The Lexington branch is again coming in for a lot of unfavorable criticism. But probably the present wave will subside as all previous ones have, and the old kettles will continue to puff and wheeze over the same old decrepit rails with the customary irregularity.

"Folk dances for the kids" read a head line in a recent Kansas City paper. We went after the article eagerly thinking that our former governor was doing some unique stunts to further his presidential boom; but the story was merely about some fancy steps the children are preparing for a kirmess in Kansas City.

Says the Kansan: "If Pete Heil hadn't been quite so frightened when he tried that easy goal, your roll would have been lightened."

Says the lad from Mizzouree: "If that bum official hadn't been so thieving, crooked, mean and prejudicial, we'd have won by fifteen points by modest estimation. You would now be

paying for my little celebration."

Says the adage: "Conjecturing is a futile habit. If the canine hadn't stopped he might have caught the rabbit."

**Internal Catarrh.**

Miss Nora Kelley, R. R. 1, Box 121, London, Ohio, says:

"I write to thank you for the wonderful good your Peruna has done for me.

I was a sufferer from kidney and internal trouble for twenty-two years. Two years ago I began to take Peruna and I only took about three bottles and to-day I can say I am a well person."

**Could Not Eat Without Suffering.**

Mrs. H. A. Weaver, Somerset, Ohio, writes:

"I can safely and truly say that Peruna has been a blessing to me.

"I had catarrh so badly that I had lost the sense of smell and taste.

"I had stomach trouble so bad that I could not eat anything without suffering afterwards.

"My friends advised me to try Peruna. I bought one bottle and was greatly benefited by it, and so I bought one-half dozen bottles, and will say that I am completely cured of stomach trouble and catarrh.

**"I cannot say enough for Peruna."**

**Pe-ru-na Brought Appetite.**

Mrs. Sallina Tanner, Athens, O., writes that Peruna relieved her of stomach trouble and brought her a good appetite.

**Now Has Best of Health.**

Mrs. Victoria M. Pickel, 130 E. Mound St., Columbus, Ohio, writes:

"I have been using Peruna for catarrh, having had a very aggravated case, so bad that it clogged the nasal organs. When I did get the nasal organs opened, the mucus would drop into my throat and make me very sick.

"A friend advised me to take Peruna, and after using four bottles I was cured.

"I have no trouble now, and am happy to say that I am enjoying the best of health and attending to my lodge duties, being a member of the Rebecca Lodge of Odd Fellows.

"I would recommend Peruna to those suffering with the same obnoxious trouble."

**Catarrh for Several Years.**

Mrs. Alice Bogle, 803 Clinton St., Circleville, Ohio, writes:

"I want to inform you what Peruna has done for me.

"I have been afflicted with catarrh for several years. I have tried different medicines and none seemed to do me any good until I used Peruna. I have taken six bottles and can praise it very highly for the good it has done me.

"I also find it of great benefit to my children."
