OVERWORK - INDUCED - Nervous Prostration

Complete Recovery by the Use of Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once, and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much." - H. O. HENSON, Postmaster and Planter, Lincoln, S. C.

Electric Bitters. Electric Bitters is a medicine suited for any season, but perhaps more urgently needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alternative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, constipation, dizziness, yield to Electric Bitters. Price, fifty cents and \$1.00 per bottle at Murphey-Van Patten Drug Co., Las Vegas and East Las Vegas, and at wholesale by Brown & Manzanara Co.

J. M. Hill and son Jim, and F. M. Hill and son Charlie, of Socorro, rusticated in the Magdalena mountains.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea, but kept getting worse. I sent him this same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy. - Mrs. Mary Sibley, Sider, Mich. For sale by K. D. Goodall, Depot drug store.

Messrs. Wright and Ames are working a fine prospect near Harach's springs in Coyote canyon, east of Albuquerque.

If you have ever seen a little child in the agony of summer complaint, you can realize the danger of the trouble and appreciate the value of instantaneous relief always afforded by DeWitt's Colic & Cholera Cure. For dysentery and diarrhoea it is a reliable remedy. We could not afford to recommend this as a cure unless it were a cure. Winters Drug Co.

Owing to the failure of the fruit crop, it is hardly probable that a fair will be held at Farmington this fall.

Ministers Should Use Dr. Miles' Heart Cure.

There is no profession, whose labor so severely taxes the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by overwork, frequently brings on attacks of heart trouble, and nervous prostration. Rev. J. P. Connor, M. D., Pastor U. B. Church, Loudon Mills, Ill., himself a physician, writes Feb. 26, 1895: "Heart affection and nervous prostration had become so serious last fall that a little overwork in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' Heart Cure alternately with Dr. Miles' Nerve and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' heart remedies on hand."

Since 1878 there have been nine epidemics of dysentery in different parts of the country in which Chamberlain's Colic, Cholera and Diarrhoea Remedy was used with perfect success. Dysentery, when epidemic, is almost as severe and dangerous as Asiatic cholera. Heretofore the best efforts of the most skilled physicians have failed to check its ravages; this remedy, however, has cured the most malignant cases, both of children and adults, and under the most trying conditions, which proves it to be the best medicine in the world for bowel complaints. For sale by K. D. Goodall, Depot Drug store.

At present the shaft of the "Mammoth", at Cochiti, is at a depth of twenty feet, and displays at the bottom a very rich vein of quartz which is four feet in width.

My little boy, when two years of age, was taken very ill with bloody flux. I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy, and luckily procured part of a bottle. I carefully read the directions and gave him accordingly. He was very low, but slowly and surely he began to improve, gradually recovered, and is now as stout and strong as ever. I feel sure it saved his life. I never can praise the remedy half its worth. I am sorry every one in the world does not know how good it is, as I do - Mrs. Lina S. Hinton, Grahamsville, Marion Co., Florida. For sale by K. D. Goodall, Depot drug store.

Thomas H. Benson is doing this year's assessment work on the "Puzos", in Colla canon, Cochiti, from which assays as high as \$700 have been had.

For your Protection. - Catarrh "Cures" or Tonics for Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodine of Potassa, or both, which are injurious if long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, ears and throat. Cold in the head causes excessive flow of mucus, and, if repeatedly neglected, the result of catarrh will follow; severe pain in the head, a roaring sound in the ears, bad breath, and sometimes an offensive discharge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Catarrh Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.

Don't let anyone persuade you to take anything else instead of Simmons Liver Regulator. Some merchants will try to do this, but not for your good. They do it to make a little more profit on something which is of an inferior quality, though you must pay just as much for the bad as for the good. Be sure to take Simmons Liver Regulator and nothing else. Look for the Red Z on every package.

Otto A. Mitten has returned to Socorro from his recent trip to Colorado. He expects to locate in Trinidad in the near future.

Noticing Chamberlain's Cough Remedy advertised in the St. Paul Volks Zeitung, I procured a bottle, and after taking it a short while was entirely well.
