WHY MRS. PINKHAM

Is Able to Help Sick Women When Doctors Fail.

How gladly would men fly to woman's aid did they but understand a woman's feelings, trials, sensibilities, and peculiar organic disturbances.

Those things are known only to women, and the aid a man would give is not of his command.

To treat a case properly it is necessary to know all about it, and full information, many times, cannot be given by a woman to her family physician.

When a man is really well-bred he is just as courteous to his wife as he is to strangers.

When you can hardly sleep for coughing, it is hardly necessary that any one should tell you that you need a few doses of Chamberlain's Cough Remedy to allay the irritation of the throat and make sleep possible. It is good. Try it. For sale by K. D. Goodall, druggist.

Mrs. "Kid" McCoy says that she knows her husband like a book. Probably a scrap-book.

EXPERIENCE IS THE BEST teacher. Use Acker's English Remedy in any case of coughs, colds or croup. Should it fail to give immediate relief money refunded. 25 cts and 50 cts. O. G. Schaefer, Druggist.

Probably there never was a woman with so poor a memory that she forgot a complaint.

Feelings of safety pervade the household that uses One Minute Cough Cure, the only harmless remedy that produces immediate results. It is infallible for coughs, colds, croup and all throat and lung troubles. It will prevent consumption. Winters Drug Co., K. D. Goodall.

Of course, Percy, when a poet falls in love with a girl it is natural that he should run to meter.

DYSPEPSIA CAN BE CURED BY using Acker's Dyspepsia Tablets. One little Tablet will give immediate relief or money refunded. Sold in handsome tin boxes at 25 cts. O. G. Schaefer, Druggist.

A smile, says a learned philosopher, is always cooler in summer and warmer in winter than a frown.

How a Woman Suffers.

Howell, Ill., Nov. 28. I will always praise Wine of Cardui. It has done me more good than all the medicine I have ever taken in my life. It sends a book about removal of disease to the ladies whose names I enclose.

It is not necessary for a woman to give particulars. When she says she has "female troubles," other women know what that means. It means headaches which no tongue can describe. It means that terrible bearing and dragging down in the lower abdomen. It means agonizing backache, and shoulder ache, and arm ache, and aches in the lower limbs. It means nerves on edge—the blues—depression and loss of hope. It means debilitating drugs that the doctors call leucorrhoea. It means martyrdom—sometimes even death seems preferable.

And still Wine of Cardui will utterly put those troubles and pains to rest. It has cured thousands of cases when nothing else on earth would. To the budding woman, to the bride, to the wife, to the expectant mother, to those going through the Change of Life, this Vegetable Wine is a blessing.

Rev. John Peter Moog, parish priest at Laguna, has gone to Santa Fe, where he is receiving treatment at the sanitarium for malaria.

Questions Answered. Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of anything else for indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clear out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form to make you satisfied there is nothing serious the matter with you. For sale by Murphy-Van Petten Drug Co., Las Vegas and East Las Vegas.
