

**Talbot-Bishop.**

The marriage of Dr. Perry Lee Talbot of Grinnell, Iowa, and Miss Marie French Bishop was solemnized at the Christian church Tuesday afternoon at 3 o'clock, the Rev. Carl Burkhardt officiating.

The bridal party entered the church to the strains of Lohengrin's wedding march, after a program rendered by Miss Carrie Loomis and Mr. Algernon Smith playing Schubert's Serenade, and Mrs. W. Wallace Todd of Fayette, Mo., singing "Believe Me If All Those Endearing Young Charms," and "I Love You Truly." Preceding the bride were her maids of honor, Miss Nina Talbot, a sister of the groom, and Miss Nell Marrs; the groomsmen, Mr. Firman B. White and Mr. Oscar Westerman. Following these came the flower girl, little Miss Dorothy Kate Pollock, and the ring bearer, little Miss Sallie Bet Haldeman, nieces of the bride. Then came her matrons of honor, Mrs. Sherwood Porter Haldeman of LaBelle, Mo., and Mrs. Thomas Hartley Pollock of St. John's, Mo., sisters of the bride, and following these came the bride on the arm of her cousin, Mr. Clark B. French of New York City, and the groom with his best man, Mr. Buford C. Gordon.

The bride's gown was beautifully made of white satin and lace. The matrons of honor were dressed alike in gowns of white crepe-de-chene and lace, and the maids of honor were gowned in pink taffeta and white lace. The matrons and maids carried beautiful baskets of daisies and bride's roses. The bride's bouquet was of ferns and bride's roses. The church was very tastefully decorated in green and white.

The bride is the youngest daughter of Mrs. Kate Bishop of this city and is one of our most charming girls. She is abundantly endowed with grace, a charming manner and congenial disposition making her an efficient helpmate.

The groom is a son of Mr. and Mrs. W. N. Talbot of Sully, Ia. He is assistant state veterinarian of Iowa, a man of splendid character and sterling qualities, who during his visits here has made many friends.

After the wedding the bridal

party and a few of the most intimate friends were invited to the home where delicious refreshments were served and the bride's cake cut.

Mr. and Mrs. Talbot left at 6:00 p. m. for Grinnell via Kansas City and Des Moines, thence to Red Wood Falls, Minnesota, and will be at home in Grinnell, Iowa, after October 1st.

The out-of-town guests were: Mrs. Lynn Buford and Miss Ada Gosnell of Kansas City and Mr. T. H. Pollock of St. John's, Missouri

**A Small Chautauqua Deficit.**

The Lexington Chautauqua Association met Monday night to close up the business for the year, and it was found that there was a deficit of \$252, or about \$5.00 each for the members of the guarantee committee. Individually the committee is well satisfied that the deficit is so small, and in view of the fact that it was the first attempt to hold an independent Chautauqua, it could hardly be called a failure financially. The program gave general satisfaction, which is sufficient solace for the small money loss. The committee decided to hold another next year, and will continue the independent plan rather than go back to the cut and dried stuff of the circuits.

**A Card.**

I take this method of thanking my friends for their loyal and generous support for the office and those who by their votes conferred this honor shall always be held in grateful remembrance. For those who opposed my nomination I have nothing but kind words; it was their right and privilege as friends of my opponent to vote for and boost him for the coveted honor.

Now that the candidates for the several offices have been chosen, let's get together and work for a full party vote, for the entire ticket, at the coming general election in November.

Yours truly,  
WM. T. WERNWAG.

Dr. and Mrs. D. A. Hughes returned to their home in Kansas City Thursday evening after a visit here with the family of M. A. Chambers.

**Death of Mrs. O. W. Haggard.**

Mrs. Sallie Starke Haggard, wife of O. W. Haggard, died at her home near Simontown, Texas, Wednesday night, August 19th. Mrs. Haggard was born and grew to womanhood near Dover. On April 12th, 1911, she was married to O. W. Haggard, and they made their home here until less than a year ago when they with J. B. Eppes and family moved to Texas, thinking that conditions were such, that it would be beneficial to their health, also financially.

Mrs. Haggard had been sick about six weeks, but not so seriously ill as to create fears of her recovery until two days before she died she grew suddenly worse and sank rapidly until death relieved her suffering. Being the youngest daughter of her family and the last to leave the home circle, naturally the care of her aged parents fell on her. For several years she

tenderly cared for an invalid mother and almost an invalid father. This duty she performed faithfully and well. She was a devoted member of the Christian church always interested in its work and one of the willing helpers in any and all church and Sunday school work.

Many were the hearts that were saddened by the news of her death and the deepest sympathy is extended to the bereaved husband and relatives. She is survived by her husband, O. W. Haggard, two sisters, Mrs. Walter Trent and Mrs. J. B. Eppes, and three brothers, Jas. Birwell and O. B. Starke, of this county.

The body accompanied by her husband and nephew, Lawrence Eppes, was brought back and after a beautiful and fitting tribute to her memory spoken by Eld. J. H. Carter, was laid to rest by the side of her parents in the old Dover cemetery.

### Far Seeing Farmers Know the Value of a Silo.

And they're the boys that are knocking down the dollars as a result of their foresight in putting one up.

If you could just take a hike over the country and see the thousands of Silos on farms that were not there even two years ago, you would get an object lesson on the value of these great feed savers, that you would not soon forget.

Ten acres of corn put into a Silo will feed 27 steers or cows for six months, and fatten or produce a flow of milk equal to summer pasture. Isn't that better than you can do with 40 acres under the old system?

And when we can furnish you the best Silo on the market at a price less than many inferior Silos, isn't it up to you to give us your order?

We're ready to talk Silos any time you are. Are you ready now?
