

PINEWOOD

Miss, Maidie Stihl came to visit her brother and wife, Saturday, returning to her home in Bemidji Wednesday.

Mr. and Mrs. Frank Klingbeil went to see Dr. Johnson Tuesday. Mrs. Klingbeil sprained her wrist. We hope it will soon be well again.

Mr. Koppang, Mr. Lindgren, Mr. and Mrs. Tigner and Mr. Thais were all Bemidji visitors Wednesday.

Mr. and Mrs. Nels Rude returned from Minneapolis Thursday.

Chas. Rock opened his new pool room Friday.

Miss Martha Roen who has been visiting her sister, Mrs. Olaf N.gaard, returned to her home in Canada the last of the week.

O. Bakken and Fred Gleason motored to Bagley Saturday, they also stopped at Shevlin.

Tom Bakken, our village blacksmith made an early call in Saturday morning as he was home again at trinitine.

A large number of Pinedwood baseball fans attended the ball game at Leonard Monday. There is keen baseball rivalry between the two towns and to wipe out the sting of defeat in the past two games, Leonard hired a Gouvik league battery, also four or five other league fielders, Pinedwood using their own players after having the game won, lost it on errors. The final score standing 4 to 3 in favor of the hired players at Leonard.

LAVINIA

D. E. Leister left Thursday for Cedar Falls, Iowa, where he will join Mrs. Leister who is with her aged mother. While there, Mr. Leister intends to secure medical aid and the date of return is not yet known.

A jolly bunch of Lake Shore girls met at the Fair View farm for a fine time last Saturday night. Dancing, games and a delicious lunch proved to be the source of entertainment. This is the first time in our memory when there were more girls than boys but such was the case Saturday night. Even Billy Howe appeared at the dance among so large a number of fair dames. Another is planned for the near future.

Word has been received from Mrs. Blanche Phillips by her father, C. B. Cross, to the effect that the family with Mr. and Mrs. J. H. McVane, formerly of this vicinity, are on their way to Wisconsin. Mrs. Phillips visited her father some time ago before leaving Cass Lake, where Mr. Phillips had secured work in the mill for a short while.

The Misses Ida and Myrtle Helmer are again residing at Lavinia Lake Shore. A canvas cottage near Wire & Howe is a beautiful spot for their summer home.

Kenneth Coleman was painfully injured Sunday when on of Weiss Hoar's nifties struck the third finger of his right hand, tearing the nail almost entirely off.

Mr. and Mrs. Herb Campbell of Bemidji and family spent Sunday at the home of Mrs. Campbell's parents, Mr. and Mrs. William Gish of Big Bass vicinity.

The Ladies' Exchange club are still up to their old tricks of meeting and having a good time. Several good times have been held this summer.

Eighteen children chaperoned by Mr. and Mrs. Bert Bentley enjoyed an all-day picnic on Little Bass Lake on Sunday. A number of fish were caught.

It is the present plan now to have a neighborhood picnic, ball game and dance at Bass Lake picnic grounds on July Fourth.

J. S. Wheeler is building a new flat bottom boat for E. M. Sathre.

A crocheted sweater with deep revers and narrow belt may reflect all the colors of the rainbow, or it may cling to the Navajo combinations which are so smart. With it may be worn a scarf of gray or tan wool with bordered edges and a flannel skirt bound with flat silk braid. The sweater requires 12 spools of yarn (175 yards to spool) or 21 spools of silk (100 yards to spool). For the skirt, 2 1/4 yards 48-inch material are required for medium size.

Pictorial Review Crochet Sweater No. 240. Directions for making, 20 cents. Skirt No. 9449. Sizes, 24 to 34 inches waist.

Boats are in great demand on Bass Lake and no small number of people are being accommodated with boats both on Big and Little Bass Lakes.

A basket social will be given at Fair View farm on Saturday night, July 1st, proceeds to go for supplies for the baseball team. A large crowd is expected. A dance will be the source of entertainment.

SCOTT'S EMULSION

CONTAINS PUREST VITAMINE-BEARING COD-LIVER OIL that helps Nature absorb and fix lime in the bones. It is an abundant source of health-building vitamins and helps build strong bones and teeth.

Scott's Emulsion is a vitamin-fod of special value to children, builds strength, promotes growth. Start giving it to your boy or girl today!

BOONE FACED A HARD STRUGGLE BUT WON OUT

Des Moines Citizen Says He Could Hardly Use Arms on Account of Rheumatism, But Feels Like New Man Since Taking Tanlac—Gains 10 Pounds.

"I would rather do without anything else in the world than the good health Tanlac has given me," said Jesse J. Boone, 118 Ridge St., Des Moines, Iowa.

"I suffered for five years with disordered stomach and kidneys, and rheumatism. No matter what I ate I was in misery afterwards from gas and severe pains in the pit of my stomach. My back hurt me constantly and I suffered tortures from rheumatism in the muscles of my arms and shoulders.

"But Tanlac changed things right about for me. My stomach never troubles me now, the rheumatism and pains in my back are gone and I have gained ten pounds. I can hardly find words to express my gratitude to Tanlac."
