WILL KRUGER YIELD?

It is Said That He Favors Compliance With Great Britain's Last Demand.

LONDON, Sept. 14.—The Pretoria correspondent of the Daily Telegraph says: "The members of the Volksraad received Mr. Chamberlain's dispatch defiantly to-day. (The members of the Volksraad) declared that Great Britain must moderate her demands. On the other hand, a rumor is current that President Kruger favors compliance. This belief is held in Johannesburg and accounts for the hopeful condition of the market, but the general public is pessimistic regarding the situation.

Whatever the ministerial secretary says, the reply is probable that several more stages of diplomatic process will be gone through before the matter is settled. DRUG COMBINE CASE

DOERSCHUK DECLINES TO TESTIFY AND PROCEEDINGS STOP.

Commissioner Vineyard Makes a Formal Commitment to Jail—Dispute Will Go to a Higher Court.

The taking of depositions in the investigation to determine whether the Kansas City Pharmaceutical Association is a combine was resumed before Commissioner J. J. Vineyard yesterday. The first witness called was A. N. Doerschuk, a druggist at the corner of Twelfth and Grand avenue, and the first question asked was: "Are you a member of the Kansas City Pharmaceutical Association?"

"I decline to answer," replied Mr. Doerschuk, in accordance with the instructions of his attorneys. "Do you know the methods of this association and are you familiar with its workings?" was the next question. "I decline to answer," again said Mr. Doerschuk.

Mr. Rozelle, who appeared for the attorney general, then appealed to the commissioner and Doerschuk was told that he must answer the questions. But the witness was as stubborn as ever, so that the proceedings were at a standstill. Later, Commissioner Vineyard made out a commitment commanding the sheriff arrest Doerschuk and put him in jail. Mr. Vineyard stated that this proceeding was a mere form and that Doerschuk would not be locked up.

The move yesterday was the action of the defense to bring the matter before the supreme court and habeas corpus proceedings will be taken to take the case up to the higher tribunal. The inquiry thus far has been to determine whether the defendants have violated the law and it was instigated by the O'Reilly brothers, proprietors of the Owl drug store, who claim that because they do not maintain prices the other drug stores of the city have induced the wholesale houses to refuse to sell them goods.

BITTEN BY A VICIOUS DOG.

Small Boy Has a Terrible Experience With a Brute on West Fifth Street. Frank Stewart, 11 years old, son of T. J. Stewart, driver for J. A. Staley, was badly bitten about the legs yesterday morning by a vicious bulldog. Young Stewart was brought to the police station in the ambulance from West Fifth street, between May and Broadway, where he was bitten, and his wounds treated by assistant Police Surgeon Maranah.

David Friedman, of 236 West Fifth street, said to be the owner of the dog, was brought to the police station by a constable and was charged with keeping a vicious dog. Nick Tasker, who was biting Stewart, was also arrested. A bystander said that Staley had encouraged the dog in his work. The boys claim they did not molest or provoke the dog in any way. Stewart was taken to his home, 304 Independence avenue, after having his wounds dressed.

To Complete West Side. Bids were received yesterday for the Metropolitan Street Railway for the track work on the new W. side lines. The contracts which let \$1,000,000 amount to about \$100,000. The lines to be Summit street extension 4 1/2 miles to Thirty-ninth street. The lines to be Southwestern boulevard to Genesee st. and the Brooklyn avenue line from Locust street to Grand avenue. It is expected that these lines will be finished by the first of the year.

Blood Poison

W. R. NEWMAN, Staunton, Va., writes: "I was afflicted with Contagious Blood Poison, and the best doctor did me no good. In fact, I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not reach the disease. At the advice of a friend, I then took S. S. S., and began to improve. I continued the medicine and it cured me completely, and for ten years I have never had a sign of the disease to return."

S.S.S. For Blood (Swift's Specific) is the only remedy which can eradicate Contagious Blood Poison. It is guaranteed purely vegetable. Book on self-treatment mailed free by Swift Specific Company, Atlanta, Ga.
