M. & T. REDUCED RATES IN INDIAN TERRITORY.

Ever since the construction of the M. & T. By. through the Indian Territory its local passenger rate between stations in the Indian Territory has been on the basis of five cents a mile. The customary rate of passenger fares on railroads, except in sparsely settled country, is three cents a mile. The population of the Indian Territory during the past few years has grown rapidly; there has been a large increase in passenger traffic on this account, and the Katy officials recognizing the wants of the people and the justice of so doing, have voluntarily arranged to reduce the local passenger rate to a basis of three cents a mile. This reduction will take place on or about November first. There will be great rejoicing among the residents along the line of the M. & T.

Through to Harrison.

On April 15th, the St. Louis and North Arkansas Railroad was formally opened to Harrison, Arkansas, establishing (in connection with the Frisco line from Seligman) direct railway communication with some of the richest lead and zinc fields yet discovered.

The territory traversed by the new line presents perhaps the most remarkable panorama of rugged mountain ranges and fertile valleys to be found on the American continent. A trip to Harrison is well worth the time so spent, either from a commercial or a sight-seeing standpoint.

Teethina was first used by Dr. Charles J. Moffett, a graduate of Jefferson Medical College, Philadelphia, Pa., in his extensive and successful treatment of children in Georgia in overcoming the troubles incident to teething and hot summers. Teethina (Teething-Powders) counteracts the effect of hot weather and keeps the digestive organs in a healthy condition, and has saved the lives of thousands of children in the doctor's native state, where physicians prescribe and all mothers give it, and it is criminal in mothers of our section to allow their babes and little children to suffer and perhaps die when relief can be so easily obtained by giving Teethina. It costs only 25 cents at druggists; or mail 25 cents to C. J. Moffett, M. D., St. Louis Mo. 15, 12
