Missouri Crop Report.

The following report showing Missouri crop conditions was issued today from the office of T. C. Wilson, secretary of the State Board of Agriculture:

The Missouri crop report is issued to acquaint the public with the facts just as far as it is possible to get them, rather than to paint rose-hued pictures for advertising purposes. The first aim is to tell the truth and to tell it in such a manner that it may be understood. This policy has not and will not be departed from. To do so would destroy the value of these reports. Furthermore, the truth about Missouri is always good enough.

Reader Cures His Constipation—Try It Free

Simple way for any family to retain the good health of all its members.

The editors of "Health Hints" and "Questions and Answers" have one caution that is put to them more often than any other, and which is so largely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin is the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong

cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with its tonic ingredients strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 98 Milwaukee Ave., Detroit, Mich., and Mr. J. A. Vernon of Oklahoma City. Thousands of others of both sexes have written to Dr. Caldwell telling of gratifying results. It can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

Dr. C. L. Fowler and Rev. A. S. Winslow went to Liberty Tuesday to attend the commencement exercises of William Jewell College.

Miss Dora Peacock returned Tuesday from Pratte, Kansas, where she has been visiting her brother, Walter. She was accompanied home by her sister-in-law, Mrs. Walter Peacock.
