

JOSEPH A. EDMONDS DEAD

Dies Saturday Evening of Old Age and General Debility.

Joseph A. Edmonds, died Saturday evening at 3:30 o'clock at his home on South 13th street. His death was due to old age and general debility. Mr. Edmonds has been in declining health for the past year or two, but only for a few months had he been confined to the house.

Mr. Edmonds was born in St. Louis county, Missouri, in 1837, and was nearly seventy-seven years of age. In 1851 he moved to Lexington, and had resided here ever since, with the exception of a short time he served in the Confederate army. A memorable event in his army experience was that he was among the prisoners at Palmyra, Missouri, ordered by General John McNeale to draw lots to determine which ten should be shot in retaliation for the supposed murder of a Federal soldier. After this atrocious massacre, Mr. Edmonds with the remaining prisoners was transferred to the old Gratiot prison in St. Louis. Mr. Edmonds during his life was engaged in real estate and insurance business, and at one time operated a coal mine at Waterloo. He was among the oldest members of the local M. E. Church South, and seldom missed a service as long as his health would permit. He was an ardent prohibitionist.

Mr. Edmonds is survived by two daughters and two sons, Mrs. Henry Noever and Miss Bell Edmonds, both of this city, J. A. Edmonds of Woods, South Dakota, and J. K. Edmonds of Muskogee, Okla. One brother, Robert Edmonds, of Kansas City, also survives him.

The funeral was held Monday evening at 3 o'clock from the Methodist church. Rev. C. M. Davenport conducted the services.

Attempted Suicide.

Saturday night Elva Bray living near the Valley mine, attempted suicide by shooting himself through the chest.

Mrs. Oscar Thomas returned Wednesday to her home in Waverly after a visit here with Miss Stella Bandon.

Death of Charles Wiley.

Charles Wiley, son of Mr. and Mrs. B. T. Wiley, died Friday morning at 2 o'clock at the German hospital in Kansas City, where he was taken the 12th of last month for an operation for internal trouble. The operation revealed such a condition that his recovery could not be hoped for. The science of surgery and medicine was of no avail—only to alleviate his suffering, and after a month's illness, he passed away.

The young man was born in Lexington March 24, 1896, and was in his seventeenth year. His whole life was spent here. He attended the public schools and afterwards was employed by the Lexington Gas and Electric Company, whose service he was in when taken ill.

Besides his parents, Mr. Wiley is survived by three sisters, Jean, Lester and Katherine; four brothers, Joe, Serat and Arnold of Lexington, and Ben of Tacoma, Washington.

The funeral services, conducted by Rev. S. Boyd White, were held from the home Saturday evening at three o'clock.

Freight Wreck.

The Kansas City "Red Ball" through freight was wrecked Sunday morning near "Dog Town Hill." Four freight cars were derailed and the track for a considerable distance was torn up. Traffic was delayed several hours. The morning passenger trains did not wait for the track to be cleared, but transferred their passengers and baggage.

The funeral services of Mrs. Mary Arnold Wilson were held at the home of Judge W. G. McCausland Sunday afternoon at 4 o'clock, Rev. C. A. Weed, officiating. The pallbearers were Messrs. James Russell, Albert Young, Joe Alford, Lucien Lesueur, John Chamberlain, and Isaac Neale. Mrs. Virginia Wilson Ashe and Mrs. Lelia Tidball accompanied the body and arrived on the Sunday morning train from Kansas City.

Mrs. T. J. Bandon and daughter, Mrs. Charles Barron, went to Waverly yesterday for a few days' visit with Mr. and Mrs. Oscar Thomas.

CIRCUIT COURT

New Suits Filed For the October Term.

The following new suits have been filed for the October term of circuit court:

Sallie Smith vs. J. G. Goodwin, et al, partition.

B. B. Huckell, et al, vs. Cleveland Terhune, account.

Lambert Lumber Company vs. John R. Potts, et al suit on mechanics lien.

Bour-Gaffin.

Wednesday evening at seven o'clock the marriage of Mr. James Arthur Bour and Miss Izetta Gaffin was solemnized at the home of the bride's parents, 21-22 Franklin street, by Father G. B. Curry. Only the immediate relatives of the two families were present. After the ceremony the happy couple left in an automobile for Kansas City, where they will spend a short honeymoon and then return to Lexington. They will for a while make their home with the bride's parents.

The bride is a daughter of Mr. and Mrs. Owen Gaffin, and is one of the most charming and talented young women of Lexington. She is a graduate of the Lexington High School in the class of 1912, and a graduate in piano from the Lexington College conservatory.

The groom is a son of Mr. and Mrs. V. J. C. Bour, and is a young man of worth, industry and integrity. He was educated

in the public schools and at Wentworth Military Academy, graduating from the latter in the class of 1910. After graduation he worked three years for the Commercial Bank as book-keeper, and last June he entered the partnership of V. J. C. Bour & Sons, where he enjoys a greater opportunity for the employment of his ability and energy.

The Intelligencer joins with their numerous friends in congratulations and best wishes for a long and happy life.

Card of Thanks.

We desire to thank our neighbors and many friends for their kindness and sympathy during the recent illness and death of our son and brother, Charles; also for the many beautiful floral offerings.

Mr. and Mrs. B. T. Wiley and Family.

Misses May and Alice Peak went to Kansas City Wednesday morning for a few days' visit.

The Circus.

The old men, the boys, the girls, the spinsters, the papas and mamas can again settle down to the daily routine as the circus has come and gone. The rain, perhaps, kept a few away, but they were not missed. There was a large crowd in town and everyone seemed to have a good time. The circus played to good crowds both in the evening and at night, and while it was't the largest show on earth, it was plenty good enough. Some of their attractions were fine, some we had seen before and were good. The lemonade had the same pale hue and the cracker jack was only good to look upon. The merchants report an increase in business, so we're glad it came and just as glad that it has gone.

For Sale.

Goods boxes, all sizes, suitable for storing grain, apples, potatoes for the winter. Prices low to move them at once.

Wilson-Fredendall D. G. Co.

Coal costs money. You know it. The winter's coal costs BIG money. You know that also. Yet, half of it is wasted by poor management. Oh, yes it is! Listen and be convinced.

Ordinary soft coal is half gas. An average ton of \$3.00 coal contains about 14,000 cubic feet of gas—common illuminating gas. A gas which will, if properly mixed with air, burn with an intensely hot blue flame. This gas represents the best half of your ton of coal.

This unburned gas and a large portion of the heat is CARRIED UP THE CHIMNEY by the air leaking cracks in stoves of ORDINARY construction.

There is only one way to save this wasted gas and heat and that is with a

Cole's Original Hot Blast Heater

which is so constructed that it has no air leaking cracks. In this wonderful heater and fuel-saver the gas is kept under perfect control until oxidized and burned.

It is the only stove that is made tight—holds tight—stays tight. It is the only stove that saves the wasted chimney heat.

It's the only stove that gives you a constant, steady heat with soft coal, hard coal or lignite.

It will give you all the heat that is in your coal. It will hold your fire 36 hours without attention.

It will burn all kinds of fuel. It is guaranteed to consume one-third less fuel than any lower draft stove of the same size, using soft coal, lignite or slack.

AND—It is sold you under a guarantee to fill all these claims. Back of this guarantee is the credit and capital of an immense factory and it is worth to you 100 cents on the dollar.

COME IN AND SEE IT. IT MEANS DOLLARS IN YOUR POCKET AND A PLEASED CUSTOMER FOR US.

Don't Be Carried Away

With the idea that you can buy better Lumber and Building Material than we offer you.

We know better. You're not gambling, or taking any chance when buying here.

On the contrary, you are putting yourself squarely on the road to complete satisfaction.

We know about what consumers need in the building line. We know how to price our goods attractively. And we know how to treat you so you'll come again—and again.

Don't argue—don't infer—don't guess whether we could please you better or not. Investigate and find out—be sure. The man who never investigates, never knows. Drop in and see us.

Lambert Lumber Co.

Lexington, - Missouri

Fred T. Hix, Manager.

See the name "Cole's" on the feed door of each stove. None genuine without it
