Mrs. A. A. Law and Mrs. John R. Sweet, both of Minneapolis are guests at Birchmont for the remainder of the season.

Mrs. Maurice L. Rothschild of Chicago stopped at Birchmont en route by auto to Walker.

Better Than Medicine. Remember that medicine is, for most part, nothing but the substitute of exercise and right thinking. And it does not take a great deal of either right thinking or fresh air to enable you to throw off any ordinary symptom of illness. All that is necessary is for you to hold in your mind the thought that you are both healthy and cheerful.

It's a deuce of a fix to be in isn't it—to mistake a man's wife for his daughter, and make love to her before his very nose?

That's what Chester Calhoun did, and he was not sorry a bit.

A remarkable story of love and mystery. See it. Come today.

LONG DISTANCE TELEPHONE
RATES ARE STANDARDIZED

Long distance service is often conducted over the wires of more than one company and frequently across state lines.

Heretofore there have been several differences in the methods of quoting long distance rates by various companies.

This resulted in much confusion because of the many different conditions involved. This was not only expensive but caused many difficulties in operating the long distance lines.

Under the rates now established long distance service is on the same basis throughout the country whether it is inter-community, inter-company or interstate. It is available everywhere on the same standard terms.
