

# The Taking Cold Habit

The old cold goes; a new one quickly comes. It's the story of a weak throat, weak lungs, a tendency to consumption. Ayer's Cherry Pectoral breaks up the taking-cold habit. It strengthens, soothes, heals. Ask your doctor about it.

Keep the bowels regular with Ayer's Pills, just one pill each night.

## University Y. M. C. A.

The Citizens of Missouri, the faculty and the students of the University at Columbia are not to be outdone by sister States like Iowa, Minnesota, Michigan, Wisconsin, Illinois, New York, California, and others. They, too, are going to do the right thing by the present and coming generations of young men who are to come under the instruction of this great institution.

The matter is taken up with a will: already one of the citizens in the State, A. H. Jones, of Hallsville, has subscribed \$15,000. By the will of the late Hiram J. Castello, of St. Charles, the University Y. M. C. A. comes into possession of \$10,000. This man was far-sighted through information given him by a worthy nephew of the University's needs. These amounts give positive assurance of the consummation of the enterprise. The citizens of Columbia have subscribed nearly \$4,000; the faculty has come to the help with \$4,355, while the students have subscribed \$8,213, considerable of which has already been paid into the treasurer who is Mr. R. B. Price one of the leading bankers of Columbia.

Architects are now making preliminary plans, and it is confidently expected that ground will be broken early in the spring.

The lot owned and paid for for this building stands at the main entrance of the University campus. The location could not have been better. It is spacious and well surrounded. President Jesse, now in Europe, declares it to be the greatest present need of the University as a moral power to influence the University man who otherwise might not feel the force of the student moral influence for the want of alliance. This will be crystallized in this great organization and building.

## CURED CONSUMPTION

Mrs. B. W. Evans, Clearwater, Kan., writes, My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horehound Syrup, and it cured him. That was six years ago and since then we have always kept a bottle in the house. We cannot do without it. For coughs and colds it has no equal. 25c, 50c, and \$1.00. Sold by Crenshaw & Young. 3-3ml

Odessa Ledger: Matt Wood of St. Louis and Miss Nellie Wilkening of this city were married in Kansas City, Sunday at the home of T. H. Hunter. The bride is the daughter of Mr. and Mrs. W. J. Wilkening of this city and the groom is a former Johnson county boy who is now in the grocery business at St. Louis. They came to Odessa Tuesday morning and stayed until Thursday when they left for St. Louis.

## The Song of the Cradle.

Bye, bye! Hopefulness! There's a sweet little cradle hanging up in the sky; A dear little life that is coming to bless; Two soft chubby hands that will pat and caress; A pure little soul winging down from above; A darling to care for, a baby to love.

One of the grandest agencies which enlightened Science has discovered to relieve motherhood from excessive suffering is the "Favorite Prescription" devised by Dr. R. V. Pierce, chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y.

This wonderful "Prescription" imbues the entire nervous system with natural, healthy vitality; gives elastic vigor to the delicate organism specially concerned in motherhood, and makes the coming of baby entirely free from danger and almost free from pain.

I wish to state that I have used Doctor Pierce's Favorite Prescription with very good results. I write Mrs. Katie M. Ankle, of Hudson, New Hampshire. "Had been in poor health for over four years and had been twice in the hospital. My husband brought some of your 'Favorite Prescription' and it has carried me easily through my last two confinements. We are now blessed with two healthy children, and I am sure your medicine has done me more good than all the other treatment I have ever received."

## How to Make a Hot-Bed.

Eben E. Rexford in Outing for March: The location for the hot-bed is an important matter. It should be on well drained soil, well sheltered from wind and fully exposed to the sun. It should be near the house, for convenience.

Fresh manure from the horse stable, mixed with litter from bedding, is the material most generally made use of to furnish the heat needed in the hot-bed. A pile of this material is spread on the place selected for the hot-bed, covering an area somewhat larger than the hot-bed itself is intended to be. It is thrown on the ground in layers of a few inches in depth. Each layer is trod down firmly before another is added. The pile should be finished off by rounding it over. Leave it in this condition for a few days, until fermentation sets in. This can be told by a warm moisture which will be seen rising from it. It should then be forked over, shaking out the long straw as this is done, and making another heap of it, as at first. In two or three days it will again give evidence of further heating. After this, it is in condition for final disposition in the bed. As the manure is now thrown into shape, it should be packed down well, making it as uniformly compact as possible. There should be about two and a half feet of this material.

It is now ready for the frame. This should be put in place and covered with sash. Bank up well outside the frame with the manure. Allow the sash to remain in place until strong heat is generated. When this begins to decrease, and the thermometer does not register more than 85 degrees or 90 degrees, cover the manure inside the frame with about six inches of fine, rich soil, worked until it is in the mellowest possible condition. The bed is now ready for use.

## GIVES HEALTH, VIGOR AND TONE.

Herbine is a boon for sufferers from anaemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity result. Mrs. Belle H. Shriel, Middleborough, Ill., writes, I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbine. I hope never to be without it. I have advised that I had known of it in my husband's life time." 50c Sold by Crenshaw & Young. 3-3ml

## Death of Mrs. Gossett.

Odessa Ledger: Mrs. Hannah Ellen Gossett, aged 79 years, died at her home in this city at 5 o'clock Thursday morning March 1, 1906.

Deceased was one of the pioneer women of this community, coming here at an early date. She was born in Kentucky, but moved to Evansville, Ind., where she was married. Together with her husband she came to Missouri and has since resided here. She was the mother of ten children all of whom are living, namely, Chas., Arthur, Marton, Wilch, William, Miss Alice, Mrs. Emma Weaver, Mrs. Lydia Elliott, Mrs. Lewis Zelly and Mrs. Luther Stafield. She had been a member of the M. E. church for sixty-two years and had lived a good and noble life. Those with whom she came in contact were benefited by her presence, and after years of toil in the Master's vineyard she has gone to claim her reward.

Funeral services were conducted at the home at 12:30 p. m., Friday by Rev. H. A. Babbitt, of the M. E. church, after which the remains were conveyed to the Odessa cemetery and interred by the side of her husband, who had passed on years before.

One would think the laxative idea in a cough syrup should have been advanced long before it was. It seems the only rational remedy for coughs and colds would be to move the Lowlens and clean the mucous membranes of the throat and lungs at the same time. Kennedy's Laxative Honey and Tar does this. It is the Original Laxative Cough Syrup, the best known remedy for coughs, colds, croup, whooping cough, etc. Tastes good and harmless. Sold by Crenshaw & Young. 3-3ml

Odessa Lodge 446 I. O. O. F. dedicated the handsome new hall in that city Thursday night. Several grand officers and several visiting lodges assisted in the ceremonies.

## THE BEST COUGH SYRUP.

S. L. Apple, ex Probate Judge, Ottawa, Co., Kansas, writes: "This is to say that I have used Ballard's Horehound Syrup for years, and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, 50c and \$1.00. Sold by Crenshaw & Young. 3-3ml

## Are You From Kentucky?

These are the first words which appear upon a very attractive invitation sent out from Louisville to Kentuckians in all parts of the United States.

From June 13th to 17th, 1906 there is to be in Louisville, Ky., a "Home Coming" for all Kentuckians who have wandered to other lands or foreign shores. The Louisville Commercial Club is sending out the invitations as fast as lists are received with the names and addresses of Kentuckians in different sections of the country.

There will be "great doings" in Louisville.—Mr. Henry Watterson has been invited to deliver the chief address of welcome, and former Governor David R. Francis of Missouri, the response. Among the others invited to appear on the programme are former U. S. Senators Wm. Lindsay and John G. Carlisle, of New York City, Associate Justice John M. Harlan, of the U. S. supreme court, former Governor Thomas T. Crittenden, of Missouri, and former Vice-President Adlai E. Stevenson, of Illinois. This list will be enlarged with the names of other Kentuckians who, in adopted homes, have marked their names high on the roll of fame in the law the ministry, and commercial pursuits.

While Louisville will be the host-city, all Kentucky will join in the welcome to its returning sons and daughters. The railroads will at once be asked to name low rates to Louisville, and in addition to this, it is proposed to have side trip tickets from Louisville to any part of Kentucky, so that the returning Kentuckians may visit any part of the State.

So as to insure no discomforts in the way of lack of railroad accommodations, Mr. William Flannery, traveling passenger agent of Southern Railway, located in the Board of Trade Building, Kansas City, Mo., has already begun to arrange the details for the operation of special trains over his line from St. Louis to Louisville, and even at this early date, he is receiving a great many inquiries as to reservations, etc.

Mr. M. R. Gossett, Recorder of Deeds for Jackson County, Kansas City, Mo., is the one who first suggested the "Home Coming" to old Kentuckians living in western Missouri, Kansas, and other portions of the West, and he has already received the names and addresses of about 350 Kentuckians who will join his party. Mr. Gossett now has arrangements well under way and inquiries should be sent direct to him. 2-31f

## BLOCKADED

Every Household Should Know How to Resist It.

The back aches because the kidneys are blockaded.

Help the kidneys with their work. The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

W. H. McKay, engineer at the Abernathy Mfg. Co., and living at 110 Dakota street, Leavenworth, Kan., says: "Though I doctored and tried all kinds of medicines I suffered severely from kidney trouble for all of a year, and nothing seemed to do me the least bit of good. The pain in my back was terrible and the sharp twinges would cramp me up at times so that I could hardly move. The kidney secretions were irregular and contained a great deal of sediment that looked like brick dust. Ophthalmologist who had treated me said I had muscular rheumatism, but he did not help me. After giving up all hope of finding relief I happened to learn through a friend about Doan's Kidney Pills and got a box at E. C. Fritch's drug store. I found benefit in the treatment and continued it until I had taken three boxes. I was entirely cured of kidney trouble and have had no sign or symptom of it since. I ever any medicine saved a man's life Doan's Kidney Pills saved mine. I have been well for nearly six years, and know several people who have used Doan's Kidney Pills on the strength of the testimonial I gave in 1899 recommending them. I have yet to hear of a case in which this remedy failed."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's and take no other. 3-1712

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc. Sold by Crenshaw & Young. 3-3ml
