

**Do You Think For Yourself?**

Do you open your mouth like a young bird and gulp down whatever food or medicine may be offered you?

There is an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true home medicine for women's ailments, sold by druggists for the cure of woman's ills.

The makers of Dr. Pierce's Favorite Prescription, for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper.

The formula of Dr. Pierce's Favorite Prescription will bear the most critical examination of medical experts, for it contains no alcohol, narcotics, harmful, or habit-forming drugs, and no agent enters into it that is not highly recommended by the most advanced and leading medical teachers and authorities of their several schools of practice. These authorities recommend the ingredients of Dr. Pierce's Favorite Prescription for the cure of exactly the same ailments for which this world-famed medicine is advised.

No other medicine for woman's ills has any such professional endorsement as Dr. Pierce's Favorite Prescription has received, in the unqualified recommendation of each of its several ingredients by scores of leading medical men of all the schools of practice. Is such an endorsement not worthy of your consideration?

A booklet of ingredients, with numerous authoritative professional endorsements by the leading medical authorities of this country, will be mailed free to any one sending name and address with request for same. Address Dr. E. V. Pierce, Buffalo, N. Y.

**Battled to a Tie.**  
The football teams of Wentworth Military academy and the Warrensburg State Normal school fought a draw on the latter team's gridiron Monday in a game in which only the first half was played. The Wentworth boys, on account of the lateness of the morning train, arrived in Warrensburg at 4:20 p. m. and play was commenced at 15 minutes to five. After 30 minutes of straight football, neither team having the advantage, the game was called a tie as darkness prevented the playing of the second half. The cadets finished the half much stronger than did the Warrensburgers. The cadets were on the verge of scoring early in the half, but an imperfect pass by Conklin rendered a fine chance for a place kick unsuccessful. The playing was fast from the start. The cadets' great defense against the furious line plunges of the opposing team was a marked feature.

**Hadley-Folk Combination.**  
The Monday's issue the Kansas City Journal, the leading Republican organ in Missouri, admits that the Republican leaders of the state have a combination with Folk followers to defeat Cowherd and Stone. The Journal says in part as follows:  
In many of the strongly Democratic counties the leaders expect heavy support for Mr. Hadley because they believe the Folk following will support him. If Mr. Cowherd be elected the followers of Folk know there will be nothing in politics for them for at least four years, and Republican party leaders expect to rally them to the support of a sort of Hadley-Folk combination.
