

A BULLET LOCATED

Successful X-ray operation by Dr. J. N. Scott.

Recalls a tragic shooting

Della Clevenger nearly killed at Missouri City.

Ern Clevenger killed his rival, George Allen, and Missed His Cousin, Jennie—An Operation Will Be Performed and Bullet Removed.

The tragic shooting of a young man and woman, by the cousin of the girl, which occurred last December in a church in Missouri City, was recalled yesterday by the bringing here of the young woman to have the bullet in her head located by X-rays.

Ern Clevenger, a young man of Missouri City, had become wildly jealous of his

cousin, Miss Jennie Clevenger, and bitter in his hate toward George Allen, his rival. On the night of December 8, after a day of drinking, young Clevenger went armed to the neighborhood meeting house, where he knew he would find his cousin with her escort. At the close of the meeting he pushed his way to where young Allen and Miss Clevenger and her sister Della were standing about the stove. With only an

outline showing location of the bullet.

A HOME OF ITS OWN.

The directors of the Manufacturers' Association like the idea of that organization, want a permanent home products show in Kansas City, open the year round.

A HISTORIC PIONEER

Mrs. Mary Ann Chouteau lived here fifty years.

Passed away at her home surrounded by her immediate family.

Allied to the Polk and Tyler Families.

The suffering and agony endured by the unfortunate person who is deprived of his sleep can only be appreciated by those to whom a merciful fate has brought the same experience. To lie in bed, minute after minute, hour after hour, night after night, unable to close an eye! To roll and toss and thresh the bed clothes—to walk the floor, back and forth, to and fro, wishing, longing, praying for sleep to come and close the bloodshot eyes, and rest the weary brain! To look ahead and see looming up in the near future the horrible spectre of threatening insanity—that awful state in which a person is lost to himself and to his friends forever—these are but a part of the agonies endured by the sleepless one. For all of which there is no better, safer or surer remedy known to man than Dr. Miles' Restorative Nerve. Nothing in the

past has ever equaled it in power of building up weakened nerve tissues and giving strength to the tired body. It searches out the weak parts and gives them new life and vigor.

Both my wife and myself have received untold benefits from the use of Dr. Miles' Restorative Nerve. Sleeplessness was her trouble, which was complicated with a nervous affection of the heart which gave her great uneasiness. My difficulty was of longer standing—weak kidneys, disordered stomach and inability to sleep. I also suffered a great deal from neuralgia in my head and back. After we began taking Restorative Nerve all these nervous affections disappeared and we are both enjoying better health than for several years before. I should not fail to mention Dr. Miles' Nerve and Liver Pills which we have used with gratifying results. We keep them in the house at all times, and find them the best preventive of headaches and nervousness that we ever used."

Sample Treatment Free.

A trial package of Dr. Miles' favorite treatment, consisting of Dr. Miles' Restorative Nerve, Dr. Miles' Anti-Pain Pills and Dr. Miles' Nerve and Liver Pills, will be sent absolutely free of cost to any person who will send name and address on a postal card, requesting the sample, and mentioning the name of this paper. RAILROADS SPEND THOUSANDS.

St. Joseph & Grand Island Would Build a \$5,000 Round House—New Rock Island Freight Depot.

Alderman Jewett announced in the meeting of the upper house of the council last night that the St. Joseph & Grand Island Railway company will soon expend \$5,000 in building a new round house and freight tracks in the East bottom.

The directors considered the suggestions which have been made for a public car, cat-cab, and sample social at Convention hall, but the general opinion seemed to be that this would require too much work and expense for a one night show. It was accordingly voted to have another card, cat-cab, and sample social, for the members of the St. Joseph & Grand Island Railway company at the next social. The date of the social was set for April 17.

Work is about to begin on the new Rock Island depot at Fourteenth and Wyoming which has been talked about for several months. Yesterday the company took out a building permit for the new depot, as the amount to be expended at this time.

REBUILDING PACKING HOUSE.

Damage by Fire to Ruddy Bros' Slaughtering Plant at Armour—Sale Being Prepared.

Work of rebuilding Ruddy Bros' slaughtering plant, which was damaged by fire several months ago, began yesterday in Armourdale. The firm was formerly engaged in the slaughtering of sheep only and had a killing capacity of 500 a day. In addition to the rebuilding of the part damaged by fire will be built a new plant which will enable the slaughtering of cattle and hogs. Since the fire the firm has been engaged in buying and selling cattle at the stock yards and in the city. It is expected as early as possible on the building, but it will be several months before it will be finished and ready for use.

WANT THE CASE ADVANCED.

Poolroom Keepers Will Make Effort to Have Supreme Court Take Up Case Soon.

Poolroom keepers don't propose to have their appeal to the supreme court delayed any longer than can be helped. Their attorneys have gone to Jefferson City to make an effort to have the case advanced on the docket, so that it may be disposed of at once. City Counselor Middlebrook was yesterday informed of the proposed action.

Embraces North Terrace Park.

Alderman Butt introduced an ordinance in the upper house last night which provides for the purchase of the North Terrace park. The ordinance states that the city limit is to be extended so that it will include an area of not less than two blocks on all sides of the park. This is to prevent any kind of frame houses from being built in the park limits so that they will face on the park. Mr. Butt thinks that if his new ordinance is passed it will be the best thing for beautifying the park because it will be unlawful to remove any frame houses so that they will be near the park.

Board of Equalization Complete.

The new board of equalization in assessments has just been completed. The board was appointed on this board by the upper house last night. The other members of the board are: Comptroller Comptroller Lund, the assessor of water rates, and Councilmen Watkins and Jesse. The board will meet on March 20, and will sit until March 25, after which time it will remain in session until April 15.

Regulates Street Signs.

An ordinance to regulate street signs was introduced by Alderman Wynn in the upper house last night. The ordinance provides that no sign shall be placed on a street unless it is fastened securely to the building and must be approved by the superintendent of streets. The ordinance was referred to the city engineer and it is thought that it will be passed at the next meeting of the council.

Superintendent of Trees.

The upper house has endorsed the movement for the appointment of a superintendent of trees. An ordinance was passed last night which provides for the appointment of a superintendent of trees and it is thought that the lower house will pass it without any opposition. Mayor Jones stated last night the ordinance is passed by both houses, I will certainly sign it, as I believe it to be a good measure."

Dr. Coffin Returns.

City Physician G. O. Coffin returned yesterday from Washington, where he has been for the past two weeks trying to get the bill for the care of the sick Third and Fifth regiment soldiers, who were in the hospitals here, passed. His mission was successful so far as getting the bill passed, but the money will not be paid until later on.

Other Deaths and Funerals.

John Jarvis died of pneumonia at the Missouri Pacific hospital Saturday night. He had been in the employ of the road for some time. The funeral was held yesterday morning at 10 o'clock in the Elmwood cemetery.

The funeral of George S. Savage, who died of heart disease at the city hospital Sunday night, was held Monday afternoon at 2 o'clock in the Carroll-Devotion Undertaking Company's room. The burial was in Elmwood cemetery.

THE LATE MRS. MARY ANN CHOUTEAU.

Polk was united in marriage to Captain Chouteau, the ceremony taking place at second and Main streets, which was at that time almost the center of the settlement. The captain was of noted French family of the South, and for years was prominent as a steamboat captain on the Missouri river. He commanded the A. B. Charles, which plied between this city and St. Louis.

After the advent of railroads and the business of the river being destroyed, Captain Chouteau retired for a time, and afterwards was elected city treasurer, a position which he held for several terms in the early 70's. He finally retired to private life, and died about ten years ago.

Mr. Chouteau's wife, Mrs. Mary Ann Polk, had lived in the city she had witnessed his building up from a little border station to the great metropolis of the South. She was always intensely loyal to the city and her adopted home, and for years was prominent in many charities and was always a factor in the affairs of the city which she so dearly loved. She was a member of St. Aloysius church.

Mrs. Chouteau passed away surrounded by her family and friends. The end came without pain and in the full enjoyment of all her faculties. She leaves two daughters to mourn her loss. Mrs. William W. Polk, Frank N. Chick, widow of the late banker, her brother, Colonel John W. Polk, also survives her.

MRS. J. C. STOUT DEAD.

Subscribed to Spinal Meningitis Yesterday Morning After an Illness of Only Two Days.

Mrs. J. C. Stout, aged 55 years, died of spinal meningitis Monday morning at 2:45 o'clock. She had been ill only since Friday night and her death was a great shock to her family.

Mrs. Stout came to Kansas City, Kas. from Michigan, thirty years ago, and until the last two years had resided in that city. She was prominent in the church work of the city and was a member of the Y. W. C. A. and interested in the literary societies of Kansas City.

Mrs. Stout had a wide circle of friends who will remember her for her kindly nature and her interest in the welfare of her family and friends. The end came without pain and in the full enjoyment of all her faculties. She leaves two daughters to mourn her loss. Mrs. William W. Polk, Frank N. Chick, widow of the late banker, her brother, Colonel John W. Polk, also survives her.

Death of Charles McClure.

Charles McClure, aged 40 years, died at the city hospital of pneumonia Saturday at 10 o'clock. The funeral was held this morning at 10 o'clock in the Carroll-Devotion Undertaking Company's room. The burial was in Elmwood cemetery.

Burial of Mrs. Hugh Brown.

Hugh Brown and family, of Council Bluffs; Hugh Brown, Jr., of Chicago; Bion Brown, of St. Louis; and Mrs. Hicks, of Council Bluffs, are here to bury the wife and mother, Mrs. Hugh Brown. Mr. Brown formerly lived in Kansas City.

Other Deaths and Funerals.

John Jarvis died of pneumonia at the Missouri Pacific hospital Saturday night. He had been in the employ of the road for some time. The funeral was held yesterday morning at
