Bemidji Welcomes Club Women to Convention This Week

A. R. ERICKSON IS KILLED IN AUTO MISHAP

Car Goes Over Embankment Along Nymore Pavement; Driver Badly Hurt

TWO OTHER PASSENGERS ARE SLIGHTLY INJURED

Victim of Accident Is Pioneer Resident Here; Inquest to Be Held Tonight

Anton R. Erickson of this city died shortly after 10 o'clock Monday night as the result of injuries received when the automobile in which he was riding with three other men went over the embankment a short distance south of the Crookston Lumber Co. mill on the Nymore pavement, the car pinning Mr. Erickson's neck in such a way that it caused his death in a very few minutes. Omar Olson of Blackduck driver and owner of the car, suffered injury to his left leg, a spoke from one of the wheels being driven into the flesh when the car rolled down the embankment. Nels Lund and Peter Bergman, employed at or near Blackduck were the other passengers in the car, but neither of these men were hurt to any extent. Mr. Erickson and Mr. Olson were taken to Dr. E. W. Johnson's office for treatment, but the former had already passed away. Mr. Olson and the other two men were then placed in the city jail to await action. All three will undoubtedly be called in to the inquest to be held this evening. Mr. Olson's condition is quite serious, but he is expected to live. The four men were apparently out for a ride and were coming in to Bemidji on the pavement when the car apparently went off the edge of the paving and into the gravel which is being used to widen the road at this point. It is believed that this caused the car to twist and plunge over the embankment.

Mr. Olson, owner of the car, came to Blackduck only three weeks ago from North Dakota and has been making his home about three miles east of that village. It is understood that he has a wife and six children. The other men are said to be employees of the Crookston Lumber Co. near Blackduck and otherwise unknown to the driver, he having offered them a ride to Bemidji from Blackduck Monday night.

Mr. Erickson with his family came to Bemidji in 1898 when the city was yet very young. Previous to coming here the family resided at Crookston. He served as postmaster of Bemidji for several terms and has also been engaged in the land business here. He is widely known in this section of the state and the entire community extends its hour of bereavement.

Funeral services will probably be held Thursday, although definite arrangements will not be made until other relatives arrive here this afternoon.

He is survived by his wife, who resides in this city, but who is now visiting at the home of their daughter in Neillsville. Mrs. Erickson and Mrs. Carl Stromme, her daughter, as well as Rev. Stromme of Neillsville are to arrive here this afternoon. He is also survived by a daughter, Mrs. Arthur Jorgenson of San Francisco, one son, B. R. Erickson of this city, and one sister Mrs. Danielson of Crookston.

Funeral services will probably be held from the First Lutheran church with interment in Greenwood. Mr. Erickson was a member of the Bemidji lodge of Elks, who will probably have charge of the funeral services.

BOYS BAND TO GIVE CONCERT WEDNESDAY

The Bemidji Boys Band, recently returned from a very successful engagement at the Minnesota State Fair, will give a public concert in Library park Wednesday evening, complimentary to the delegates and visitors at the state convention of the Minnesota Federation of Women's clubs, which opens here tomorrow.

A short parade will precede the concert, the band leaving the city hall at 7:15 and parading Minnesota avenue south to second street to Beltrami avenue, to Fifth street, to the park.

A fine program has been prepared by Bandmaster G. O. Riggs and will be announced tomorrow. A large attendance is expected.

BELTRAMI POTATO TEAM AWARDED FIRST PLACE

Theodore and Leo Fenske Win First Place at Fair in Potato Demonstration

The Potato Demonstration Team from Beltrami county, represented by Theodore and Leo Fenske, won first place among the potato teams at the State Fair. This same team won second honors at the fair last year. The boys are to be congratulated on the splendid showing they have made for Beltrami county club work.

The team demonstrations are popular in Minnesota club activities, twenty-four teams from as many counties being represented this year. There were dairy, sheep, poultry, potato, bread, and canning team demonstrations. Among these, the team from Bemidji won second place. Kittson county received the highest score with a sheep demonstration.

The boys are already planning to put on another demonstration next year, and it is needless to say that they are determined to win the highest honors for Beltrami county.

Ten girls and boys received free trips to the State Fair this year. The projects in which they took part were bread and cake making, dairy judging, pig raising, and potato growing. The latter represented by the two individual growers and a team of two. The rating of the other members has not been received here.

DAIRY SHORT COURSES AT UNIVERSITY FARM

The annual dairy short course season will open at the University Farm on Nov. 13 and continue with only occasional interruptions until March 10. Five courses will be given in addition to a state wide creamery managers conference which will be held at the farm Jan. 4. In their chronological order the courses are as follows: Advanced Creamery Operators, Nov. 13 to 25; Ice Cream Plant Operators, Nov. 27 to Dec. 2; Milk Plant Operators Dec. 4 to 9; Creamery Operators, Jan. 1 to Feb. 10, and Cheese Plant Operators, Feb. 12 to March 10.

The courses have been planned to help the student in acquiring a better understanding of the problems and tasks connected with the manufacture of dairy products in the work. At least six students must register for a course or the University will cancel it.

JEWETT DISPLAYING FORD WITH LATE REFINEMENTS

C. W. Jewett & Co. is displaying a Ford Car with late refinements, one-man top and ventilating windshield being the improvements.

ALLIES-TURKEY WAR THREATENS

Constantinople Is Likely to Be the Cause of Next European Conflict

(By United Press)
(By Lloyd Allen)

London, Sept. 12—War between Turkey and the allies, with Constantinople as a prize, threatened today. Maby-Bey, Turkish delegate in Paris, issued a statement announcing Turkey would demand return of Constantinople. The allied high commission notified Mustapha Kemal that invasion of Constantinople by neutral troops would not be permitted. The victorious army of the Kemalists, having crushed the Greeks are reported to be eager to advance on the city now being held by the allied forces. Great Britain according to word given out here today, has the entire Mediterranean fleet in the near east waters preparing for any eventuality.

Lloyd George is given credit for bringing the French into line and persuading them to join the allies in presenting an unbroken front to the Moslems. Heretofore, they have favored the Turks.

Allied troops in Constantinople guard the foreign district here to prevent the recurrence of riots in which Turks looted the shops of Christians. Several persons were reported killed.

The notification served on Mustapha-Kemal by the British and Italian high commissioners was based on instructions from their home government. It was handed to Kemal's representative who forwarded it to Mustapha's headquarters in the city of Smyrna, just taken from the Greeks.

Child Training and Welfare One of the Big Themes For Club Federation Convention

Civic Betterment, Rural School Promotion, Forestry, Art, and Public Welfare Will Engage Attention of Minnesota Club Women at 28th Annual Meeting Which Opens Here Tomorrow and Will Continue Through Thursday and Friday.

Delegates to the state convention of the Minnesota Federation of Women's Clubs, to be held here Wednesday, Thursday and Friday of this week, are due to arrive here tonight and tomorrow, and Bemidji extends them a hearty welcome. Members of the local federated clubs have spared no effort in attempting to make their visit here enjoyable and the general public is urged to assist in entertaining the guests, besides showing an active interest in the various sessions of the convention.

With "better children in Minnesota" as one of its aims for 1923, the state Federation of Women's Clubs has asked Miss Stella Louise Wood of Minneapolis, head of the kindergarten training school, to address the convention. Miss Wood's subject will be "Our Greatest National Asset." Miss Josephine Brown of the Dakota County Welfare association will also speak on child welfare.

Judge Stanton on Program
Two other speakers announced recently are Judge C. W. Stanton of Bemidji, who will give an Americanization talk on the Constitution of the United States, and State Forester William T. Cox, who will speak on forest protection and state forests.

The 28th annual convention of the federation will open formally in the Bemidji armory Wednesday at 1:30 p. m. with Mrs. J. E. Rounds of St. Paul presiding. Speakers at this session will include Mayor A. V. Garlock and Mrs. John F. Burke of Bemidji. Mrs. Henry J. Bailey of St. Paul Park will present the program.

Impressions of the biennial convention of the General Federation of Women's Clubs in Chautauqua, N. Y., last June will be given by Mrs. Carl T. Thayer, of Minneapolis president of the fifth district and Mrs. John Wharry of St. Paul, president of the fourth district. Mrs. Tamazine Evans of Minneapolis will also speak on the biennial, comparing it with former meetings.

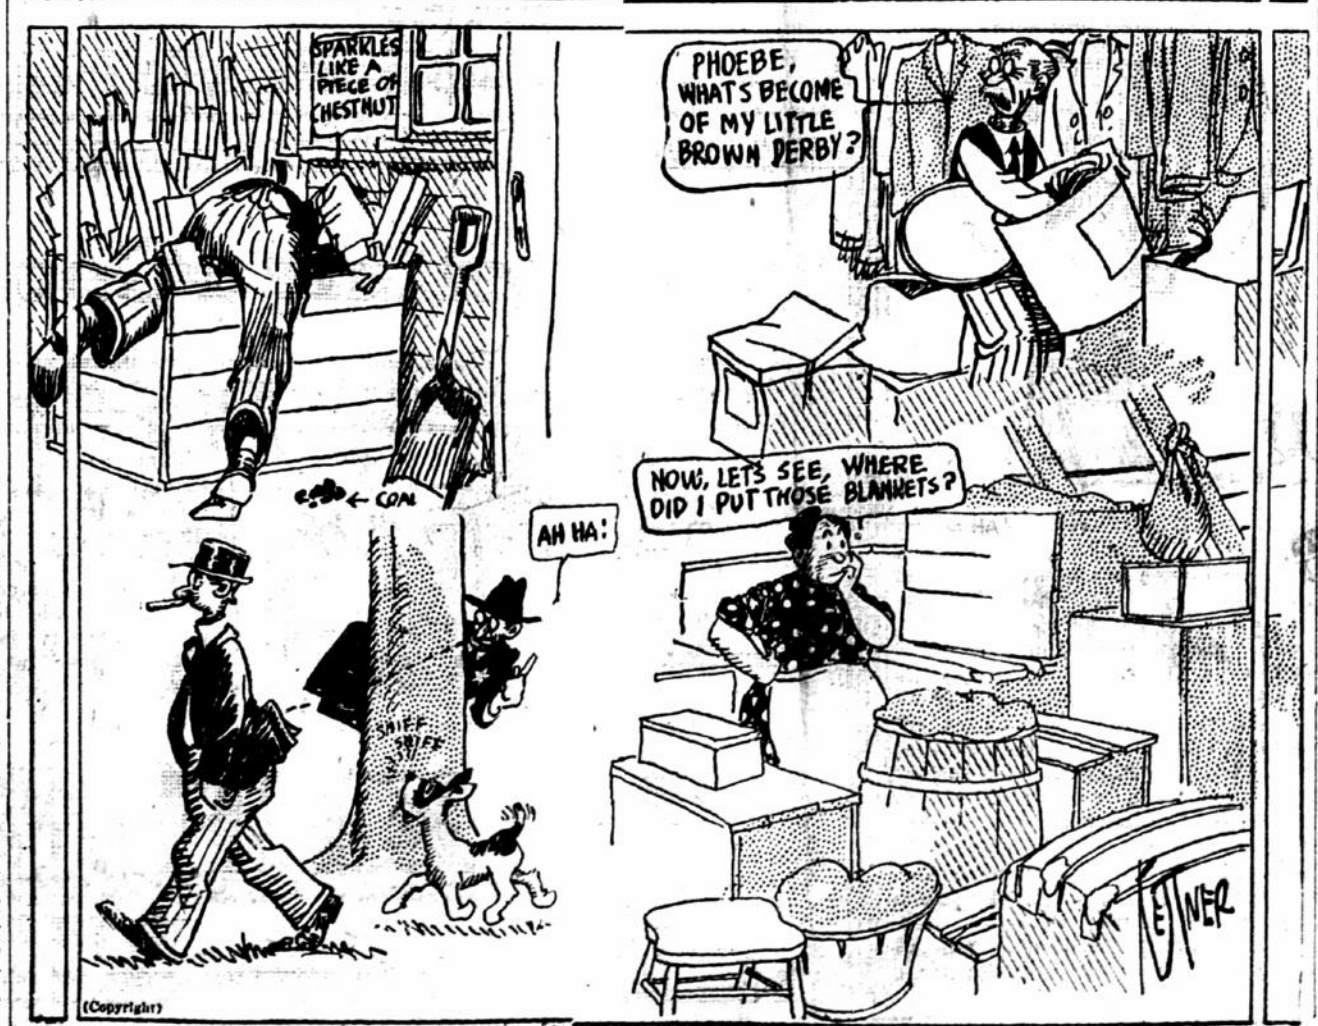

Federation Pioneers Meet
The Pioneers' club, an organization of founders of the state federation, will meet at 5 p. m. with Mrs. T. G. Winter and Mrs. J. E. Rounds as guest of honor. Mrs. Charles M. Akers of Hamline will give reminiscences of 1895, when the Minnesota clubs first banded together. Among the women who will attend the Pioneers' will be Mrs. Cyrus Wells of Minneapolis, president; Mrs. T. C. Collins, Windom, secretary; Mrs. Norman Evans, Owatonna, treasurer; Mrs. Margaret Evans, Huntington, Northfield, and Mrs. B. J. Phelps and J. C. Buchanan, Minneapolis. Membership in the club has recently been extended to include those who joined the club in 1900. Dinner at the Markham will follow the Pioneers' meeting.

The entertainment program, which has been arranged by Mrs. E. A. Barker and E. H. Smith of Bemidji, includes an automobile ride around Lake Bemidji Thursday afternoon with a dinner and program at Birchmont Beach hotel. Mayor Arthur E. Nelson of St. Paul will address the women at that time on law enforcement. Music has been arranged for every session and a tea will be given by the Bemidji Civic and Commerce association in the city hall Wednesday afternoon.

The prize gavel will be presented to the district bringing in the largest number of clubs during the year Friday at the close of the convention.

Problems of Club Life
Wednesday at 10:30 a. m., club leaders of the state will assemble to discuss their problems of business programs, topics and committees with (Continued on Page 6)

Hunting Season Opens

NYMORE MAN RUN OVER BY CAR IN N. D. SUNDAY

Ira Moore, 56, Lives Only Two Hours After Being Struck; Funeral Thursday

Ira Moore, 56, of Nymore passed away Sunday at 11 o'clock as the result of injuries received when he was struck and run over by an automobile at Hurdsville, N. D., 38 miles northwest of Carrington. The accident occurred about 9 o'clock as Mr. Moore was crossing the street the car coming down on him at a fast rate of speed, it is reported. The car was owned and driven by a tourist. Before passing away, Mr. Moore gave word to notify his brother E. E. Moore of Nymore and also the Farmers State Bank of Bemidji.

The body will arrive in Bemidji tomorrow morning over the Soo line. Funeral services are to be held from M. E. Ibertson's Undertaking parlors at 10 o'clock Thursday. Burial will be made in the Eckles cemetery north of Wilton. Mr. Moore was a single man, leaving only his brother Elmer E. Moore of Nymore. He was well and favorably known in Bemidji, having been a resident here for about seven years. He was born in Pennsylvania in 1866 and had lived in Beltrami county for the past 22 years.

The drive of the car is being held without bond until after the inquest to establish the blame it is reported.

AUTOS ARE NEEDED FOR STATE CONVENTION HERE

Auto owners who have already offered the use of their cars or who can do so for the state convention of the Women's Clubs here tomorrow, Thursday and Friday, are urged to meet the six o'clock train to night to take the delegates directly to the Markham hotel for registration. Those who can not make the train are asked to have their cars at the hotel to assist in taking the ladies to their rooms, after registration.

Night and morning service is needed for Birchmont, the cars to be at the hotel at 8 o'clock, the drivers to see that the guests are taken back after the close of the evening sessions. Cars will be needed at Birchmont Wednesday, Thursday and Friday mornings and at the new armory Wednesday, Thursday and Friday evenings, also at the Markham hotel Saturday morning.

Cars are also needed for the trip around Lake Bemidji Thursday afternoon. Those who can furnish cars are asked to have them in front of the armory at 3:30 Thursday afternoon.

SEPARATE RAIL PEACE HELD UP

Legal Battle Over Daugherty Injunction Continues in Federal Court

Chicago, Sept. 12—Vigorous objection among union leaders in making separate peace between railroad shopmen and individual lines today held up approval of the plans for a partial settlement of the railroad strike.

The shopmen's advisory committee recessed at noon after three hours heated debate without a vote on the Baltimore separate peace plan which Bert M. Jewell, union president, urged be accepted. The conference was to be resumed during the afternoon and decisive action was expected before adjournment tonight.

In the meantime the battle over making permanent the Daugherty injunction, designed to break the shopmen's strike, continued in Judge Wilkerson's court. Wilkerson warned federal attorneys to be more cautious about giving out statements to newspapers on the request of Donald Richberg, union attorney. Richberg protested vigorously the statement made by Attorney General Daugherty in which he attempts to push the plan for the strike violators on union officials.

Washington, Sept. 12—Formal hearing, probably open to the public will be held "soon" on the peachment proceedings started against Attorney General Daugherty by Representative Keller, Minnesota Republican, Chairman Volstead of the House Judiciary committee said today. Volstead will find out what Keller has to propose in his charges against Daugherty and will recall the Judiciary committee to set a date for the hearing.

KELLIHER RAIL SERVICE TO BE GIVEN HEARING

State Railroad and Warehouse Commission to Conduct a Hearing Here Thursday

BEMIDJI CITIZENS ARE REQUESTED TO ATTEND

Present Service to Kelliher in Deploable Condition; Quick Remedy Asked

The citizens of Kelliher are up in arms about the apparent abandonment of train service to that bustling little city of Beltrami county and as a result the Railroad and Warehouse Commission has filed a hearing to be held in Bemidji Thursday evening at 7:00 o'clock.

The meeting will open at the Markham hotel at the above hour and then adjourn to the Civic and Commerce association rooms so that a large delegation from that city and a much larger one from Bemidji can appear to give the facts which the commission desires.

County Commissioner William Lennon and William Skrief of that city are doing their utmost to secure regular train service for the village of Kelliher and other stations on the Funkley-Kelliher line.

"The matter was first taken up with W. H. Gemmel of the M. & L," said Mr. Lennon, "but we did not seem to get anywhere, so we are taking the matter up with the railroad and warehouse commission."

"There are from 3000 to 3500 people effected in our district and we feel that we have waited long enough. The last passenger train that pulled into Kelliher was on July 24th and since that time we have had but one freight train a week. This was run in to the yards on Saturday night, freight cars side tracked and the train pulled right out again. Lately we have been getting two trains a week."

"We have been quite patient and were willing to wait some, owing to the strike and the coal shortage, but we can't stand for what might come and that is abandoning the train service altogether, which was interfered by officials."

The village of Kelliher is one of the hustling, growing cities of this county and while the lumber business was going at full blast it was necessary to run daily freights and daily passenger trains into that city.

The Kelliher business men have invited the business men of Bemidji and other neighboring towns to attend the hearing Thursday evening. They state they want only a fair deal and desire that this city know all the facts regarding the service in that community.

County Attorney Graham M. Torrance has been engaged to represent the citizens of Kelliher at the hearing and will leave no stone unturned in order to convince members of the commission that Kelliher should have daily passenger service.

NAVAL MILITIA BOYS RETURN FROM CRUISE

Three members of the Bemidji Naval Militia unit who enjoyed the cruise on the U. S. S. Paducah going from Duluth to Detroit and stopping at intermediate points, returned to Bemidji Sunday and report an enjoyable cruise. Those making the trip from here were Louis Neumann, Joe Davis and Ed. Lamb. Gov. Preus made the trip with the boys from Sault Ste. Marie to Detroit, they report.

MRS. T. G. WINTER WILL ADDRESS ASSOCIATION

Mrs. Thomas G. Winter of Minneapolis, president of the National Federation of Women's clubs, will be the principal speaker at the noon day luncheon of the Civic and Commerce association Wednesday. She is a very able speaker and all members are urged to hear her at this time. She will speak tomorrow night in connection with the state convention of Women's clubs which opens here tomorrow.

A report on the Bemidji Boys band engagement at the state fair will be made at this meeting and those who attend are assured that they will learn how much publicity this organization has given Bemidji in the past two weeks.

This is the first luncheon for two weeks and it is expected and urged that there be an exceptionally large attendance.
