

# HOME! IS WHERE THE ARBUCKLES' COFFEE IS

Most healthy, vigorous men and women in the United States are raised on good, old-fashioned Arbuckles' ARIOSA Coffee. Never mind what the others drink, you want to be well. Say things to the man who tries to switch you from Arbuckles' to coffee that pays him big profits at the expense of your stomach.

Tom Reber, Bart McDermott and Mr. Hostetter of Buckner were in Lexington last Friday to attend the Elks services.

J. T. Taylor, Sr., who has been transacting business in Kansas City for the past few days, returned home Saturday evening.

Mr. and Mrs. John Briscoe and little daughter, Ruth, went to Kansas City Monday morning to spend a few days with relatives.

Miss Carrie Edmonds of Oklahoma City, Okla., arrived Saturday evening for a visit with her parents, Mr. and Mrs. Robt. Edmonds.

Miss Mary Duke returned to her home in Independence Sunday evening, after a few days visit with the family of T. C. Sawyer.

Mrs. S. N. Wilson and little daughter, Theresa, returned from Monday evening from a short visit with relatives in Warrensburg.

Miss Margaret Clayton returned to her home in Kansas City Saturday evening after a visit here with the family of John C. Young Sr.

Advice to mothers. Don't let your children waste away. They can be strong, healthy and vigorous with Hollister's Rocky Mountain Tea. It's a swift winged messenger of health. 35 cents, tea or tablets. Leroy Farmer.

The stock of the suburban addition and motor line ought to have been subscribed in ten days. The merchants would get their money back in a short while in the profits of increased business. The property owners would get their money back promptly in increased values of their property. Besides the fire and the town lots would pay as an independent investment. The people cannot afford to wait until an incorporated mining town is established south of us. This thing ought to be pressed to a speedy conclusion.

The Lexington postoffice has received notice to increase box rent charges as follows: 25 cent boxes to 35 cents; 45 to 60; 60 to 75; 75 to \$1.00. These changes will go into effect April 1. Box charges are graded according to the amount of stamp sales of the office. The Lexington office has hitherto fallen below \$10,000 of stamp sales per annum. This year, which will close in two or three weeks, the stamp sales will be considerably in excess of \$10,000. If the people want mail delivery, now they have only to see that their sidewalks come up to specifications, have the houses numbered, and send in a petition to the post office department.

For weak kidneys and lame back use DeWitt's Kidney and Bladder Pills. Best for lumbago, rheumatism, bladder and other troubles arising from bad blood. They cleanse the kidneys and clear the system. Indorsed and sold by Leroy Farmer. 3-2ml

Odessa Democrat:—A Miss Minnie Rex started to hitch her horse to a post in front of the residence of her brother A. M. Rex on east Mason street last Saturday afternoon, the animal became frightened and ran away. The buggy to which it was hitched was turned upside down and badly damaged. The horse was uninjured.

Odessa Democrat:—Mrs. Zack Davidson, of southwest of town, suffers a paralytic stroke last Thursday. Her condition is improved just now.

Odessa Democrat:—Jacob Smith, aged about 65 years, died at the home of his son Ernest south of Chapel Hill at pneumonia, Saturday evening February 16, 1907. Burial took place in the Chapel Hill cemetery Sunday afternoon.

For Catarrh, let me send you free, just to prove merit, a trial size box of Dr. Shoop's Catarrh Remedy. It is a healing antiseptic balm that gives instant relief to catarrh of the nose and throat. Address Dr. Shoop's, Racine, Wis. Sold by Dr. Silverstone's drug store. 3-2ml

Died, Feb. 18, 1907, J. F. Patton, aged 91 years. Funeral services at the Baptist church Tuesday, conducted by Rev. Harvey. Interment at Republican cemetery. Deceased having lived a long life, 21 years beyond the allotted time, gave up his earthly existence for a "new life" with God. Mr. Patton was a faithful member of the Baptist church, was a member of the Old Men's Club for fifteen years. He had been a resident of this place for 25 years. While he will be missed yet to depart in old age after life work is ended is natural. The material life must pass away to be transformed to a new life.—Aulville items in Higginsville Jeffersonian.

A cross and peevish child is not natural. There is something wrong. Usually it is the stomach. Use Cascasweet and put the stomach right, and the sunshine will return to the baby's face. Cascasweet is best for babies and children. 50 doses 25 cents. Sold by Leroy Farmer. 3-2ml

GOLDEN WYANDOTTE COCKEREL \$1.00. Eggs in season.

Mrs. A. P. Young, Lexington, Mo. R. F. D. No. 1. 2-216

**Free To Subscribers.**

The Twice-a-Week Republic, of St. Louis, Mo., is giving away a beautifully framed picture, size 5x7 1/2 inches, to every one sending \$1 for a year's subscription to their great semi-weekly paper and Farm Progress, a monthly agricultural paper published by The Republic.

This offer is open to both new and old subscribers. If you are taking the paper at present, send in your dollar and have your time marked up for one of these beautiful pictures without any extra cost.

The pictures are genuine works of art, done in fine colors. Two of them are heads of beautiful girls. One wears a black picture hat and has two roses pinned to her bodice. If this one is desired, order No. 10, "The Spring Girl" No. 11, or "The Summer Girl," wears a light brown picture hat, trimmed with light green. She also wears a white and green waist, with a bunch of very pretty flowers at her breast. The remaining picture, or No. 12, is a three-quarter length picture representing "The Winter Girl," with a long coat, boa about her neck and a muff.

The frames are made of rounded metal and are all black. To tell them from one another it would be necessary to take them from the wall for examination. The pictures and frames are neat and pretty enough to grace the walls of a millionaire's home. There is nothing cheap or shoddy looking about them. They cannot be duplicated to the retail stores for less than 50 cents. The best recommendation that we can give them is to say that if you are not thoroughly satisfied with your picture they will refund the money for your subscription and pay the postage for returning the picture to them.

If you are already a subscriber to the TWICE-A-WEEK REPUBLIC, or if you want only the agricultural monthly, Farm Progress, send a silver dime for one year's subscription to this big sixteen-page farm and home paper. The TWICE-A-WEEK REPUBLIC is the oldest and best semi-weekly family paper in the country, and Farm Progress is the fastest growing farm monthly in America. Remember that you get both these splendid publications for a year and one of these handsomely framed pictures, all for only \$1.

Remit by post office or express money order, registered letter or bank draft. Do not send personal checks. Write name and address plainly. Address all orders to the St. Louis Republic, St. Louis Mo.

"In 1897 I had a stomach disease. Some physicians said dyspepsia, some consumption. One said I would not live until spring. For four years I existed on boiled milk, soda biscuits, and doctors' prescriptions. I could not digest anything I ate; then I picked up one of your Almanacs and it happened to be my life-saver. I bought a fifty cent bottle of KODOL and the benefit I received from that bottle all the gold in Georgia could not buy. In two months I went back to my work, as a machinist, and in three months I was well and hearty. May you live long and prosper."—C. N. Cornell, Roding, Ga., 1906. The above is only a sample of the great good that is daily done every thing by Kodol For Dyspepsia. It is sold here by Leroy Farmer. 3-2ml

**A Big Locust Groggins Year.**

J. M. Stedman, Entomologist of the Experiment Station Columbia, Missouri, issues the following note of warning:

There will be due in Missouri (this coming spring the largest brood of the Seventeen Year Locust, or periodical Cicada, known in this State. It will occur over the entire wooded portion of the State except the north-west corner, and they should make their appearance in immense numbers by the latter part of May. The prairie sections will be exempt. This brood is one that matures every thirteen years but is the same species as those which mature every seventeen years. These insects occur in immense numbers near timber lands and are liable to do much damage to newly planted orchards by puncturing the limbs to deposit their eggs. One will therefore be running a great risk in setting out an orchard this spring near timber or in a thickly timbered region. It would be advisable before concluding to set out trees this spring to consult older inhabitants in your region as regards the occurrence of the locusts thirteen years ago in that locality. The eggs which the female Cicadas deposit in the twigs of the orchard, forest and shade trees soon hatch and the young drop to the ground and enter it, remaining there extracting sap from the roots for either thirteen or seventeen years, according to the brood and doing no appreciable damage during this time. Spraying common whitewash on the limbs of young trees tends to keep the Cicadas from depositing their eggs there, but it is difficult to reach the limbs and cover them at that season because the leaves catch and hold the spray. The spraying should be done, if at all, just before or just as soon as the egg-laying process begins.

**Dedicate New Church.**

Odessa Democrat.

Sunday, February 17, 1907 the new Catholic church of this city was solemnly dedicated with all the splendor of the Catholic ceremonial by the Very Rev. C. Theobald, the Provincial of the Franciscan Fathers in Cincinnati, Ohio.

The services commenced at 10:00 o'clock with the recitation of prayers at the front door of the church, whereupon the officiating priest assisted by the Rev. Forest McGee from Kansas City, and Killian Roth and C. Mertens from Higginsville proceeded to bless the exterior walls of the church by sprinkling holy water upon them to signify that the new church from henceforth shall be purified and consecrated to the service of God alone. A similar ceremony was performed in the interior of the edifice. After the clergy had entered into the church the large crowd of Catholics from the neighboring towns as well as the citizens of Odessa and neighborhood who had gathered to witness the ceremony, filled the church to almost capacity. There upon Rev. Killian Roth from Higginsville celebrated high mass during which the boys choir from Higginsville sang under the direction of Sister Theophila who presided at the organ.

The Catholics of Odessa and their pastor Rev. C. Mertens have all reason to rejoice that their long cherished wish of having a church of their own is at last accomplished and we trust that the congregation will long enjoy the fruits of their labor and sacrifices.

**Push It Along.**

Wellington News.

Many of our farmers are doing good work on the roads by dragging. The only trouble is there are a few farmers who believe in helping keep up the roads and are willing to do more than their share, while there are others who like to see the good work go on, but can never find the time to put their shoulder to the wheel and help along.

If every farmer would drag the roads along his own farm it would not be long until the question of bad roads would be a thing of the past.

We understand that W. B. Emison has dragged the road from his home to the city limits, and Mr. Thompson, carrier on R. F. D. no. 1, informs us that the patrons along his route have been doing considerable dragging and all roads that have been dragged are in fine shape.

Let the good work go on and let everybody help to push a good thing along.

Odessa Democrat: Dr. G. W. Lilly was down from Kansas City, Monday in consultation with Dr. Henry Williams in regard to the removal of Matt Barnett, of south of town, to Kansas City. Mr. Barnett has been ill some time and will be removed to a Kansas City hospital soon.

# PAIN

Pain in the head—pain anywhere, has its cause Pain in congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brush your finger, and don't let it get red, and swell, and pain you! Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

Well at 25 cents, and cheerfully recommend

**Attempts to Abate Tipping Nuisance.**

"So far, attempts at suppressing the practise of tipping have been sporadic and vain," writes Theodore Waters, in "Shall We Give Tips," in the February Everybody. "There are restaurants where it is forbidden and at the same time wicked at. There are theatres, shops, and clubs where the printed rule against tipping is much in evidence, but where small services are to be obtained only at the expense of a surreptitious gratuity. There is an anti-tipping league, the members of which are pledged to give no tips but which has not succeeded in creating a popular sentiment against tipping. More impressive is the fact that various State legislatures have passed bills making the practise of taking tips without the consent of an employer a misdemeanor, punishable by fine or imprisonment or both. But when has such punishment actually been visited upon such offenses? And, to make the State's action more ineffectual, the Federal Government permits tipping, tips to Pullman porters being regularly sanctioned items on the expense vouchers of government employees."

Sheriff Kinkead, Saturday, arrested in Kansas City, Will Hill, Tom Hill and Laura Brown, colored, and lodged them in the jail here. The first is charged with non-payment of a fine and the second with running away with another man's wife.

The News—No Pure Drug Cough Cure Laws would be needed, if all Cough Cures were like Dr. Shoop's Cough Cure is—and has been for 20 years. The National law now requires that if any poisons enter into a cough mixture, it must be printed on the label or package. For this reason mothers, and others, should insist on Dr. Shoop's Cough Cure. No poison marks on Dr. Shoop's labels—and none in the medicine, else it must by law be on the label. And it's not only safe, but it is said to be by those that know it best, a truly remarkable cough remedy. Refuse to accept any other. Sold by Dr. Silverstone's drug store. 3-2ml

J. H. Campbell left Sunday evening for Canyon City, Texas, where he expects to make his future home. His wife will join him there in a few weeks. This community will be exceedingly sorry to lose Mr. and Mrs. Campbell, who have lived here for the past eight years.
