VOL. XLIV

LEXINGTON, LAFAYETTE COUNTY, MISSOURI, FRIDAY, JUNE 19, 1914

NO. 25

Death of Frederick R. Neet.

Frederick Robb Neet died Wednesday at twelve o'clock at his home on North Seventeenth street. Mr. Neet has been in failing health for several years and recently was injured by a fall, which was the immediate cause of his death.

Mr. Neet was born in Jessamine County, Kentucky, August 18, 1833, and was almost 81 years of age. He came with his parents, Jacob and Sarah (Robb) Neet, to Missouri in 1850 and settled in Lafayette county, where his established residence has continued. He was employed as a carpenter until 1861, when the Civil War was declared. Mr. Neet has been for many years a dealer in natural and artificial ice in this city.

He was united in marriage to Miss Ella Bethel of this city September 6, 1868, to which union one child, Alva, was born.

At the beginning of the Civil War Mr. Neet enlisted as a Union soldier with the First Regiment Infantry Missouri Volunteers, and served three months, after honorable discharge he again enlisted to serve three years and was mustered in as captain of Company "K," fourteenth Missouri Volunteers, with which organization he participated in the battle of Lexington, Mo. Later with the eighth Kansas Infantry he was in the battle of Shiloh in Tennessee. Mr. Neet was constantly with his command as outlined above and was honorably discharged at Edgefield, Tennessee, on June 22, 1865.

Mr. Neet was a man of splendid morals, excellent disposition, honest and charitable in all his business dealings, and honored and respected throughout his soldier life by both Union and Confederate associates. His home life was worthy of emulation, his family always his first consideration.

He is survived by his wife and daughter, Mrs. Frank Lauchner, and two grandchildren, Fred and John Neet, one brother, W. F. Neet, all of Lexington, and one sister, Mrs. Hettie Linnehan, of Portland, Oregon.

The funeral will be held from the home Friday afternoon at 2:30 o'clock. The services will be conducted by Rev. T. M.

Cobb, assisted by Rev. Warren P. Clark. Burial will be in Machpelah cemetery.

Wellington 5; Merchants 4.

The Lexington Merchants went to Wellington Friday and drove the Wellington team of the Inter-County league through thirteen innings of the fastest kind of base ball, before the leaguers could hang up a victory. The Merchants tied the score in the ninth and then held the Sni sluggers until the thirteenth when they made a run and won the game.

Batteries — Bardett, Mann, Koek and Bardett; Slusher and Slusher.

Sight by Wireless.

Space no more cuts any figure if you want to see your best girl, though she may be miles away. Dr. M. A. Low, a consulting engineer of London, England, has a new invention which enables the image of any object to be transmitted and reproduced before the eyes of a spectator many miles away, just as the telephone transmits and reproduces the tones of the voice. The process is described as a "kinematographic application of common electric principles."

Messrs. Clyde Wright, Jno. C. Young and Jesse W. Warder, Jr., taken over the Princess and the Airdome of this city and will the Grand Theatre. This has been done in order to centralize the show business, cut down the expenses and give better picture service to the show going public. Only selected programs consisting of the cream of the Licensed and Universal Companies will be shown. The Grand will remain open until Tuesday at which time this popular playhouse will be closed for the season. The Airdome will re-open Saturday night to help take care of the regular Saturday night show crowd, but will be closed Monday night on account of the exhibition of "Traffic in Souls," at the Grand.

D. F. Conrad went to Kansas City Thursday for a visit. Miss Mildred Sydnor went to Dover Thursday for a visit.

Death of James F. Ramey.

James F. Ramey, a widely known citizen of this county, died Thursday afternoon at 1:30 o'clock at the home of his sister, Mrs. Mary B. Terhune, about three miles east of Lexington. Mr. Ramey had been in poor health for a number of years.

Mr. Ramey was born in this county January 29, 1858, and was fifty-six years, four months and thirteen days old. He spent nearly all of his life on the farm, where his chief delight was in breeding and developing fine horses. He developed and owned half interest in John R. Gentry, at one time the fastest horse in the world. In a race at Detroit, Michigan, he drove "John R." against a field of the finest racing stock in America, and won the race. "Jim," as he was familiarly known, made friends wherever he went. He was his own worst enemy. He was generous to a fault and many instances could be recorded where his generosity was wholly out of proportion to his means.

Mr. Ramey is survived by two sisters, Mrs. Mary B. Terhune of this county, and Mrs. A. O. Kelley of Oak Grove.

The funeral services conducted by Rev. R. B. Briney, assisted by Rev. Carl Burkhardt, was held from the home Saturday afternoon at 2:30 o'clock.

Dawdy-Greer.

Miss Janie Greer of this city and Mr. Raymond Dawdy of Jefferson City, were married Thursday afternoon at 3:30 o'clock at the home of the bride's parents, Dr. and Mrs. J. J. Greer, on West South street. The wedding was a quiet home affair, and was attended only by the family and a few intimate friends. The ceremony was performed by Rev. R. N. Allen, pastor of the M. E. Church South of this city. The happy couple

left on the evening train for a trip to St. Louis and Chicago. The Intelligencer join with the many friends of the bride in wishing them a long, happy and prosperous life.

W. G. McCAUSLAND

Far Seeing Farmers Know the Value of a Silo.

And they're the boys that are knocking down the dollars as a result of their foresight in putting one up.

If you could just take a hike over the country and see the thousands of Silos on farms that were not there even two years ago, you would get an object lesson on the value of these great feed savers, that you would not soon forget.

Ten acres of corn put into a Silo will feed 27 steers or cows for six months, and fatten or produce a flow of milk equal to summer pasture. Isn't that better than you can do with 40 acres under the old system?

And when we can furnish you the best Silo on the market at a price less than many inferior Silos, isn't it up to you to give us your order?

We're ready to talk Silos any time you are. Are you ready now?
