Continue Just Fifteen Days

## T. M. LAKE & SONS

HIGGINSVILLE, - MISSOURI

Notwithstanding our greatly increased sales for every month of this year, yet we find our stocks are too large in many departments. We could close them all out during July and August at regular prices, but we intend to do two months business in just 15 days. We realize that to accomplish this we must make such Cut Prices that it will pay you to buy during just these sale days. Our loss will be your gain. If you are a customer you know the quality will be the best in every respect. There will not be a dollar's worth of these goods put on sale at these cut prices until 7 o'clock.

Monday Morning, July 1st, 1901

When certain lines are closed out you cannot buy again at the Special Harvest Sale Prices for it will be impossible for us to buy again so cheap. If you are interested in good things, it will pay you to be on hand early Monday morning or as soon thereafter as possible. We will increase our sales force so that you will have no trouble in being waited on. Read every item.
