Good Moving Pictures.

The Liberty Moving Picture Co. gave a performance Monday night at the New Grand, before a fairly good crowd, which, if applause is evidence, enjoyed it immensely. The program consisted of both humorous and pathetic numbers. The pictures are absolutely without flicker and for beauty and plainness can hardly be surpassed. The piece entitled "Aladdin and his Wonderful Lamp" was perhaps the best and most beautiful number, although the humorous sketches took better with the audience and received more applause.

Chester Went Through.

The big steamboat, Chester, passed Lexington Monday shortly after noon on her way up the river from St. Louis to Kansas City. Owing to the recent fall of the river it was impossible to make a landing on this side. So she tied up on the north side and the Lois carried over to her a supply of coal and six passengers.

The Chester is an enormous boat for river traffic. She is a three decked stern wheeler and makes good time against the strong current of the Missouri.

Keep Your Bowels Open

It is a noticeable fact, and one which any doctor will verify that people who suffer most often from disease are the ones who have the most difficulty in keeping their bowels open. Regular bowel action is half the battle of health.

People who have a tendency to constipation must of necessity use something to help nature along. This should not be a violent aid like salts or purgative waters, cathartic pills or powders, but a syrup liquid that will fill the intestines and membranes that it comes in contact with. Children, women and weak people generally should never be given a strong physic, as it weakens the system. And it is futile for the strongest person because the relief is temporary for that day, and then the reaction sets in and you are worse off than before.

What is needed is a gentle laxative tonic like Dr. Caldwell's Syrup Pepsin. People have been taking it for sixteen years and it is being better liked by more people every year. The reason is that it fills a want that is unlike anything else. Results are so sure in constipation, dyspepsia, indigestion, liver trouble, biliousness, flatulency, sour stomach, weak stomach, bloated stomach and such ills that a cure of any of these ailments is absolutely guaranteed. A bottle costs but 50 cents or \$1 and is worth a hundred times that to any sufferer.

Wise mothers keep it constantly in the house for emergencies, because it is needed at some time or other by every member of the family. Dr. Lucien Underhill, the medical superintendent of the Working Women's Home of Chicago has kept her charges in perfect health by the use of Dr. Caldwell's Syrup Pepsin whenever a stomach complaint was brought to her attention. No other laxative is used in the Home. Buy a bottle yourself today and watch the prompt and permanent results.

FREE TEST—Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folk. A guaranteed permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and So Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guaranties No. 17, Washington, D. C. **PEPSIN SYRUP CO.** 119 Caldwell Bldg., Monticello, Ill.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and pre-cribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & Co., Toledo, Ohio.

Sold by Druggists, 75 cents. Take Hall's Family Pills for constipation.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablet stops it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruse your finger, and doesn't it go red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend
