### WHAT'S THE REASON

Many Lexington People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood and that is the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no better remedy than Doan's Kidney Pills.

Below is graceful testimony from a sufferer in this locality.

D. F. Williard of Higginsville, Mo., says: "For a long time I was troubled by pains in my side and although I consulted doctors I was not helped. I finally decided that my suffering arose from disordered kidneys, as the kidneys secretions passed too frequently, especially at night. Seeing Doan's Kidney Pills highly advertised, I procured a box and began their use. They did me so much good that I continued taking them until the pains in my sides disappeared and the passages of the kidney secretions were regulated. Doan's Kidney Pills cured me and I, therefore, gladly recommend them to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## ONE WAY OF SAVING A BABY—FREE TO TRY

The mother does not live who would not do all in her power to keep her child healthy, but often she does not know how. So when a doctor of standing points the way all can afford to listen.

It is an accepted fact that nine out of ten of the troubles of infants and children is intestinal. You notice it by the fact that the child is constipated, it belches, is peevish and cries. Don't give a remedy that contains an opiate, because the child will get in the habit of needing it, and don't become alarmed and run at once for a doctor.

Try a scientific laxative first. Give a small dose of Dr. Caldwell's Syrup Pepsin, the remedy that is intended

for the use of children. It is mild, gentle and non-gripping. The remedy is absolutely pure and is guaranteed in every particular. Mrs. Toomey of Emigsville, Pa., and Mrs. Fred Crooms of Alanson, Mich., never give their children anything else. These are only a few among thousands of women.

You can buy a fifty cent or one dollar bottle of any nearby druggist, for they have all sold it for a generation, but if you want to test it on your child first send your address to Dr. Caldwell and he will cheerfully send you a free sample bottle.

Address him Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
