Women Inclined To Constipation

Great Care Should Be Taken Not to Use
Violent Cathartics

Women, owing to their peculiar func-
tions, are more or less liable to consti-
pation and many of them owe their con-
tinued ill health to the pill habit. A
well known physician lays the majority
of cases of foul breath, bad complexion,
disordered stomach, sick headache and
female weakness to constipation and the
constant use of violent cathartics to
overcome it.
We believe women will be glad to learn
of a safe, reliable bowel and stomach
remedy that is pleasant to take and that
the first few doses will certainly produce
natural daily movements without pain or
gripes and in a short time establish a per-
manent cure. It is so effective it has
cured cases of 60 years' standing and
yet so mild and safe thousands of moth-
ers give it to their babies. Jennie
Gresham, Nashville, Tenn., says: "I suf-
fered almost death with torpid liver and
indigestion and Dr. Caldwell's Syrup Pepsin
gave me quick relief." Sister M.
Borchmann, of Mt. St. Mary's Academy,
Oklahoma City, says: "We have found
Dr. Caldwell's Syrup Pepsin satisfactory
as a gentle laxative and stomach tonic."
Mrs. Myrtle Mather, Chicago, says: "My
daughter was troubled since birth with
constipation and sick headache. Dr.
Caldwell's Syrup Pepsin cured her." Mrs.
W. M. Powers, New Philadelphia, Ohio,
says: "It is the best remedy for consti-
pation and stomach trouble I have ever
used." Mrs. E. H. Brown, Addington,
Okla., says it gave her prompt relief
from constipation and torpid liver. Mrs.
Isabella Wheeler, Prestown, Ind., says:
"Twenty-three years ago I was taken
with stomach trouble. Three years ago
I had become so weak I could hardly
walk. I took Dr. Caldwell's Syrup Pepsin
and today am as well as ever." Drugists
sell it at 50c and \$1.00 per bottle.
"We are glad to send a free sample to
any one who has not used it and will give
it a fair trial. Address Pepsin Syrup Co.,
388 Caldwell Bldg., Monticello, Ill."

Cold Weather Advice

It is to be aware of coughs and
colds on the chest; as neglected they
readily lead to pneumonia, consump-
tion or other pulmonary troubles.

treat it with Ballard's Horehound
Syrup the standard cure of America.
Use as directed—perfectly harmless.

ginsville visited here Saturday.

ney and bladder Pills. They will

A Banquet

spread before you would do you no
good if you couldn't eat. What good
can food do a child when as soon as it
enters its stomach it is eaten by
worms. That's the reason your baby
is ailing, cross, pasty faced and thin.
Give it White's Cream Vermifuge.
It will expel the worms and
act as a tonic for the child. Sold by
Crenshaw & Young.

Notice.

church will serve dinner and supper

Boyle-Bull Battle.

Saturday night about 11 o'clock,
Charlie Bull, a constable from the
dry area across the creek, became a
little to jubilant from the effect of
spirit waters, that he desired to put
out ever-active night watchman,
Mike Boyle, off the earth, and at
once proceeded to start things in
general. A lively scuffle ensued in
which the law was getting a little
more than even money when the
aforesaid Charlie started to pull a
hole-puncher. Mike grabbed his
arm and after a brief struggle se-
cured possession of the weapon and
pocketed the same. Mr. Bull then
became enraged and lit into the law-
whereupon Mr. Boyle bounced 2
whirls over Bull's right twinkle with
his cue. It took but a few minutes
more for the law to land his prisoner
in the city hall where he was left to
sleep off the effects of an evening's
pleasure.
Mr. Bull was in this city with war-
rants for two men.

A Shaking Up

trusts are concerned, but not when it
comes to chills and fever and malaria.

—Ballard's Herbine. Contains no
harmful drugs and is as certain as
taxes. If it doesn't cure, you get
your money back. Sold by Crenshaw

Dr. Lee to Lecture Here.

The Alumnae association of Lex-
ington college has made arrange-
ment for a lecture in the opera house
on the evening of October 19 by Dr. Guy
Carleton Lee of John Hopkins uni-
versity. Dr. Lee is one of the great-
est literary men in the country. He
is not a comer or a has-been; he is
a man with a great reputation. He
is noted as a teacher, student, writer
and lecturer. His coming here will
be awaited with interest.

Deafness Cannot Be Cured

by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deaf-
ness and that is by constitutional
remedies. Deafness is caused by an
inflamed condition of the mucous
lining of the Eustachian Tube.
When this tube is inflamed you have
a rumbling sound or imperfect hear-
ing, and when it is entirely closed,
deafness is the result and unless the
inflammation can be taken out and
this tube restored to its normal con-
dition, hearing will be destroyed for-
ever; nine cases out of ten are caused
by Catarrh, which is nothing but an
inflamed condition of the mucous
surfaces.

We will give One Hundred Dollars
for any case of Deafness (caused by
catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for cir-
culars, free.

Frank Hofer to Commercial Bank.

Frank A. Hofer of Higginsville
has bought stock in the Commercial
bank and been elected to the posi-
tion of assistant cashier. Mr. Hofer
will move here and enter upon his
duties as soon as possible. He has
for a number of years been assistant
cashier of the Bank of Higginsville.
He comes from a family of bankers
and enjoys a valuable acquaintance
throughout the county. The Com-
mercial bank is one of the largest
and strongest in Central Missouri.
Its business has grown to such an ex-
tent of late that it was necessary to
have an additional officer in the bank.
The Commercial is fortunate in se-
curing Mr. Hofer and he will make
a good citizen for Lexington.

County Exhibitors.

I wish to inform your readers that
I now have a supply of State Fair
Premium lists for distribution to
those who are interested in making
exhibits at the Missouri State Fair
this fall. The State Fair dates are
Oct. 3rd to 31st inclusive.

The premium catalogue shows
largely increased premiums and the
addition of an Educational Depart-
ment, which means that the Missouri
State Fair is growing. It is a
great Educational Institution and we
hope your readers will secure a pre-
mium list and enter a large number
of exhibits.

The State of Missouri has invested
over a half million dollars in build-
ings and other improvements for
the State Fair at Sedalia, and fur-
nishes a splendid opportunity for
this County to advertise its many re-
sources, and show to the State at
large, the advancement we have
made in live stock breeding, Agri-
culture and education. Every effort
should be made to have this county
represented in a creditable manner.
Copies of this Catalogue can be se-
cured by calling at my office.
