**Corns Come Off
Like Banana Peel**

"Gets-It" Leaves Toe Smooth As Your Palm. Never Falls.

Ever peel off a banana skin? Well that's the way "Gets-It" peels off any corn or callus. It's a picnic. Nothing else in the world will do it.

"2 Drops of 'Gets-It,' Goodbye Corns" but "Gets-It" because of the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contractions," "wraps," "plasters," ointments that rub off, blood-letting knives, and scissors that snap into the "quick." "Gets-It" eases pain. It takes but a second or two to use "Gets-It." There's no fussing or trouble. It dries immediately. You put your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. M'fd by E. Lawrence & Co., Chicago, Ill.

Sold in Bemidji and recommended as the world's best corn remedy by Barker's Drug Store, and City Drug Store.
