Greatest Money-saving Opportunity of the Season. Come Early and See for Yourself. We Guarantee the Same Satisfaction as in the Past. TERMS: CASH ONLY. BEN'S CLOTHING STORE, 208 Minn. Ave., Bemidji.

Birchmont Beach Hotel, which opened for business today. The formal opening of this resort will be held June 28.

Cottonwood Falls, Kan.—Robert Younggreen, a merchant in the little town of Thurman, a trading point in the southeastern part of this county, twenty miles from the nearest railroad point, has a habit of recalling pioneer days.

If money is not forthcoming for merchandise secured at the store Younggreen is not backward in accepting substitutes. Coyote scalps, gopher scalps, crow eggs and crow heads are his favorites. A coyote's scalp is accepted as \$1, a gopher at 5 cents and crow heads a cent apiece. The county bounty on these pelts and the long distance from the county seat explain the unusual "money" accepted. When Younggreen has a good supply on hand he mails or brings them to the office of the county clerk and is paid the legal bounty, the same value as he has already paid out to his friends.

Gardens for the Poor.
The eleven indorsed charity institutions of Omaha, Neb., have taken a very practical step looking toward the relieving of conditions among the poor and the reducing of the high living cost. This step is the establishment of municipal vegetable gardens to be prepared and put to work this summer. Every available vacant lot in the city limits is to be put under cultivation, and whatever profits are realized from the crops will be used for the city's poor, according to the plan of the charity workers.
