REPUBLICAN TIUKET. The Standard Bearers of 1884;

FOR PRESIDENT, Ot Malne. POR VICE-PRESIDENT JOHN A. LOGAN.

THE FAIR.

The officers of the Territorial farr association report highly encouraging prospects for the coming exhibition. From the Septembor number of The Bulletin, issued yesterday we learn that accounts received from all portions of New Advances the control of the policy of the finance committee, here in town, to take hold now in earnest, and do a fittle good work. We shall updated to be the facts as they then appeared. How does it look now it is took to take hold now in earnest, and do a fittle good work. We shall updated to be the facts as they then appeared. How does it look now? If it not a fact that the convention was broken in twain by the arbitrary rule town a great deal of good, and attact the cheer pillars of the country. But it requires money to pay for all the extensive arrangements that are being made, and the people of Albuquerque—who are to b chirfly benefitted by the exhibition—are generally silling to contribute liberally, though in this matter as in all others, it is necessary for somebody to "go around and see about it." All the various departments will be being in the fact of the response of the convention of the people of the supporters of power of the convention of the interpolation as all others, it is necessary for the chieflition—are generally silling to contribute liberally, though in this matter as in all others, it is necessary for the chieflition—are generally silling to contribute liberally, though in this matter as in all others, it is necessary for the chieflition—are generally silling to contribute liberally, though in this matter as in all others, it is necessary for the chieflition—are generally silling to contribute liberally, though in this matter as in all others, it is necessary for the support of the convention of the conven the September number of The Bulletin,

made no exhibition at all, will make an excellent show, applications for space have already been received from a considerable number of stock growers in our own Territory, and several breeders of fine stock in Kansas and Missouri. The mineral department, also, promises to be a grand success. Mr. Frazer, of Arisona, the superintendent of this department, has taken hold of the matter in carnest, and says he will have an exhibit here from the mines in Arizona that will astonish the people of New Mexico. Of fulls and vegetables, there will, of course, for the people of New Mexico. Of fine Santa Fe delegation it is only fruits and vegetables, there will, of course, of the Santa Fe delegation it is only necessary to say that Mr. Breeden was but unconditional surrender. true of the Atlantic & Pacific, which will have a collection of the products of the

The procession that the toro

they were candidates for local office and so felt compelled to go, and Nolan, of Mora, also disappeared. That made thirty-nine in all who at one time or any other withdrew.

MORA.

WATRCUS, N. M., Aug. 29, 1884

Raiter Albumerque Journal.**

Myself, Mis Benardo Salazar and M. Severiano Martines appointed Mr. Carl Wildinstein as our proxy at the Republican Territorial convention at Sauta Fe, and have given him duly executed certificates. If Don Fernando Nolan presented.

The time of Chairman Breeden to contend this Territory misrepresented in congress by a Democrat. They believe a man is accord with President Blaine's administration would be of more benefit to New Mexico, therefore they are casting about to find a solution to the problem. Besides if this present breach continues till next November, we must look for a renewal in this committee, and recognized Mr. Chairman Breeden had ignored the will of his committee, and recognized Mr. Tiffany, of Socorna as "the convention."

As the situation now is, we have Col. Rynerson nominated by fifty-four delegates, regularly elected and certified, who are opposed to the Santa Fe ring, its jobneous carry the convention. They believe a man is accord with President Blaine's administration would be of more benefit to New Mexico, therefore they are casting about to find the other particular to find the convention wention would be of more benefit to New Mexico, therefore they are casting about to find the convention wention would be of more benefit to New Mexico, therefore they are casting about to find the convention would be of more benefit to New Mexico, therefore they are casting about to find the convention. November, we must look for a renewal in this present breach continues till next. November, we must look for a renewal in the find of the convention. The benefit to New Mexico, therefore they are casting about to find the convention. The benefit to New Mexico, therefore they are casting about to find the convention. The benefit to New Mexico, therefore they are ca

ture of the past winter, or who have can meet and turn their guns upon the robbed or ab ited in the robbery of milfrom of acres of the best lands in the Terrisory. If all this is not true we are ready to be enlightened. The editor of This JOURNAL has been on the ground and is
