Manitowoc No-Tuft Mattresses Keep Their Shape

Instead of a mere cord holding the filling in place, the Manitowoc has partitions of strong ticking separating the mattress into compartments. No tufts to compress and take springiness out of the filling. No tufts to break and allow filling to shift. The Manitowoc keeps its shape and comfort for a life-time. Let us show you why and how.

Gave Up Hope

"I suffered five years, with awful pains, due to womanly troubles," writes Mrs. M. D. McPherson, from Chadbourn, N. C. "They grew worse, till I would often faint. I could not walk at all, and I had an awful hurting in my side; also a headache and a backache.

I gave up and thought I would die, but my husband urged me to try Cardui, so, I began, and the first bottle helped me. By the time the third bottle was used, I could do all my work. All the people around here said I would die, but Cardui relieved me."

TAKE CARDUI The Woman's Tonic

For more than 50 years, Cardui has been relieving woman's sufferings, and making weak women strong and well. During this time, thousands of women have written, like Mrs. McPherson, to tell of the really surprising results they obtained by the use of this purely vegetable, tonic remedy for women.

Cardui strengthens, builds, restores, and relieves or prevents unnecessary pain and suffering from womanly troubles. If you are a woman, begin taking Cardui, today.

BALD HEADS NOT WANTED

Baldness is too Generally Considered a Sign of Advanced Age.

A bald-headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over 35 years of age as new employees.

Probably 65 per cent of bald-headed people may regain a good head of healthy hair if they will follow our advice and accept our offer. We have a remedy that we positively guarantee to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become glazed and shiny. We want people to try this remedy at our risk, with the distinct understanding that unless it does exactly what we claim it will, and gives satisfaction in every respect, and we shall make no charge for the remedy used during the trial.

We know exactly what we are talking about, and with this offer back of our statements no one should scoff, doubt our word, or hesitate to put our remedy to an actual test.

We want everyone in Lexington who is suffering from any scalp or hair trouble, dandruff, falling hair, or baldness to try our Rexall '93' Hair Tonic. We want them to use it regularly—say until three bottles have been used—and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, we will return every cent paid us for the remedy for the mere asking. There is no formality expected, and we exact no obligation for the user whatever.

We are established right here in Lexington, and make this offer with a full understanding that our business success entirely depends upon the sort of treatment we accord our customers, and we would not dare make the above offer unless we were positively certain that we could substantiate it in every particular. Remember, you can obtain Rexall Remedies in this community only at our store—the Rexall Store, Crenshaw & Young, 11th and Main streets.

A Reader Cures His Constipation—Try It Free

Simple way for any family to retain the good health of all its members

The editors of "Health Hints" and "Questions and Answers" have one question that is put to them more often than any other, and which strangely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong

cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with its tonic ingredients strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 98 Milwaukee Ave., Detroit, Mich., and Mr. J. A. Vernon of Oklahoma City. Thousands of others of both sexes have written to Dr. Caldwell telling of gratifying results it can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
