VOLUME XV. NO. 207.

BEMIDJI, MINNESOTA, THURSDAY EVENING, SEPTEMBER 6, 1917.

MINNESOTA HISTORICAL SOCIETY FORTY FIVE CENTS PER MONTH

WORLD TO KNOW OF BEMIDJI AND THE GREAT J. H.; BOOSTERS NAMED

President Harnwell of Commercial Club Selects Committee to Prepare Publicity.

BEMIDJI'S STORY WILL BE TOLD IN "J. H. DECLARATION"

Page of Advertising and Page of Reading Matter Spread Broad-cast Every Month.

That Bemidji is to receive its share of publicity in the Jefferson Highway Declaration, the official organ of the Jefferson Highway association, is evidenced by a letter received from Manager J. D. Clarkson addressed to County Auditor J. L. George. In his letter Mr. Clarkson says:

"I want to thank you for the news clipping of August 24. The one in reference to construction work on the Jefferson Highway will be used in the October issue of the Declaration. The other two in reference to Birchmont and the golf tournament are also interesting and will be filed away for future reference and use after the publicity plan is put into use. In my judgment, each one of these would form the basis of a community story in the publicity plan."

The World Will Know. In connection with the publicity plan, Bemidji has taken a full page of display advertising in the Declaration each month for three years and will also receive gratis a page of news matter, all of which is to be sent from this city. A committee to look after this work has been appointed by G. W. Harnwell, president of the Commercial club, as follows: W. Z. Robinson, J. L. George, A. P. White, Frank T. Beaver and Frank J. Koors.

"PLAN TO ORGANIZE NEW LABOR PARTY IS NOT ABANDONED," SPARGO

(By United Press) Minneapolis, Sept. 6.—Despite the silence of Gompers, Spargo and others regarding the organization of a new Socialist party, it is known that ex-Socialists, Prohibitionists and Progressives, negotiating from coalition party, believe an organization will soon be effected. Spargo believes that plans to organize a new Labor party at the conference is abandoned because of the opposition of Gompers, says Socialist activity apart from the labor meeting.

RUSSIAN CIVILIANS TAKEN BY GERMANS

(By United Press) Petrograd, Sept. 6.—Thousands of Russian civilians, waiting too long before obeying orders to flee, were captured by the Germans who were invading Riga. Refugees who were among the last to leave carried this story here.

GERMANY TO TELL POPE DURABLE PEACE WANTED

(By United Press) Berlin, Sept. 6.—Germany will tell Pope Benedict that the German people want no gain from the war, but only a durable peace, guaranteed by international treaties, according to an authoritative forecast published in "Vorwaerts." The organ also added Germany would hold, if her enemies refuse this sort of peace, that the fall of Riga is not to be the last success of German arms.

FRANCE SAYS GERMANY MUST DROP MILITARY AMBITIONS FOR PEACE

(By United Press) Fere Champenoise, France, Sept. 6.—France insists that Alsace-Lorraine is not the subject for diplomatic discussion, declared Premier Ribot when speaking at a celebration on the battlefield of Marne. "France's only claims are in character reparation," he said. Ribot made clear that unless Germany separates her military ambitions she must deal with a league of democratic nations, banded together to fight economically as well as by force of arms.

ESTABLISHES VISITING HOURS

F. B. Lamson, secretary of the Commercial club, this morning announced that he has completed plans whereby he will be in his office in the club rooms from 2 to 4 o'clock daily, except Sundays, for the special purpose of meeting visitors and strangers in the city. Those who have guests should bring them up to the club rooms during those hours and they will be extended all courtesies possible by the secretary.

Forty Five Per Cent To Leave September 19

Sheriff Andrew Johnson received word today that the 5 per cent draft call is to be included with the 40 per cent call September 19. The reason why the five per cent call did not go from Bemidji is because the certified list from the district board did not reach the adjutant general's office in time, is the explanation made. It is known that the district boards are swamped with work and no one is really to blame for the delay. The fact of the matter is that all boards are worked to capacity. Considering the magnitude of the project the plan is working wonderfully well and the public must bear with patience any seemingly unaccountable delays.

RED LAKE INDIAN WHEAT PRIZE WINNER AT BIG STATE FAIR

Speaking about the Minnesota state fair, now in progress, being the greatest in its history, etc., etc., guess Red Lake agency has every reason to sit straight up and give 'em the once over, for a Chippewa Indian from Red Lake just naturally entered some of his wheat against the state and walked off with fourth prize. And there was "some" wheat in that layout and Sheaf Wheat at that and the competition was as keen as could possibly be. The winning by Mr. Mason shows what the Indians can do and the feat of winning against state competition will undoubtedly prove highly incentive to the Indians of the reservation and Superintendent Dickens is highly gratified.

A REAL BULL STORY

There is bull and then there is bull, and when the Pioneer stated repeatedly that it was the best advertising medium in this part of the state and delivered the goods, there might have been some who believed the Pioneer was peddling a little bull. But there's another chap at least who believes the Pioneer is absolutely correct and that chap is George J. Becker, owner of Spring Lake farm, Solway, Minn. Mr. Becker has a penchant for fine cattle and he's got 'em, too. He had a fine bull or so for sale and he spent a few cents in a classified "for sale" ad in the Pioneer, letting the fact become known and—well, here's what the Pioneer received from Mr. Becker yesterday afternoon:

Solway, Sept. 3, 1917. The Bemidji Pioneer, Bemidji, Minn. Dear Sir: Hey there, stop my bull ad at once. The bulls are sold. The ad worked fast. It takes the Pioneer to sell the stuff. Thanks. Yours very truly, George J. Becker.

Mr. Becker knew he had the goods. So did the people. Mr. Becker told the Pioneer and the Pioneer told the people. Read Mr. Becker's letter again.
