active than lithia and eliminates uric acid as hot water melts sugar.

PERFECT HEALTH IS EVERY  
WOMAN'S BIRTHRIGHT.

Faribault, Minn.—"About fifteen years ago I caught a severe cold. Acute inflammation followed and through this I became all run-down. I was very miserable. A friend of mine had one of Dr. Pierce's Common Sense Medical Advisers. I consulted this and read in it of 'Favorite Prescription.' I got a bottle at once and two bottles completely cured me and built me up in splendid health, and since that time whenever I feel in need of this medicine and it has never failed to give me relief. It is a splendid remedy for women's ailments. I heartily endorse its use."—Miss EDITH PLANTER, 14th Street and 2nd Ave.
