DEATH OF J. H. DeBOLT.

Joseph H. DeBolt, an old and honored resident of Lafayette county, died at the home of Mrs. Anna Beatty, on Beatty street Tuesday morning, paralysis being the cause of death. Mr. DeBolt was 81 years old.

Mr. DeBolt was moving from Kansas City, where he went from here a few years ago, to Marshall and stopped over in Higginsville last Friday. With his son, Herman, he visited the Beatty home and it was while sitting in a chair there Friday afternoon that the paralytic stroke came to him. He fell from his chair and though a physician was summoned it was apparent from the first that the stroke would result in death. Mr. DeBolt became unconscious Saturday and never regained consciousness.

Joseph Hinkle DeBolt was born in Middleton, Ohio, January 1, 1828. He came to Missouri in 1869, settling near Higginsville. Until about four years ago he continued a resident of this county. A farm on which he lived for many years is now part of the outskirts of this city. Four years ago he moved to Kansas City.

Mr. DeBolt was married twice but is not survived by a widow. His first wife was Miss Anna Silvey, of Richmond, Ind. To this union were born eight children, of whom six, Mrs. Flora Younger of Moundville, Mo., Mrs. Elizabeth

Whitney of Cuba, Ill., Henry DeBolt of Coeur D'Alene, Wash., Albert DeBolt of Conlee, Wash., Herman DeBolt of Marshall and Frank P. DeBolt of Green City, Mo., are alive. His second wife was Mrs. Martha Proctor of Waverly. To this union one son, Arthur L. DeBolt of Columbus, Nebr., was born.

Mr. DeBolt was always an active worker for the Presbyterian church and was ruling elder in Corder for some time.

The funeral was from the Presbyterian church Wednesday morning, the Rev. Xenophon Ryland conducting the services. Burial was in Maplewood cemetery, near Alma.—Higginsville Jeffersonian.

A Land of Big Peaches.

Talk about your big peaches, but there are many fine ones in and around Odessa. And when we refer to peaches we don't mean the pretty girls, but we mean fruit. In many localities the crop was almost a total failure this season, but in this section they not only can be found in abundance, but there are many large ones to be found. N. Y. Ewing, proprietor of "Orchard Home Stock Farm," near the east city limits brought in a peach Wednesday which measured a little more than 10 1/2 inches in circumference. It was a bud-ded variety, but Mr. Ewing did not know what name it bore.—Odessa Democrat.

Some More Rain.

One of the heaviest rainfalls of the year came Monday night shortly after six. The water came thick, fast, heavy and hard. About seven there was a slight cessation of activities on the part of the elements, but the rain continued intermittently all through the night.

Train service was a little crippled. The east bound train Mon-

day night was an hour late and floating ties are said to have caused the derailment of three cars at Myrick. Tuesday morning the branch trains were running on time.

During the storm lightning struck the house of Capt. Frank Thornton, 1416 Franklin avenue. The chimney was knocked down and a number of shingles were ripped off the roof; but other damage was slight and no one was injured. The loss was covered by insurance.

The official measurements of Weather Observer Keithly show a precipitation of 4.48 inches between six p. m. Monday and six a. m. Tuesday. This is the heaviest twelve hours' fall of the year. Already more water has fallen in this month than in the entire month of September of any year during the last fourteen, 11.21 inches being the present record. During September of 1905 10.52 inches fell, Monday of last week there was a rain of 3.76 inches which was considered pretty heavy.

COL. PACE DEAD

Superintendent of Confederate Home Dies From War Wound.

Col. J. L. Pace, superintendent of the Confederate Home near Higginsville, died Friday night at 9:30. He had been sinking for several days and his death was not unexpected.

The illness of Col. Pace was the result of a wound received during the Civil War and became acute some months ago. He handed in his resignation and it was accepted September 2nd. It was to take effect October 10.

Col. Pace was 66 years old and had served as superintendent of the Home for eight years. He made an excellent record and won the universal respect of the citizens of Lafayette county. Last year J. N. Crutcher framed up some charges against him; but the investigation showed them to be utterly groundless.

The funeral was held from the Confederate Home Sunday at 4 p. m.

Barn Burned.

Friday morning at nine o'clock a barn belonging to Al Weber between Twelfth and Thirteenth streets north of Main was burned to the ground. Owing to a mistake when the alarm was turned in the fire company went almost to Twentieth and South streets before learning the location of the blaze. The barn burned rapidly and the fire had almost exhausted itself when the company got there. The barn was for two horses and had a loft. Mr. Weber was unable to tell this morning whether he had insurance covering it.

Mrs. P. S. Fulkerson and daughter, Miss Katherine, returned Monday from Wellington where they have been visiting relatives.

Dr. E. C. Gordon left Friday morning for Lamont, Missouri, where he preached in the Presbyterian church Sunday, exchanging pulpits with Rev. John Crockett of that place who preached here.

Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become future weaklings between birth and the age of ten, when the parents are still in greatest control.

The prime cause of trouble is in the stomach. A baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager for fun if its head is clear and its stomach light, and that means if it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Caldwell's Syrup Pepsin. This is a liquid laxative wonderful in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cullam, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results.

A bottle only costs 50 cents or 11 according to the size you want, and even one 50-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in indigestion, sour stomach, indigestion, torpid liver, dyspepsia, heartburn, sick headache and similar digestive troubles. It never gripes or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to your home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 509 Caldwell bldg., Monticello, Ill.
