Protected by State Game Laws
and Thus It Is Illegal
to Kill Them

CHILDREN ARRIVE LATE AT MOTHER'S DEATHBED

Mrs. A. L. Johnson Will Enter-
tain Church Ladies' Aid at
Her Home, Wednesday

(Special to Pioneer.)
Clearbrook, Oct. 13.—John Evans
has a new Ford, which comes in very
handy in his work on the farm.

The Clearbrook Mercantile com-
pany has "nailed" the agency for
the Chevrolet autos.

Frank E. Boggs of the firm of
Boggs & Simons, is salesman for the
celebrated "Dodge" and "Dart" mo-
tor cars. Has placed all he has been
in position to get this year. The
Dodge is without a question one of
the best all-around automobiles made
in the world today for the money and
the demand is so heavy that the fac-
tory is unable to supply the calls un-
der any consideration, hence Mr.
Boggs has been handicapped in his
delivery of the same. He would have
been in position to have sold a score
or more here this season had he been
in position to get them. In view of
this fact he decided to add another
popular and well known car to his
line. After a close study of the many
cars on the market he finally chose
the Dart which is considered a favor-
ite among the people because of its
strength, power, thrift, accessibility,
comfort, simplicity, and slow depre-
ciation, as it is built for service, not
style. If he cannot get a "Dodge"
for you he certainly will get you a
"Dart," hence when you are in line
for a first class automobile do not
overlook to call at the Clearbrook
Auto garage and look over his line
before you buy elsewhere, as he will
be in position to give you pointers in
his line of cars which will serve you
well in your quest for an auto.

Mr. and Mrs. Oscar Roxvold have
taken possession of their new resi-
dence in the southeast section of our
city. It is beautiful, and Oscar and
his wife have reason to be proud of
it, and its beautiful surroundings.

R. L. Clausen of Holst township,
who a few days ago had an auction
sale at his place, has moved to Min-
neapolis to reside for the present.

C. A. Wagner, night operator at
the Union depot at Bemidji, made a
short business visit here Friday.

Cold weather, well we should
smile. It brought our first flurry of
snow this season, Friday morning,
but the sun peeped forth on Friday
afternoon and made things feel bet-
ter.

The pheasant is still under the pro-
tection of this state. Parents should
make it a point to see to it that none
of their smaller boys wantonly dis-
turb this fine bird which is now on
the pick up in our state. They have
done fine in the last two years, and
will from now on make large gains
if not molested by the careless ones,
who do not respect this beautiful
birds existence.

Are you a "booster" for Clearwater
county?

Robert Gunderson, one of our hus-
tling draymen, has moved into his
residence built in the Highland Park
addition. Robert and family now
have a nice home.

Called by the serious illness of
their mother to Montevideo, this
state, Mesdames Charles Ness, Ole O.
Dela and Edward Ness, came three
hours too late to see her before she
passed into the great beyond.

Mrs. Adolph L. Johnson of Sin-
clair will entertain the Ladies Aid of
the Seford congregation, Wednesday,
October 15, at her home. She wishes
to announce that you are all welcome
to attend and donate your mite to the
good cause of spreading the word of
God among all mankind.

Nelson's Quality store has now
shipped seven carloads of potatoes,
with warehouse crowded to the brim.
That's bringing them in, and this is
only one of them!

PRaises MUSICAL POWER OF JAPANESE WORKMEN'S SONGS

(By United Press.)
Tokyo. (By Mail.)—The song
Japanese workmen sing when raising
the rafters of a new building is
among the purest music in the world,
according to Henry Eichheim, form-
erly of the Boston Symphony orches-
tra and later conductor of his own
orchestra. Eichheim has come to
Japan to study Oriental music with
a view to using it in compositions.
"To my mind the Oriental has
evolved the purest music in the
world," said Eichheim, "and I want

to absorb as much of it as I can and
get its true atmosphere. The Ori-
entals have evolved by process of elim-
ination a perfect philosophy, a per-
fect art and a perfect music.
"Take their flower arrangement.
We place a whole bowlful of flowers
in the center of a table. The Japanese
take one or two flowers and decorate
a whole room."

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of
Bladder Irritation or
or Backache

The American men and women
must guard constantly against Kid-
ney trouble, because we eat too much
and all our food is rich. Our blood
is filled with uric acid which the kid-
neys strive to filter out, they weaken
from overwork, become sluggish; the
eliminative tissues clog and the re-
sult is kidney trouble, bladder weak-
ness and a general decline in health.
When your kidneys feel like lumps
of lead; your back hurts or the urine
is cloudy, full of sediment or you
are obliged to seek relief two or three
times during the night; if you suffer
with sick headache or dizzy, nervous
spells, acid stomach, or you have
rheumatism when the weather is bad,
get from your pharmacist about four
ounces of Jed Salts; take a table-
spoonful in a glass of water before
breakfast for a few days and your
kidneys will then act fine. This fam-
ous salts is made from the acid of
grapes and lemon juice, combined
with lithia, and has been used for
generation to flush and stimulate
clogged kidneys; to neutralize the
acids in the urine so it no longer is
a source of irritation, thus ending
bladder disorders.
Jad Salts is inexpensive; cannot in-
jure, makes a delightful effervescent
lithia-water beverage, and belongs in
every home, because nobody can
make a mistake by having a good
kidney flushing any time.
