

### RAILWAY EMPLOYEES PLAN HUGE STRIKE OVER LIVING COST

(By United Press)  
Washington, Oct. 11.—The demand for a wage increase of probably 25 per cent is contemplated by four of the big railway brotherhoods, Vice President Doak of the trainmen admitted today. Increased cost of living without regard to increase in wages since the war opened will be the base upon which the demands will be made.

The first outright move toward opening negotiations with the railroads may be taken at the meeting in Ottawa, October 25, if agreed upon by the conductors, trainmen, firemen and engineers. The demand will be made by acting in organization. Doak does not believe a joint convention could get fully under way until early next year.

### DEAN WILL RECEIVE ALL SHEEP INQUIRIES

At the convention of sheep promoters for Northern Minnesota, held at the Commercial club, it was decided to make a canvass of the farmers of Northern Minnesota to ascertain their needs and wants in securing sheep for their farms. ### AT THE ELKO

As a harum-scarum child of nature, light-hearted and care-free, Blanche Sweet will be seen at the Elko theater tonight in the thrilling Lasky production of "The Storm," a Paramount picture. The scenes of this unusual drama were laid in the Maine woods and Miss Sweet is seen as a daughter of an absent-minded, retired, old professor.

How she falls in love—a cloud is cast over her life, only to be dispelled by the man her heart desires is unfolded and explained in an intense and interesting manner.

Miss Sweet is surrounded by a cast of famous players, headed by Thomas Meighan. Theodore Roberts, Richard Sterling and Chandler House are also included in the cast.

Even the many admirers of Douglas Fairbanks who are familiar with his many daredevil stunts, will gasp at his new thrillers disclosed in "Wild and Woolly," his newest Artcraft picture at the Elko theater tomorrow and Saturday, matinee and evening.

Leaping from a porch of a house on to a moving train that is averaging forty miles an hour is but one of the many thrills performed by the athletic star in his latest film. Another startling scene is presented in a fight on horseback in which Douglas proves the victor. This is undoubtedly one of the most remarkable bits of its kind ever staged and shows the daring actor leaping from one galloping pony to struggle with the rider of another horse going at break-neck speed.
