Please
PAINT
Your
House

THIS is an appeal.
—to women as well as to men.

—It should interest all house owners and all property owners.

We would like to see every house in town newly painted

this year. Just think what a difference it would make in the appearance of our city. It would not only improve the looks of things, but would enhance the value of property besides. It would be a great "ad" for our town.

Good first class paint such as MASURY'S costs mighty little by the year and lasts a long, long time. We sell MASURY'S Paints and recommend them as the best. The formula is plainly printed on the label as a guarantee of quality. MASURY Paint never fails to "make good."

Why not call us up on the 'phone and let us tell you how little it costs to give your house two good coats of MASURY Paint.

J. GEO. LOOS SHOWS HIGHLY RECOMMENDED

Many Excellent Bills Included In the List of Attractions of the Carnival Company.

The J. George Loos Exposition Shows to be here all next week as a benefit for the Moose benefit come highly recommended, carrying endorsements of press, public and officials far and near and the officers of this city have made a very careful investigation into the character of this show before bringing it here.

The all week Carnival begins Monday. All preparations for the big event have been completed. Loos Exposition Shows attractions will entertain large crowds each day.

Their first great success was in securing an excellent carnival company for the week, the J. George Loos Exposition Shows. A company of first-class tented exhibitions and first-class free attractions, has been engaged, and will exhibit here during the entire week.

The shows of the carnival will be located on Main street including a number of high-class carnival shows, among which is the largest portable motordome in America. Also the world's most daring riders. The motordome is built on an angle of seventy degrees and the daring riders risk their lives riding their motorcycles around the saucer shaped track, at the rate of a mile a minute. It is one of the most death defying exhibitions ever presented in America.—Adv.

Mrs. Sandford Sellers left Tuesday evening for a visit in Eureka Springs, Arkansas. Mr. Sellers accompanied her as far as Kansas City.

The August Woman's Home Companion.

In the August Woman's Home Companion appear photographs of 17 babies who, out of 100,000 examined at the Better Babies contests, were the only ones marked 100 by the physicians in charge. All of these children were examined and graded according to the Woman's Home Companion standard score-card adopted for use in all Better Babies contests.

Other interesting special contributions to the August number are: "Good Times That Cost Next to Nothing," being accounts of happy vacations spent by resourceful persons who are willing to pass their ideas on to others; "Queen Mary of England," an intimate personal account of Great Britain's sovereign family; "The Lived-in Garden," a practical, suggestive article about gardens contributed by Frank A. Vaughn, professor of landscape gardening at the Mass-

achusetts College of Agriculture, "Homemade Fireless Cookers," contributed by readers; "Every Girl Should Know the Right Way to Stand, Sleep and Walk" by William J. Cromie; "Such a Pretty Girl!" by Katharine Ferguson; and "A Brittany Summer Fair and Festival."

Fiction and special art features are contributed by Juliet Wilbur Tompkins, Fannie Heeslip, Lea, Margaret Busbee Shipp, Margaret Spalding, Gerry, Mary Heaton Vorse, Henry Hutt, Charles C. Curran, and Maud Tousey Fangel.

The regular Fashion, Cooking, Housekeeping and Young People's departments are filled with splendid suggestions peculiarly valuable in summer.

Mrs. J. L. Rice went to Kansas City Tuesday for a few days' visit.

Mrs. Fannie Weber and Miss Elsie Weber went to Larned, Kansas, Monday evening for a visit.

Miss Margaret Bates went to Webb City Tuesday for a visit.

ALL WRONG

The Mistake is Made by Many Lexington Citizens.

Look for the cause of back-ache.

To be cured you must know the cause.

If it's weak kidneys You must set the kidneys working right.

A resident of this vicinity shows you how.

"I was troubled for a long time by a pain in my right side," says D. F. Willard, retired carpenter, of Railroad St., Higginsville, Mo. "Doctors did not do me much good. I always thought the trouble came from my kidneys on account of too frequent passages of the kidney secretions. The first box of Doan's Kidney Pills did me so much good that I got a second. The pain left me and the kidney weakness also went away."

Price 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Willard had. Foster-Milburn Co., Props., Buffalo, N. Y.
